In March 1987, Mercedes Lackey, a young author from Oklahoma, published her first novel, *Arrows of the Queen*. No one could have envisioned that this modest book would be the beginning of a fantasy career that would span decades and more than a hundred novels, with no signs of slowing yet. And among Ms. Lackey's many novels, few are as critically-acclaimed and beloved as those of the *Elemental Masters*. The novels in this series are loosely based on classic fairy tales, and take place in a fantasy version of turn-of-the-century London, where magic is real and Elemental Masters control the powers of Fire, Water, Air and Earth. Now the voices of other authors join Mercedes Lackey to add their own special touches to this delightful alternate history, in a world where magic is always just around the corner...

In *Storm Rising*, mysterious mage-storms are wreaking havoc on Valdemar, Karse, and all the kingdoms of the West, plaguing these lands not only with disastrous earthquakes, monsoons, and ice storms, but also with venomous magical constructs - terrifying creatures out of nightmare. Both Valdemar's Heralds and Karse's Sunpriests struggle to marshal their combined magical resources to protect their realms from these devastating, spell-fueled onslaughts. But as the situation becomes bleaker and bleaker, the still fragile alliance between these long-hostile lands begins to fray. And unless Valdemar and Karse can locate and destroy the creator of the storms, they may see their entire world demolished in a final magical holocaust.

Lavan Chitward is a very unhappy young man; pulled away from his country home by his parents' ambitions and resettled in the big city of Haven, he is desperately lonely, bullied and beaten at school, ignored by his parents. It is not surprising that he falls ill -- but his illness is the first manifestation of a terrible power, the Gift of the Firestorm, a power which can and does kill. If controlled, the Gift of the Firestorm can save Valdemar, but if it is uncontrolled, it will destroy the country -- and him. Chosen by the Companion Kalira, brought into the ranks of the Heralds of Valdemar, Lavan finds acceptance and hope for the first time. But war with Karse threatens to engulf the Kingdom and only Lavan Firestorm stands between Valdemar and destruction -- and only then if he can harness his dreadful power to his will.

Joy knows she'll be facing more dangerous Othersiders than ever before as a new member of the Elite Hunter unit, but if anyone is up to the challenge it's her. She's been Hunting these monsters since she was a child, and has a pack of eleven fiercely protective magical Hounds. Then the rules change. Monsters unlike any Joy's ever seen or even heard of are breaking through Apex City's barriers, and the Hunters are scrambling to find new ways to fight them—all the while hiding the true danger Apex faces from the Cits, who are ignorant of the severity of the Othersiders' attacks. The leaders of Apex must come together to protect the city, but tensions have never been higher between the Hunters and the powerful PsiCorps, with each group competing to be the primary protector of the city. The conflict escalates even further when Joy starts discovering bodies of Psimons while patrolling the city sewers on a special assignment from her uncle, who commands the Hunters. Someone is killing Psimons, and if Joy doesn't uncover the true culprit she might just take the fall for it. Chaos erupts when Ace, the murderous

Hunter who tried to kill Joy at her Elite trials, escapes from the Army's captivity and defects to the Othersiders. Joy has no idea what Ace might be capable of with the help of the cunning Folk, but she may be about to find out; Othersider forces are gaining strength and momentum just beyond the barriers. A storm is approaching Apex City, and unless Joy and her fellow Hunters put up the fight of their lives, it might just sweep them all away . . .

Christmas is a very special time of year. It is special for Psychic Nan Killian and Medium Sarah Lyon-White and their ward Suki, who are determined to celebrate it properly. Their friends, Doctor John Watson, and his wife Mary, both Elemental Masters, also find great delight in the season. It is special to others... for very different reasons. For Christmas Eve is also hallowed to dark forces, powers older than mankind. Women disappear in the dark of night, and reappear no longer sane. When Nan, Sarah and the Watsons are called on to examine these victims, they discover that it was no ordinary horror of the streets that drove them mad. It will take the combined forces of Magic, Psychic Powers, and the world's greatest detective to stop the darkness before it can conquer all.

As *Storm Breaking* opens, the western allies, led by Karal, Karsite Sunpriest and delegate to the Valdemaran Court, and the Adepts Firesong and An'desha, have traveled deep into the Dorisha Plains to locate the ancient ruins of the Tower of Urtho, Mage of Silence, creator of the gryphons. Legend has it that below the Tower, deeply buried beneath the plains, is Urtho's Vault, hidden stronghold of some of the most powerful magical weapons ever devised - weapons that Urtho himself felt were too dangerous to use. With the help of the Shin'a'in plainsmen, they have successfully excavated this ancient arsenal, and risked their lives triggering one of these antique but potent tools of death to unleash a monstrous burst of mage-energy. With this explosion of magical power, Karal, Firesong, and their companions have temporarily counteracted the ever-increasing waves of the mage storms. But they know that this desperate action will not save them - they have bought themselves precious time, but are still far from a permanent solution. They know now that the mage storms are an "echo" through time of the prehistoric Cataclysm which destroyed Urtho's Tower, created the vast and barren Dorisha Plains, and permanently warped their world more than two thousand years ago. And they also know that if they don't find a way to banish these magical vibrations they will culminate in another Cataclysm - this time destroying their world for good. But the Vault is not the only thing buried for centuries below the Dorisha Plains, and camped in the ruins of what once was the workplace of the most ingenious mage their world has ever known, the desperate allies soon come to realize that their solution may lie beneath the dust at their feet. The saving of their world just might be accomplished by the work of a man who has been dead for millennia!

Peter Reidinger was the most brilliant and powerful telepath and telekinetic yet discovered on earth. He was also barely fifteen years old and a paraplegic who 'moved' his body through kinesis. When the telepaths of earth suspected a plot to take over Padrugoi, the newly manned space station, they realised they needed his unique gifts to foil the insane plans of Barchenka, the space construction manager, but even they didn't realise how strong were his abilities to 'read' the minds of those about him and move heavy loads over vast distances. As his career progressed, so his talents increased beyond the dreams of those trying to reach out into space. Peter Reidinger was going to be the salvation of man's exploration of the stars. And even as he became the most important man on earth, so his friendship with the tiny orphan girl found in the floods of Bangladesh grew and flourished. For Amariyah too had psychic gifts which no-one, at first, could define. But these 'special' people were constantly at risk - hated and feared by the avaricious, the evil and the ignorant, whose constant ambition was to destroy Peter Reidinger and those like him.

When *Darkness Falls*, the third book in *The Obsidian Trilogy* from Mercedes Lackey and James Mallory Despite a great working of Wild Magic and High Magic that struck at the heart of the Demon Queen's evil plots, Knight-Mage Kellen and his Elven allies are still seen as enemies by the human Mage Council. The Elves and their allies must find a way to shatter the Demons' hold on the human Mages, for without their High Magic, the forces of Light will be destroyed by the forces of Darkness. The Commander of the Armies of Light decides to turn an Elven mine into a refuge for those driven from their homes by the war. Kellen is put in command of the force of engineers and warriors who will fortify the mine and does not learn until it is nearly too late that the caverns are full of Shadowed Elves. Vestakia, the half-human, half-Demon healer, finds that she has begun to be able to read the mind of her Demon father, Crown Prince Zyperis. The Demon Queen, Savilla, is preparing a great sacrifice that will summon He Who Is back to the world and make her the ultimate ruler forever. When Wild Mage Idalia learns of Savilla's plans, she knows there is only one way to prevent the coming of He Who Is. A very different sort of sacrifice must be made. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Groundbreaking epic fantasy series in Mercedes Lackey's Valdemar universe • Lambda-Award winning novels with heartfelt high adventure and magic Though Vanyel has been born with near-legendary abilities to work both Herald and Mage magic, he wasn't no part in such things. Nor does he seek a warrior's path, wishing instead to become a Bard. Yet such talent as his, if left untrained, may prove a menace not only to Vanyel but to others as well. So he is sent to be fostered with his aunt, Savil, one of the fame Herald-Mages of Valdemar. But, strong-willed and self-centered, Vanyel is a challenge which even Savil cannot master alone. For soon he will become the focus of frightening forces, lending his raw magic to a spell that unleashes terrifying wyr-hunters on the land. And by the time Savil seeks the assistance of a Shin'a'in Adept, Vanyel's wild talent may have already grown beyond anyone's ability to contain, placing Vanyel, Savil, and Valdemar itself in desperate peril.

Groundbreaking epic fantasy series in Mercedes Lackey's Valdemar universe • Lambda-Award winning novels with heartfelt high adventure and magic Wild magic is taking its toll on the land. Many Heralds and Herald-Mages have died fighting to preserve the peace. Even Vanyel, the most powerful of the Herald-Mages is almost at the end of his strength, in need of a respite from the dual threats of war and dark magic. But for Vanyel, there can be no rest. Not when his Companion, Yfandes, receives a summons which can't be ignored—a desperate cry of a magical holocaust in the neighboring kingdom.

Almost overwhelmed by the devastations they discover there, Herald-Mage and Companion must try to unravel this tragic mystery. Is the young Prince Tashir, a newly Chosen Herald who can't control his magic, responsible for the destruction? Or is Tashir a pawn in a deeper, more deadly game—and, if so, will Vanyel be able to find and defeat the true destroyer before this master of dark powers can strike again?
