Strictly Business Hardpress Publishing

Leaky aura syndrome is an issue blighting the lives of many empaths without their knowledge. It is a condition where the auric field develops tears or becomes overly porous... Low moods, depleted energy, brain fog, overwhelm, unusually heightened senses, feeling constantly dissatisfied, run down, or out of sorts, no matter what you do for your health, could be a sign your energy field is damaged. If you remember a time when you could go to the mall without feeling drained, or have memories of spending time with certain people without becoming overwhelmed, you could have developed leaky aura syndrome. The disorder makes empath life unnecessarily challenging. But the good news is it can be undone. This book explains leaky aura syndrome, details the causes, and gives steps to reverse the problem.

Strictly Business Independently Published
Excerpt from *Strictly Business: More Stories of the Four Million* Now, few of us

know the real life of the stage people. If we did, the profession might be more overcrowded than it is. We look askance at the players with an eye full of patronizing superiority - and we go home and practise all sorts of elocution and gestures in front of our looking glasses. Latterly there has been much talk of the actor people in a new light. It seems to have been divulged that in stead of being motoring bacchanalians and diamond hungry loreleis they are businesslike folk, students and ascetics with childer and homes and libraries, ownin g real estate, and conducting their private affairs in as orderly and unsensational a manner as any of us good citizens Who are bound to the chariot wheels of the gas, rent, coal, ice, and wardmen. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Strictly Business Mills & Boon

Wyatt I don't like mixing business with pleasure or business with anything, but it was hard to say no to a request from an old friend to give his niece an apprenticeship at my firm, especially when I couldn't fault her qualifications, Harvard, no less! I vaguely remember the girl from years ago; polite, ugly glasses, chubby, and a riot of unruly curls. Not my type at all. What could it hurt, really? I agreed to take her on, on the condition she gets no special treatment, and she's out on her ear if she proves to be less than exemplary. I was not in the business of babysitting. He readily accepted my terms and it seemed like a good idea. Win, win for all concerned! So why not? Until she walks into my office Monday morning. Whoa! Back up, back up, Wyatt McAvoy. Ugly glasses - untick that. Unruly curls - they had been tamed into seriously gorgeous silken locks. Chubby - definitely untick that. Her body was a blessing, Heck, the woman had hips and curves a man could put on an altar and worship. Polite - hmm... there's a knowing dangerous glint in those green eyes now. Okay, her appearance was a wrench in the works, but I was not changing my mind or plan. It was going to be strictly business between the two of us. And I meant that. Strictly business. No matter how hot things got... A Standalone Full Length Office Romance

Strictly Business (Annotated) Somebooks

She is an architect; successful, professional. So when she meets Jake Morgenstern she refuses to let the stubborn, sexist, obnoxious pig of a man disrupt her calm demeanor. No matter how strong, gorgeous and ridiculously appealing he is. He is expecting a man. So when Jess Wythe turns out to be Jessica, he is thrown off. When he finds that the somewhat frumpy architect is hiding a beautiful woman behind those boxy suits he is even more surprised. Imagine his utter shock when he finds that not only is she gorgeous, but he is drawn to her on an almost visceral level. The attraction between these two explodes in more ways than one. You're never quite sure if they are going to make love or war. Will they ever find a way to make the fireworks work for them?

Strictly Business

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
