Kate Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair their marred reputations. She loves the country, the people, and what AIA stands for, but too many

diva volunteers have turned her off to press-seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets

ultra-organized Kate, who lives her life the way he's always dreamed of living his, the attraction is too hot to ignore, but Sage is there to figure out what's missing in his life, not to find a woman. Every look, and every late-night chat in the romantic jungle brings them closer together, but Sage can barely think past stripping away Kate's misconceptions about him. Kate fights him every step of the way--even though she finds it hard to ignore the strikingly handsome, generous-to-a-fault

Now her burgeoning baby bump, hormone-infused emotions, and faltering singing career are sending her into an unexpected identity crisis. Librarian Callie Barnes has visions of reading and relaxing--and maybe having a few too many drinks--on her girls' weekend away. Her hopes are crushed when her friends pull

into a dude ranch instead of a spa, and she refuses to say longer than one night. That is...until she realizes the ranch is owned by sinfully sexy, and dangerously rugged, Wes Braden--the subject of her late-night fantasies. Fearless rancher Wes Braden thinks he's the luckiest guy on the planet when the sweet, sexy librarian from his hometown shows up at his

---

ranch. Their connection is white-hot, making it impossible for either to ignore their carnal desires. Wes is more than willing to convert sweet Callie from chick lit to a world of erotic romance, but Callie ties sex to love, and Wes avoids commitment like the plague. Callie is thrust into physically demanding activities that ignite her deepest fears. Luckily, Wes is as tender as he is strong, and he's there every step of the way to help her find her inner strength. With Callie's influence, Wes might even discover that he's been nursing a few fears of his own. Passion pulls Callie and Wes from their safe, comfortable lives into each other's arms, and they're about to find out just how alike they really are. Want More Bradens? Romance

The Remingtons are the third installment of the Love in Bloom Series (Voted BEST BOOK SERIES of 2013 by Supportive Business Moms, UK) written by New York Times & USA Today bestselling and award-winning author Melissa Foster. This 5-book contemporary romance series features alpha male heroes and sexy, empowered women. They're

flawed, funny, passionate, and relatable to readers who enjoy new adult romance, contemporary romance, and women's fiction. While each book may be read as a standalone, you might enjoy reading the entire Love in Bloom series. IN FLAMES OF LOVE... As one of New York's Finest, firefighter Cash Ryder is always prepared. When a woman's car skids off the side of a mountain during a snowstorm, he's there to rescue her. Cash is totally focused on the woman's well-being, but within minutes of getting

her to safety, he realizes that he's nowhere near prepared for the heat that rolls off of sensual, smart-mouthed, and stubborn Siena Remington. As a model, Siena Remington has dated some of the wealthiest, most handsome men in the industry, and she's made peace with the idea that most men are just looking for eye candy and they wouldn't know how to romance a woman to save their lives. When she's rescued by a tall, handsome stranger, she thinks that maybe, just maybe, she's found her own real-life romantic fairy tale--until he opens his mouth

---

and everything that comes out is gruff, ornery, and aggravatingly sexy. Thrown together during an annual firehouse calendar photo shoot, the passion between Cash and Siena sizzles, and neither one knows how to control the flames. After an evening of verbal sparring followed by a sinfully sensual night, their darkest secrets are revealed--and so is Cash's warm, romantic heart. But Siena's secret might be too much for big, strong, always-prepared Cash to handle--and Siena is forced to choose between a man who's everything she's

ever dreamed of and an opportunity of a lifetime. **\*\*BONUS\*\*** Includes the first chapter (sneak peek) of Slope of Love (The Remingtons, Book Four) **READ THE FULL LOVE IN BLOOM SERIES: SNOW SISTERS: Sisters in Love, Sisters in Bloom, Sisters in White THE BRADENS (Weston, CO): Lovers at Heart, Destined for Love, Friendship on Fire, Sea of Love, Bursting with Love, Hearts at Play THE BRADENS (Trusty, CO): Taken by Love, Fated for Love, Romancing My Love, Flirting with Love, Dreaming of**

novels: GAME OF LOVE STROKE OF LOVE FLAMES OF LOVE Sneak Peek, SLOPE OF LOVE \*\*\* In GAME OF LOVE... Ellie Parker is a master at building walls around her heart. In the twenty-five years she's been alive, Dex Remington has been the only person who has always believed in her and been there for her. But four years earlier, she came to Dex seeking comfort and then disappeared like a thief in the night, leaving him a broken man. Dex Remington is one of the top PC game developers in the United States. He's handsome, smart, and numb. So damn numb that he's not sure he'll ever find a reason to feel again. A chance encounter sparks intense desires in Ellie and Dex. Desires that make her want to run--and make him want to feel. A combination of lust and fear leads these young lovers down a dangerous path. Is it possible to cross a burned bridge, or are they destined to be apart forever? \*\*\* In STROKE OF LOVE Kate Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair

their marred reputations. She loves the country, the people, and what AIA stands for, but too many diva volunteers have turned her off to press-seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he

represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets ultra-organized Kate, who lives her life the way he's always dreamed of living his, the attraction is too hot to ignore, but Sage is there to figure

out what's missing in his life, not to find a woman. Every look, and every late-night chat in the romantic jungle brings them closer together, but Sage can barely think past stripping away Kate's misconceptions about him. Kate fights him every step of the way--even though she finds it hard to ignore the strikingly handsome, generous-to-a-fault artist who wants to do

nothing more than right the wrongs of the world--and love her to the ends of the earth. \*\*\* IN FLAMES OF LOVE... As one of New York's Finest, firefighter Cash Ryder is always prepared. in love with Ty Braden and Aiyla Bell in this epic USA Today bestselling love story. Fate brings them together, but will tragedy tear them apart? Do you believe in fate? World-renowned mountain climber and nature photographer Ty Braden never believed in second dates, much less heart-pounding, steal-his-breath love. But that was before a trip to Saint-Luc, where he met funny, strong, and entrancingly beautiful Aiyla Bell, a ski instructor and fellow photographer whose hopes and dreams, and love

---

of the outdoors, aligned perfectly with his--and whose kisses alone turned him inside out. After spending five magical days and four sweet, soulful nights falling in love, Aiyla couldn't imagine a day without Ty. But when he asked her to go with him on his next assignment, his reputation for having women at his beck and call stopped her from upending the life she'd worked so hard to create. Months later fate steps in when a chance encounter brings Ty and Aiyla together for a five-day wilderness event held in the

Colorado Mountains. Their deep, passionate connection is stronger than ever, and Ty is bound and determined not to lose her again. But when tragedy strikes and their worlds are turned upside down, their love faces the truest test of all. \*\* "When it comes to contemporary romances with realistic characters, an emotional love story and smokin' hot sex, author Melissa Foster always delivers!" She takes a break from her fast-paced Manhattan lifestyle for a weekend at a survivor camp to rebuild her confidence and readjust her priorities. Powerless to ignore the heated glances and mounting sexual tension, Savannah begins to reassess her hasty decision. After losing his wife in a tragic accident, Jack Remington found solace in the Colorado Mountains. This solitary existence allows him to wallow in his guilt and punish himself for having made a decision that he believes cost his wife her life. He never expected to want to return to the life he once knew--but then again, he never expected to meet gorgeous, stubborn, and competitive

Savannah Braden. One passionate kiss is all it takes to crack the walls the two have built to protect themselves, and allow love to slip in. Armed with junk food, tequila, and her big, lovable dog, she 's prepared to hole up and mourn—and determined to mend a fence Bert had never been able to with his estranged and bitter brother.
