In a heart-pounding, atmospheric ghost story, a teenage boy must find the resources within himself to save his haunted twin brother. After their nan accidentally burns their home down, twin brothers Pat and Dom must move with their parents and baby sister to the seaside cottage they've summered in, now made desolate by the winter wind. It's there that the ghost appears – a strange boy who cries black tears and fears a bad man, a soldier, who is chasing him. Soon Dom has become not-Dom, and Pat can sense that his brother is going to die – while their overwhelmed parents can't even see what's happening. Isolated and terrified, Pat needs to keep his brother's cover while figuring out how to save him, drawing clues from his own dreams and Nan's long-ago memories, confronting a mystery that lies between this world and the next – within the Grey. With white-knuckle pacing and a deft portrayal of family relationships, Celine Kiernan offers a taut psychological thriller that is sure to haunt readers long after the last page is turned.

Practical Guide to Qabalistic Symbolism Harper Collins

In this groundbreaking book, Knight shows how the Qabalah and its basic diagram, the Tree of Life, is a system of relationships among mystical symbols that can be used to gain access to the hidden reaches of the mind. He also demonstrates how the Qabalah is applicable to all mystical traditions and religious beliefs, including Christian mysticism, Greek, Egyptian and Celtic mythologies, and even Native American beliefs. It is indeed symbolic of our universal search for the Divine. Included here are two books in one. The first compares the Western Mystery Tradition with the Eastern system of yoga, analyzes the Tree of Life in full detail, and describes the practical application and theories of Qabalistic symbolism. The second gives the most comprehensive analysis ever published of the twenty-two 'Paths of Concealed Glory' that join the Spheres of the Tree of Life taking into account the Hebrew alphabet, astrological signs, and tarot trumps. A large section explores the history of tarot design and the varying systems of correspondence with the Tree of Life.
