Stan Markowski is a Detective Sergeant on the Scranton PD's Supernatural Crimes Investigation Unit. Like the rest of America, Scranton's got an uneasy 'live and let unlive' relationship with the supernatural. But when a vamp puts the bite on an unwilling victim, or some witch casts the wrong kind of spell, that's when they call Markowski. He carries a badge. Also, a crucifix, some wooden stakes, a big vial of holy water, and a 9mm Beretta loaded with silver bullets. Stormwind MIRA

An Entertainment Weekly Top 10 Romance of 2018! I'm not a good man, and I've never pretended to be. I don't believe in goodness or God or any happy ending that isn't paid for in advance. In fact, I've got my own personal holy trinity: in the name of money, sex, and Macallan 18, amen. So when the gorgeous, brilliant Zenny Iverson asks me to teach her about sex, I want to say yes, I really do. Unfortunately, there are several reasons to say no--reasons that even a very bad man like myself can't ignore. 1. She's my best friend's little sister. 2. She's too young for me. Like way too young. 3. She's a nun. Or about to be anyway. But I want her. I want her even with my best friend and God in the way, I want to teach her and touch her and love her, and I know that makes me something much worse than a very bad man. It makes me a sinner. And it's those very sins that are about to save me... ***Sinner is a standalone companion to Priest about Father Bell's

brother Sean. You do not have to read Priest or Midnight Mass to read Sinner***

The body of Wade Franks hangs from a gargoyle in Old Town, bathed in the harsh glow of the spring Blood moon. Terrible, bloody wounds cover his body and it's clear he didn't give up without a fight. But a fight against who...or what? Detective Raven Storm is assigned to uncover the truth behind Franks' death, chalking up another 'unsolvable' case for the Chicago Police. Together with her partner Rupert Levac, Raven embarks on an investigation that leads deeper into terrifying darkness than ever before, into a sanctuary of evil older than Chicago itself where she will need all her wits, training and vampiric heritage to survive. A Storm is rising beneath the Blood moon. And hell is coming with her.

The Black Knight Chronicles: Lots of Vampires. No Sparkles. Serious Snark. BOOK ONE: HARD DAY'S KNIGHT Children are missing. The police are stumped. Halloween is coming, and an ancient evil is on the horizon. The vampires are the good guys. This is not your ordinary fall weekend in Charlotte, North Carolina. Vampire private detectives Jimmy Black and Greg Knightwood have been hired to save a client from being cursed for all eternity, but end up in a bigger mess than they ever imagined. Suddenly trapped in the middle of a serial kidnapping case, Jimmy and Greg uncover a plot to bring forth an ancient evil. Soon, they've enlisted the help of a police detective, a priest, a witch, a fallen angel and a strip club proprietor to save the world. This unlikely band of heroes battles zombies, witches, neuroses and sunburn while cracking jokes and looking for the perfect bag of O-negative. BOOK TWO: BACK IN BLACK Vampire detectives Jimmy Black and Greg Knightwood investigate a series of assaults plaguing the alleys of Charlotte, North Carolina. The string of hate crimes becomes personal when Jimmy's just-maybe-main-squeeze Detective Sabrina Law's cousin is attacked. Helping a lady out could get the boys killed when they end up in Faerie. Before long, they're up to their butts in trolls, dark fae and a grand battle royale. The odds are against them, but to the boys, this is just another day on the night shift--if the night shift included a steel cage match of supernaturals. BOOK THREE: KNIGHT MOVES Et tu, Vampire? The boys discover they may be tied to a string of serial killings at the college and that they suddenly aren't the only vampire game in town. The vampire

count in Charlotte is at least three. Or more. As far as the unhappy boys are concerned, anything more than two is a crowd not to be tolerated. While tracking down the killer and the competition, they encounter coeds, booby traps (not related to the coeds) and a hirsute bounty hunter with a moon fetish and a bad attitude. To catch the killer, Jimmy will have to survive a dive headfirst into the great unwashed horde of Dorkdom (game night at the local comic shop). What's a red-blood-drinking vampire to do? His job. Again. Praise for the Black Knight Chronicles-- "Honestly, this is one of the best books that I've read this year and certainly a new series that I will be following." --Black Lagoon Reviews "This is another great book in what will hopefully be a large and successful series. I know I will be eagerly awaiting the next installment." -- Indie Book Blog "I love this book. It makes me happy in a way that hasn't happened in a long, long time." --Keryl Raist, Author of Sylvianna

The tangled fates of lost loves, the clash of rival packs, and the simmering heat of rekindled passion all collide in the exciting second installment of the Nightwind Pack series. Amber Daniels returns to Hollow Mountain to care for her dying mother after staying hidden for so long. She plans on avoiding the local paranormal element that sent her running away years ago, but a chance encounter with a werewolf at the local shifter bar forces her into a dangerous situation she can't get out of. To her shock, her rescuer is none other than Desmon Nightwind, her long-lost love. No longer the young werewolf she left behind, now he's a commanding and respected alpha who has yearned for her all this time. The moment they meet again, the sensual chemistry between Desmon and Amber reignites like she never left. But Desmon isn't just any man — he's the alpha of his pack, with deadly enemies that lurk around every corner. As a dangerous territory war threatens their second chance, Amber faces a choice. Can she embrace the untamed, passionate world Desmon offers, or will the haunted memories of the past force her to flee again?

The Black Knight Chronicles Independently Published

An amnesiac girl explores an enchanting underground world filled with sinister secrets in this YA fantasy from the award-winning author of *The Lie Tree*. In the underground city of Caverna, the world's most skilled craftspeople toil in the darkness to create delicacies beyond compare—wines that remove memories, cheeses that make you hallucinate, and perfumes that convince you to trust the wearer, even as he slits your throat. On the surface, the people of Caverna seem ordinary, except for one thing:

their faces are as blank as untouched snow. Expressions must be learned, and only the famous Facesmiths can teach a person to express (or fake) joy, despair, or fear—at a steep price. Into this dark and distrustful world comes Neverfell, a girl with no memory of her past and a face so terrifying to those around her that she must always wear a mask. Neverfell's expressions are as varied and dynamic as those of the most skilled Facesmiths, except hers are entirely genuine. And that makes her very dangerous indeed. . . . Praise for *A Face Like Glass* An ALA/ALSC Notable Children's Book

"Hardinge is at the top of her game with this entrancing and action-packed adventure. Her voluptuous prose is full of sensory details and wildly imaginative descriptions, yet the world-building is controlled and gradually revealed. . . . VERDICT A compelling and triumphant follow-up to *The Lie Tree* for those who love to become immersed in a good story." —School Library Journal, starred review "Using beautiful prose, Hardinge builds a richly imagined world that twists as much as the carefully orchestrated plot. Readers will eagerly follow noble Neverfell through its tunnels, marveling at the extraordinary sights and catching their breath at her daring escapades." Booklist, starred review "Hardinge excels at wordplay and worldbuilding; witty but not trite, her utterly original setting and chaotic, fidgety protagonist anchor a cracking good story that raises important ideas surrounding the nature of friendship, the value of honesty, and the danger of too much." Kirkus Reviews, starred review My Guardian Brown Street Books

From New York Times bestselling author Allison Brennan comes a gripping new thriller. A lethal attack with no clear motive...and a killer dead-set on keeping the truth buried. A bomb explodes on a sunset charter cruise out of Friday Harbor at the height of tourist season and kills everyone on board. Now this fishing and boating community is in shock and asking who would commit such a heinous crime—the largest act of mass murder in the history of the San Juan Islands. Was the explosion an act of domestic terrorism, or was one of the dead the primary target? That is the first question Special Agent Matt Costa, Detective Kara Quinn and the rest of the FBI team need to answer, but they have few clues and no witnesses. Accused of putting profits before people after leaking fuel endangered an environmentally sensitive preserve, the West End Charter company may itself have been the target. As Matt and his team get closer to answers, they find one of their own caught in the crosshairs of a determined killer.
