Mind Mapping is a breakthrough system of planning and note-taking that cuts homework time in half and makes schoolwork fun. Mind Maps for Kids is Tony Buzan's first book written specially for a younger audience, suitable for ages 7 to 14. Tony Buzan has been teaching children all over the world for the past thirty years and has proved that Mind Maps are the magic formula in the classroom: remembering facts and figures is a piece of cake, planning is a doddle and getting stuck for an answer is a thing of the past. In Mind Maps for Kids, Tony Buzan explains this amazing system using step-by-step examples in every subject across the curriculum. He shows just how easy Mind Mapping is and how it can help kids to - remember things and concentrate better - make clearer and better notes - revise and ace exams - come up with ideas and unlock the imagination - save time Mind Maps for Kids is a full-colour workbook, with the emphasis on having fun. As well as tips for improving memory and concentration, the book is packed with jokes, cartoons and brainteasers. Mind Mapping is the shortcut to success that puts kids one step (and sometimes miles ) ahead.

"Exciting and engaging vocabulary instruction can set students on the path to a lifelong fascination with words. This book provides a research-based framework and practical strategies for vocabulary development with children from the earliest grades through high school. The authors emphasize instruction that offers rich information about words and their uses and enhances students' language comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

A boy befriends a young caveman in this modern children ' s classic of friendship and adventure. Barney isn ' t supposed to go near the chalk pit. His grandmother and sister both told him the edge could give way and he could fall in—but what else is he supposed to do on a miserable gray day? It ' s not long before Barney falls into the pit and bumps his head. But where he lands is more than an old garbage dump: It ' s a home. There ' s a little hut built out of discarded junk, and more surprisingly, there ' s a boy, about Barney ' s age, inside. He speaks in grunts instead of English, wears a rabbit-skin loincloth, has shaggy black hair, and might be named something that sounds like " Stig. " Barney befriends him immediately. Together, Barney and Stig go on all sorts of adventures, building a chimney for Stig ' s hut, joining a foxhunt, stopping robbers, and catching a leopard escaped from the circus! Barney and Stig ' s escapades have been delighting children for more than fifty years, while addressing important topics such as bullying, recycling, and language barriers. This timeless classic is sure to captivate readers young and old with its wit, imagination, and sense of adventure.
