#### **Creating Competitive Advantages** Pearson Higher Ed

A new collection of best practices for designing better compensation and benefit programs... 2 authoritative books, now in a convenient e-format, at a great price! 2 authoritative eBooks help you drive more value, efficiency, and competitive advantage from compensation and benefits programs Compensation and benefit programs are the largest expenses in most organizations; in service organizations, they often represent more than 50% of total costs. In this unique 2 eBook package, leading consultant Bashker D. Biswas helps you systematically optimize these programs to maximize value, efficiency, and competitive advantage. In Employee Benefits Design and Planning , Biswas brings together all the knowledge you need to make better benefits decisions. He introduces core principles for ensuring proper

financing, funding, compliance, and recordkeeping; accurate actuarial calculations; and effective employee communication. Building on these principles, he guides you through benefits ranging from healthcare and disability insurance to retirement and cafeteria plans. You'll find up-to-date discussions of complex challenges, such as the Affordable Care Act and global benefits planning. Throughout, he offers essential insights for managing rising costs and risks, while ensuring that benefits programs improve productivity, reflect best practices, and align with your organization's strategy and goals. Next, in *Compensation and Benefit Design*, Biswas helps HR professionals bring true financial and accounting discipline to compensation and benefit design, tightly align talent management to strategy, and quantify program performance in the language of finance. Biswas thoroughly explains best-fit practices for superior program design, demystifies relevant financial and accounting concepts, and illuminates key connections between HR program development and GAAP/IFRS accounting requirements. His far-reaching coverage ranges from integrating compensation and benefits into Balanced Scorecards to managing expatriate compensation. Biswas reveals the true financial implications of every element of modern compensation and benefit programs, from base salaries to stock incentives, sales compensation to healthcare cost containment. Perhaps most important, he helps you systematically measure the value of your investments -- so you can both prove

and improve your performance. Simply put, this collection brings together unparalleled tools for optimizing compensation and benefits programs -- whether you're in HR, finance, line-of-business management, or corporate management. From Dr. Bashker D. Biswas, world-renowned expert in employee compensation and benefits program design

*Staffing Organizations* Prentice Hall  
Provides a brief introduction to human resource management. This book focuses on the uses of human resources for the general population. A comprehensive instructor's manual, test bank, PowerPoint presentation and a complete Online Learning Center make course preparation easy.

*How to Use Finance and Accounting in HR (Collection)* Jossey-Bass  
Competency-based HRM is a methodology adopted by various organizations to assess the current capacity of their resources based on competencies, against the capacity needed to achieve the vision, mission and business goals of the organization. This book comprehensively dwells on all the aspects of competency-based Human Resource Management, and its relevance in various industry verticals. The book has been organized into five chapters—each focusing on the tools and techniques to judge core competencies. Beginning with the fundamental theories and definitions of competency, the book goes on explaining the mapping methods like Repertory Grid, DACUM, competency card sort activity and so on. The book further presents the analytical

tools that help to build competency models which help in establishing reliability. Benchmarking competency models and assessment tools are also dealt with in detail. The concluding chapter elaborates competency applications to Human Resource Management in the functional areas of recruitment training and development. The book is interspersed with the Case Studies to add practical insight to the subject. The book serves both as a textbook for management students and as a reference book for working HR professionals.

## COMPETENCY-BASED HUMAN RESOURCE MANAGEMENT

Irwin/McGraw-Hill

Seven Moralities of Human Resource Management analyses morality of HRM from

the perspective of American psychologist Laurence Kohlberg. This book examines and makes value judgements on whether or not HRM is moral from the viewpoint of Kohlberg's seven stages of morality as a follow-up study of the author's 2012 book, *Seven Management Moralities*.

Cengage Learning

In *Compensation and Benefit Design*, Bashker D. Biswas shows exactly how to bring financial rigor to the crucial "people" decisions associated with compensation and benefit program development. This comprehensive book begins by introducing a valuable Human Resource Life Cycle Model for considering compensation and benefit programs. Next, Biswas thoroughly addresses the acquisition component of compensation, as well as issues related to general compensation, equity compensation, and pension accounting. He assesses the full financial impact of executive compensation programs and employee benefit plans, and discusses the unique issues associated with international HR systems and programs. This book contains a full chapter on HR key indicator reporting, and concludes with detailed

coverage of trends in human resource accounting, and the deepening linkages between financial and HR planning. Replete with both full and "mini" case examples throughout, the book also contains chapter-ending exercises and problems for use by students in HR and finance programs. HR managers are under intense pressure to become strategic business partners. Many, unfortunately, lack the technical skills in financial analysis to succeed in this role. Now, respected HR management educator Dr. Steven Director addresses this skill gap head-on. Writing from HR's viewpoint, Director covers everything mid-level and senior-level HR professionals need to know to formulate, model, and evaluate their HR initiatives from a financial and business perspective. Drawing on his unsurpassed expertise working with HR executives, he walks through each crucial financial issue associated with strategic talent management, including the quantifiable links between workforces and business value, the cost-benefit analysis of HR and strategic financial initiatives, and specific issues related to total rewards programs.

---

Unlike finance books for non-financial managers, *Financial Analysis for HR Managers* focuses entirely on core HR issues.

Strategic Management Routledge

Human Resource Management (HRM) is fundamentally shaped by institutional and cultural factors, such as the different political environments and social philosophies of particular countries and regions. By examining the various organizational aspects of business life and systems of people management in Asia, the study of HRM across the continent can, therefore, give us a greater understanding of Asian societies, as well as the contemporary world of work more generally. This handbook provides an up-to-date and intellectually engaging overview of HRM in the Asian context. Distinctive in its comprehensive coverage of traditional as well as emerging topics of HRM, it analyzes important themes, such as the regulatory framework for work and employment, religiosity, family business, and gender. Using a comparative approach, it also effectively highlights the unique features of each country's attitudes towards HRM. Covering a range of themes and case studies, sections include:

- Institutional and cultural contexts,
- Labour regulation and industrial relations,
- Thematic and functional HRM,
- HRM in selected Asian countries, such as China, Japan, Vietnam, India, and Singapore.

Written in a highly accessible style, this book will be useful to students and scholars of Human

Resource Management, Asian Business, Economics, and Sociology.

The Implications of Various Theoretical Perspectives for the Conceptualization and Measurement of Individual Pay Components FT Press

Addresses law and employment decisions with a management perspective. This text explains how to approach and manage legal employment decisions, and outlines the specific legal framework in which management decisions are made.

A Human Resource Management Approach FT Press

Richard A. Swanson and Elwood F. Holton, leading scholars in the field, bring together contributions from more than twenty distinguished researchers from multiple disciplines to provide a comprehensive introductory textbook on organizational research. Designed for use by professors and students in graduate-level programs in business, management, organizational leadership, and human resource development, *Research in Organizations* teaches how to apply a range of methodologies to the study of organizations. This comprehensive guide covers the theoretical foundations of various research methods, shows how to

apply those methods in organizational settings, and examines the ethical conduct of research. It provides a holistic perspective, embracing quantitative, qualitative, and mixed-methodology approaches and illuminating them through numerous illustrative examples.

Entry-level Compensation in Japanese Firms Springer

Striking a balance between research, theory, and application, the eighth edition of **INDUSTRIAL/ORGANIZATIONAL PSYCHOLOGY: AN APPLIED APPROACH** helps students discover the relevance of industrial/organizational psychology in everyday life through practical application. The book guides students in analyzing topics such as resume writing, interview survival, job description authoring, performance appraisal, employment law, job satisfaction, work motivation, and leadership. Humor, case studies, real-world examples, and a friendly writing style make the book both readable and interesting. Numerous charts, tables, flowcharts, and exercises help students conceptualize complex issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

McGraw-Hill/Irwin

Labor Economics, 5e is a well-received text that blends coverage of traditional topics with modern theory and developments into a superb Labor Economics book. The Fifth Edition builds on the features and concepts that made the first four editions successful, updating and adding new content to keep the text on the cusp of recent events in the Labor Economics field. The new edition continues to be the most concise book in the market, enabling the instructor to teach all relevant material in a semester-long class. Despite the book's brevity, the instructor will find that all of the key topics in labor economics are efficiently covered in the Fifth Edition. Thanks to updated pedagogy, new end-of-chapter material, and even

stronger instructor support, the Fifth Edition of Labor Economics remains one of the most relevant textbooks in the market.

A Portfolio Approach McGraw-Hill Education Presents the papers that promote theory and research on important substantive and methodological topics in the field of human resources management. This title collects papers on important issues in the field of human resources management, including insights on employment branding, family owned firms, virtual global teams and intrinsic motivation.

Theory, Research, and Practice Berrett-Koehler Publishers

Concise and practical, "Managing Human Resources, Third Edition" will help you gain a mastery of those issues while you learn the skills you'll need as a manager of people. Using a managerial perspective, the book illustrates the role and impact of technology on globalization, compensation, legal, safety, and health issues. A host of timely features make this book interesting and thought-provoking: The Managerial Perspective, a new introduction for every chapter, focuses on the managerial perspective and summarizes why the material is relevant to managers. Managerial Skill Builder: Issues and Exercises, an end-of-chapter feature, presents a managerial situation relevant to each chapter topic and concludes with questions, issues, exercises, and group projects. Manager's Notebook, located in every chapter, illustrates procedures, tips, and strategies you can really use in management. You

Manager It! Discussion Cases, found at the end of every chapter, focus on human resources issues from a manager's perspective and encourage you to think critically. Technology and its influence on human resources information is addressed in every chapter. Globalization and its effect on human resources practices is discussed throughout the book, and the authors address the unique human resources problems faced by multinational organizations. The authors and Prentice Hall are committed to providing a unique learning and teaching package to accompany this third edition. New to this edition: Skills Live! Videos offer dramatizations that highlight a human resources skill related to each part of the text. These videos allow students the opportunity to see what it's like to conduct an interview, give performance appraisals, deal with sexual harassment issues, and more. PHLIP/CW Web Site

Human Resource Management PHI Learning Pvt. Ltd.

Abstract: Practical and innovative strategies to assist managers in making optimum use of employees in public and private organizations are reviewed and discussed. A new strategic approach to managing and developing organizational human

---

resources views employees as assets and uses management techniques similar to those used in investment portfolio management to enhance employees' value to the organization. The techniques of applying portfolio analysis to human resource management and the implementation of portfolio management strategies to strengthen performance appraisal systems, set and achieve performance standards, and plan effective human resource utilization are described. Attention also is directed to strategies for managing "workhorse" and "star" employees as well as poor performers. An illustrated case of human resources portfolio management is included. (wz).
