Hey There, Delilah... Cathryn Fox

Outside of Titan Group, there are few people that Roman Hart would die for. He 's a soldier, a protector, and he 's haunted that one of the people he should 've been able to protect didn' t let him. That was years ago, and now a hardened heart and a cocky attitude are his impenetrable shields, until one woman—one challenge—drives him to distraction. On the outside, Beth Tourne has it all. Luxury car, gorgeous condo, and a job partying with the rich and famous. It 's a plush CIA cover, but she wants more. Anything for an adrenaline rush that can override her guilty numbness and let her forget the tragedy she never saw coming. Their scars make them perfect operatives. Their mirrored pasts give them deep, wounded reasons to stay alone. But the more they ignore the tension, the more vulnerable they become. Survival means trust. In one another, behind closed doors, and on the job. The only way they 're making it out alive is if they find peace while waging a war. Book 2 of the international bestselling M/M romance saga of a tortured alpha MMA fighter and his naive young intern. My name is Jamie Atwood, and I am an idiot. Against all odds, I got the attention of Michael Kage, the hottest MMA fighter on the planet. To say he rocked my world would be an understatement. But I did something stupid, and now I'm paying for it. I don't know if I'll ever see Kage again. Being Michael Kage was never easy. Too many demons, too much anger, and not enough to live for. And then I met Jamie Atwood. He's got this innocence about him that speaks to something deep down inside me- in a place that's never been touched by anyone. He's beautiful, smart, and courageous, and he hasn't been tainted by the darkness that's ruled my life. I wanted him from the first second I laid eyes on him. It's selfish, I know. Defying the Odds Entangled: Select

Hi, my name is Delilah Sampson, and I am a self-proclaimed "frump girl." My world came crashing down the day I walked in on my boyfriend having sex with my boss, rendering me single and jobless. A new job fell into my lap as the secretary of the gorgeous, rich, powerful, and mighty cocky controlling partner at the Santino Law Firm. I spend my days trying to please a demanding boss, keeping my lustful thoughts to myself. Until one night, when my best friend drags me to a club, and I fall for a man whose true identity I will never know. See, at Club Masquerade, everyone wears a mask and a nametag with a fake name. Also, on your nametag is a number that you are assigned when you come into the club, which is linked to an in-house messaging system; no one is permitted to speak, which ensures that identities are kept secret. I meet my lover every Saturday at 9:00 pm sharp. We text and email

constantly when we are not together, and I have somehow fallen in love with him. But, then there is Nick Santino. He is the partner that I can't keep my eyes off. Unfortunately, the only reason he hired me is because he is not attracted to me and all of my frump glory. Fortunately, for me, I am a kick ass secretary, so he keeps me around. Like many men in his position, Nick is used to getting what he wants, when he wants it; all without commitment, of course. So when he finds a woman that he is both physically and emotionally attracted to, he finds himself in uncharted territory – love. And I can do nothing but be jealous from the sidelines – lusting for a man I can't have, and loving a man I can't know. Hey there, Delilah is book 1 of a Taboo Love series, in which we tackle the boss/secretary relationship. Each book will be a stand alone with a HEA, but will have a few reoccurring characters.

A paranormal category romance from Entangled's Covet imprint... Sometimes you just have to believe... A single crystal slipper. It was probably the weirdest gift librarian Celinda Branham ever received during a Christmas gift exchange. Who would even wear these in the real world? Not Celinda, wearer of sensible shoes and fairy tale naysayer. That said, she certainly has the requisite wicked stepmother, irritating stepsister, and empty bank account. Of course, if she actually believed in all that fantastical junk, she could wait for her Prince Charming... Only Prince Charming doesn't exist. But Preston Chandler believes in fairy tales. Oh, does he ever. All he did was spurn the advances of a certain witch, and now his sister is under a sleeping spell. And the only way to break it? Find the other glass slipper and give someone "Love's First Kiss." But when Preston finally tracks down Celinda, he's dismayed to discover that the shy librarian who owns the other shoe has no interest in anything remotely resembling magic—including love.
