to triumphs in courage, "Deadlines and Datelines" offers readers a unique chance to share the insights of one of America's premier newsmen.

The Grey Bastards Penguin

A fiercely independent duchess and a brooding, reclusive earl are tested by the demands of desire in this unforgettable romance from the USA Today bestselling author of *A Kiss of Lies* and *A Night of Forever*. For Rose Deverill, one husband was enough. As the wealthy widow of the Duke of Roxborough, she has

cultivated an unsavory reputation meant to discourage wife hunters. Thanks to a string of steamy affairs, Rose is perfectly content to be known by polite society as the "Wicked Widow"—until she's reunited with the man she fell in love with at age fifteen. Their bedroom encounters are scorching, but it breaks Rose's heart to wonder whether her reckless behavior ruined her for Philip Flagstaff. The second son of the Earl of Cumberland, Philip never wanted the title. But after Philip's older brother, Robert, follows him into the Battle of

Waterloo, his worst fears come to pass. Now Robert lies in a soldier's grave, and Philip is determined never to pass on the inheritance to children of his own. Then Rose appears, soothing the pain with her delightful curves and passionate kisses. The notorious Duchess seems to want nothing from him—and yet Philip has never ached to give a woman more. Don't miss any of Bronwen Evans's enchanting *Disgraced Lords* novels: *A KISS OF LIES* | *A PROMISE OF MORE* | *A TOUCH OF PASSION* | *A WHISPER OF DESIRE* | *A TASTE OF SEDUCTION* | *A*

Sound, Image, Silence, noted art historian Michael Gaudio provides a groundbreaking examination of the colonial Americas by exploring the special role that aural imagination played in visible representations of the New World. Considering a diverse body of images that cover four hundred years of Atlantic history, Sound, Image, Silence addresses an important need within art history: to give hearing its due as a sense that can inform our understanding of images. Gaudio locates the noise of the pagan dance, the discord of battle, the din of revivalist

religion, and the sublime sounds of nature in the Americas, such as lightning, thunder, and the waterfall. He invites readers to listen to visual media that seem deceptively couched in silence, offering bold new ideas on how art historians can engage with sound in inherently “mute” media. Sound, Image, Silence includes readings of Brazilian landscapes by the Dutch painter Frans Post, a London portrait of Benjamin Franklin, Thomas Edison’s early Kinetoscope film Sioux Ghost Dance, and the work of Thomas Cole, founder of the Hudson River School of American landscape painting. It

masterfully fuses a diversity of work across vast social, cultural, and spatial distances, giving us both a new way of understanding sound in art and a powerful new vision of the New World.

Typeset in the Future
Independently
Published

A designer’s deep dive into seven science fiction films, filled with “gloriously esoteric nerdery [and] observations as witty as they are keen” (Wired). In Typeset in the Future,

blogger and designer Dave Addey invites sci-fi movie fans on a journey through seven genre-defining classics, discovering how they create compelling visions of the future through typography and design. The book delves deep into 2001: A Space Odyssey, Star Trek: The Motion Picture, Alien, Blade Runner, Total Recall, WALL·E, and Moon, studying the design tricks and	inspirations that make each film transcend mere celluloid and become a believable reality. These studies are illustrated by film stills, concept art, type specimens, and ephemera, plus original interviews with Mike Okuda (Star Trek), Paul Verhoeven (Total Recall), and Ralph Eggleston and Craig Foster (Pixar). Typeset in the Future is an obsessively geeky study of how	classic sci-fi movies draw us in to their imagined worlds. <u>Bipolar Disorder</u> Nordic Academic Press Freedom of the printed word is a defining feature of the modern world. Yet censorship and the suppression of literature never cease, and remain topical issues even in the most liberal of democracies. Today, just as in the past, advances in media technology are followed by new regulatory mechanisms. Similarly, any attempt to control cultural expression inevitably spurs fresh discussions about freedom of speech. In Forbidden
---	---	---

Literature scholars from a variety of disciplines address censorship's past and present, whether in liberal democracies or totalitarian regimes. Through in-depth case studies they trace a historical continuum in which literature reveals its two-sided nature: it demands both regulation and protection. The contributors investigate the logic of literary repression, particularly in the twentieth and twenty-first centuries, and analyze why it is thought essential to control literature. Moreover, the authors determine how literary practices are shaped and transformed by regulation and censorship.

A Love to Remember
Rowman & Littlefield
The much anticipated second installment of the Strapped Trilogy, *Strapped Down* picks up where the first installment concluded. Eric is not going down without a fight, but Shyla and Taylor are willing to go to equally dark lengths to make him pay for his betrayal. In their quest to seek revenge and find happiness, deeply guarded secrets from their pasts begin to surface,

revealing they are linked to each other in ways they could never have imagined. For every secret they uncover, another seems to surface as they find themselves raveled in a web that extends much further than the confines of the darkroom. As Shyla and Taylor become more entwined with each other, she learns that Taylor's dark side is far more dangerous than she believed. Will Shyla continue to follow Taylor into the darkness, or is he

far too gone for her light to shine through?	few weeks of their prenatal development. 1.7% of people actually go on to be born intersex.	institutional mistreatment, particularly within medical settings. Finally, some people with intersex variations have simply tried to integrate themselves unnoticed into the socially accepted categories of male and female. Drawing on stories and statistics from the first national study of intersex the book argues for a distinct 'Intersex Studies' framework to address intersex issues and identity-foregrounding people with intersex
<i>Intersex</i> Little, Brown Books for Young Readers	Sex is complex. Humans are simultaneously more similar in their sex development, and more diverse, than is commonly appreciated or understood. Females and males are not made of wildly different ingredients. The potential to have intersex variations-to be born with atypical sex characteristics-exists for all humans in the first	However, most of us know little about intersex variations. This is only partly due to their occasional invisibility. Intersex people have historically faced deep social stigma-the assumption that they were simply bizarre aberrations from the human norm. Furthermore, intersex infants have been widely subjected to systematic

variations' own goals, perspectives and experiences. Collected in 2015 and arranged in thematic chapters, the data presented here on 272 individuals gives a penetrating account of historically and socially obscured experience. This book is an important and long-overdue contribution to our understanding of human sexuality and a must-read for people with intersex variations, health practitioners, psychologists, advocacy

groups, students, and anybody interested in knowing more about our diverse human make-up. *The Diviners* Lyrical Press
The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family-friendly sitcoms. Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power, as a kind of

camouflage, and as a foundation for family building. The book examines how queerness, at first latent, became a vibrant yet continually conflicted part of the family-sitcom tradition. Taking into account elements such as the casting of child actors, the use of and experimentation with plot traditions, the contradictory interpretive valences of comedy, and the subtle subversions of moral standards by writers and directors, Pugh points

out how innocence and sexuality conflict on television. As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family, television history reveals a deeper, queerer vision of family bonds.

My Antonia Harper Collins
Jobless and forced home to Wisconsin, journalist Sabrina Monroe can tolerate reunions with frenemies and kisses from old boyfriends, but not the literal ghosts that greet her in this

heartwarming tale of the power of love and connection from acclaimed author Amy E. Reichert. For Sabrina Monroe, moving back home to the Wisconsin Dells--the self-described Waterpark Capital of the World--means returning to the Monroe family curse: the women in her family can see spirits who come to them for help with unfinished business. But Sabrina's always redirected the needy spirits to her mom, who's much better suited for the job. The one exception has always been Molly, a bubbly

rom-com loving ghost, who stuck by Sabrina's side all through her lonely childhood. Her personal life starts looking up when Ray, the new local restaurateur, invites Sabrina to his supper club, where he flirts with her over his famous Brandy Old- Fashioneds. He's charming and handsome, but Sabrina tells herself she doesn't have time for romance--she needs to focus on finding a job. Except the longer she's in the Dells, the harder it is to resist her feelings for Ray. Who can turn down a cute guy with a fondness for	rescue dogs and an obsession with perfecting his fried cheese curds recipe? When the Dells starts to feel like home for the first time and with Ray in her corner, Sabrina begins to realize that she can make a difference and help others wherever she is. <u>Brother</u> Rutgers University Press Bestselling author Nina G. Jones has published her first collection of horror stories, <i>The Smile and Other Stories</i> , under the name Cyn Nightly. This collection contains a diverse	mix of horror genres with familiar backdrops: a cabin in the woods, an isolated hike, a car on a lover's lane. But these stories are not your typical slashers, they are horrors of the mind. While there is no shortage of gore, the true terrors in this collection are the demons we all may face at some point in our lives: betrayal, grief, the loss of a loved one, sexual assault, revenge. <i>Stories: What Came With The Storm</i> : After the unexpected passing of her father, Carlie and her fiancée, Arielle, plan to

From the #1 New York Times bestselling author of the Crossfire series comes the first novel in a hot-blooded paranormal romance series... Adrian Mitchell is an angel of immense power and insatiable desire. Leading an elite Special Ops unit of the Seraphim, his task is to punish the Fallen—angels who have become vampires—and command a restless pack of indentured lycans. But Adrian has suffered his own punishment for becoming involved with mortals—losing the woman he loves again and again.

Now, after nearly two hundred years, he has found her—Shadoe, her soul once more inhabiting a new body with no memory of him. This time he won't let her go. With no memory of her past as Shadoe, Lindsay Gibson only knows she can't help being fiercely attracted to the smoldering, seductive male who crosses her path. Swept into a dangerous world of tumultuous passion and preternatural conflict, Lindsay is soon caught in the middle between her angel lover, her vampire father, and a full-blown lycan

revolt. There's more at stake than her love and her life—this time she could lose her very soul...

Corporate Governance U of Minnesota Press

A fully revised and updated edition to a classic bestseller, *The Macho Paradox* is the first book to show how violence against women is a men's issue—and how all genders can come together to stop it. From the #MeToo movement to current discussions about gender norms in schools, sports, politics, and media culture, *The Macho Paradox* incorporates the voices and experiences of the women, men, and others who have

confronted the problem of gender violence from all angles. Bestselling author Jackson Katz is a pioneering educator and activist on the topic of men's violence against women. In this revised edition of his heralded book, Katz outlines the ways in which cultural ideas about "manhood" contribute to men's sexually harassing and abusive behaviors and that men have a positive role to play in challenging and changing the sexist cultural norms that too often lead to gender violence. This important book for abused women covers topics ranging from mental and emotional abuse to sexual harassment to

domestic violence and is a vital priority."—Lundy Bancroft, author of *Why Does He Do That?: Inside the Minds of Angry and Controlling Men* Macmillan
read for women with controlling partners or as a self-help book for men. Praise for *The Macho Paradox*: "A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women."—Booklist
"If only men would read Katz's book, it could serve as a potent form of male consciousness-raising."—Publishers Weekly
"These pages will empower both men and women to end the scourge of male violence and abuse. Katz knows how to cut to the core of the issues, demonstrating undeniably that stopping the degradation of women should be every man's

Jackal's sworn brothers, fighting at his side in a land where there's no room for softness. And once Jackal's in charge—as soon as he can unseat the Bastards' tyrannical, seemingly unkillable founder—there's a few things they'll do different. Better. Or at least, that's the plan. Until the fallout from a deadly showdown makes Jackal start investigating the Lot Lands for himself. Soon, he's wondering if his feelings have blinded him to ugly truths about this world, and the Bastards' place in it. In a quest for answers that takes him from decaying dungeons to the frontlines of an ancient feud, Jackal finds himself battling invading orcs,

fighting at his side in a land where there's no room for softness. And once Jackal's in charge—as soon as he can unseat the Bastards' tyrannical, seemingly unkillable founder—there's a few things they'll do different. Better. Or at least, that's the plan. Until the fallout from a deadly showdown makes Jackal start investigating the Lot Lands for himself. Soon, he's wondering if his feelings have blinded him to ugly truths about this world, and the Bastards' place in it. In a quest for answers that takes him from decaying dungeons to the frontlines of an ancient feud, Jackal finds himself battling invading orcs,

rampaging centaurs, and grubby human conspiracies alike—along with a host of dark magics so terrifying they’d give even the heartiest Bastard pause. Finally, Jackal must ride to confront a threat that’s lain in wait for generations, even as he wonders whether the Bastards can—or should--survive. Delivered with a generous wink to Sons of Anarchy, featuring sneaky-smart worldbuilding and gobs of fearsomely foul-mouthed charm, *The Grey Bastards* is a grimy, pulpy, masterpiece—and a raunchy, swaggering, cunningly clever adventure that’s like nothing you’ve read before. Praise for *The Grey*

Bastards “Saddle up the war boar and set off on a wild, gory thrill-ride that ends in an awesome climax and begs for a sequel.”—Daily Mail (UK)
“Non-stop action, though not for faint hearts . . . the *Grey Bastards* live up to their name in all respects.”—The Wall Street Journal

A MAN WHO CAN WEAR ANY FACE
Caro Yeats doesn’t run from much. As a former investigative reporter now working PR for Toronto’s supernaturals, what she hasn’t seen mostly isn’t worth seeing. But the assignment to “rebrand” Eric Kelton’s out-of-

control alter egos has her on edge from the start. Kelton is the heirarch of the *Masquerada*, beings able to change their face—their entire persona—on a whim. Eric’s charisma muddles her instincts. How can she trust a man who can become anybody? A WOMAN WITHOUT A PASTERic has never met anyone like Caro, with her lightning wit and uncanny insight. But desirable as she is, he’d be a fool to let her near. Struggling to hide the sudden loss of his powers, Eric can’t risk becoming entangled with a woman who scorns her supernatural side and claims not to play politics. The

enemies on her trail are strong,
clever, and vicious. And when
they force Eric and Caro
together, the fallout could
shatter far more than two
hearts . . .
