Moments Writing with Focus, Detail, and Dialogue
When Joseph and Phebe Fessenden came to the peaceful village of South Bridgton, Maine to serve the newly founded Congregational church in 1829, they soon found themselves embroiled in controversy over the abolition of slavery and the evils of "demon rum." Tempers ran high and Parson Joe often found himself running counter to public opinion. Mobs threatened him with tar and feathers, cannonballs, and kidnapping. Still, he stood tall and fought tirelessly for the rights of all those who lived in chains beneath freedom's wing.

An African Princess was stolen, shipped, sold and thrust into slavery in the land they called "Xaymaca." In shock, she observed this new cruel world. At times, unwilling to believe her present reality, she went through the motions of hard labour and severe abuse with no resistance. However, she was noticed by some of the children on the plantation especially by Marcus. He knew she was the catalyst they needed to bring about a long awaited change. A change his friends, Sam, William, Paul

and Peter, all born slaves, hungered for. They had a dream - a dream to be liberated from all who chained them. With this African princess, their dream would finally come true. HOW TO NOT TELL A WAR STORY is a collection of short stories about veterans who went to war but left without a war story to tell. Forty years after their experience, these veterans begins question if there is something more to say about their military service. Among other things, they come to appreciate the lovers, friends, and family who helped them shape a new, post-war identity. " . . . when the courage of NFL star Tillman was referred to, or Jessica Lynch was rescued, they all found themselves thinking back to their long-ago tours. Did they have stories? Maybe memory had played tricks

on them, obscuring what would come to light at last. Back then, they hadn't studied forms for the narration of danger, but now, more aware, could they reshape their experience for the new era? What, after all, about their friend, Butterball?" Explore with Michael Lund the lives of these veterans who discover being in the service is not something to be edited out of a personal history, but an experience that stays in memory, not an ending but the beginning of a measure of peace, no matter how short the stint, or inglorious. Michael Lund is the author of nine novels about Route 66 and the generation that grew up in the Midwest in the 50s, including *Route 66 to Vietnam: A Draftee's Story*, all published by Beach House Books.
