More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that

characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.” —Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable

by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to

form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

This joyful and lyrical picture book from New York Times bestselling author Eva Chen and illustrator Sophie Diao is a moving ode to the immigrant experience, as well as a manifesto of self-love for Chinese American children. What do you see when you look in the mirror, Mei? Do you see beauty? We see eyes that point toward the sun, that give us the warmth and joy of a thousand rays when you smile. We see

hair as inky black and smooth as a peaceful night sky. We see skin brushed with gold. Praise for *I Am Golden*: "[A] richly metaphoric celebration of Chinese American identity ... Luminous, gently textured digital art by Diao includes thoughtful, recognizably Chinese cues that add further dimension ... A loving, affecting tribute to how children of immigrants can serve as bridges and torchbearers for their communities." —Publishers Weekly, starred review "From the outset, this gorgeous picture book exudes joy and celebration of identity. Through dazzling illustrations, Diao brings to exuberant life best-selling Chinese American author Chen's message of finding love and power in one's differences. ... This powerful and uplifting story

captures [Chinese] American joy and is a definite must-read." —Booklist, starred review "Perfectly matched text and illustration ... Every gorgeous spread in Chen and Diao's co-creation maintains this exceptional and precise text and art symbiosis. ... Chen and Diao weave the inherent value of the child throughout, aiming to encourage Asian American children to claim, 'I am golden.'" —Shelf Awareness

This adaptation of the book Hillary Clinton calls "a page-turning drama and an inspiration" will spark the attention of young readers and teach them about activism, civil rights, and the fight for women's suffrage--just in time for the 100th anniversary of the ratification of the Nineteenth Amendment. Includes an eight-page photo insert! American women are so close to winning the right to vote. They've been fighting for more than seventy years and need approval from just one more

state. But suffragists face opposition from every side, including the "Antis"--women who don't want women to have the right to vote. It's more than a fight over politics; it's a debate over the role of women and girls in society, and whether they should be considered equal to men and boys. Over the course of one boiling-hot summer, Nashville becomes a bitter battleground. Both sides are willing to do anything it takes to win, and the suffragists--led by brave activists Carrie Catt, Sue White, and Alice Paul--will face dirty tricks, blackmail, and betrayal. But they vow to fight for what they believe in, no matter the cost.

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know

about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

*"[An] excellent exercise in narrative nonfiction."
--Booklist (starred review) From New York Times bestselling author Andrew Maraniss comes the remarkable true story of Glenn Burke, a "hidden figure" in the history of sports: the inventor of the high five and the first openly gay MLB player. Perfect for fans of Steve Sheinkin and Daniel James Brown. On October 2nd, 1977, Glenn Burke, outfielder for the Los Angeles Dodgers, made history without even swinging a bat. When his teammate Dusty Baker hit a historic home run, Glenn enthusiastically congratulated him with the first ever high five. But Glenn also made history in another way--he was the first openly gay MLB player. While he did not come out publicly until after his playing days were over, Glenn's sexuality was known to his teammates, family, and friends. His MLB career would be cut short after only three years, but his legacy and impact on the athletic and LGBTQIA+ community would resonate for years to come. New York Times bestselling author Andrew Maraniss tells the story of Glenn Burke: from his childhood growing up in Oakland, his journey to the MLB and the World Series, the joy in discovering who he really was, to more difficult times: facing injury, addiction, and the

AIDS epidemic. Packed with black-and-white photographs and thoroughly researched, never-before-seen details about Glenn's life, *Singled Out* is the fascinating story of a trailblazer in sports--and the history and culture that shaped the world around him. Praise for *Singled Out*: "A compelling narrative. . . This is a meticulously researched history of the ways queer culture in the '70s intersected with baseball, Blackness, and larger culture wars, with one man at their center." --Kirkus Reviews

Growing Strong Inside Hachette UK

The #1 New York Times bestseller From Vice President Kamala Harris, one of America's most inspiring political leaders, a book about the core truths that unite us, and the long struggle to discern

what those truths are and how best to act upon them, in her own life and across the life of our country "A life story that genuinely entrances." —Los Angeles Times Vice President Kamala Harris's commitment to speaking truth is informed by her upbringing. The daughter of immigrants, she was raised in an Oakland, California community that cared deeply about social justice; her parents--an esteemed economist from Jamaica and an admired cancer researcher from India--met as activists in the civil rights movement when they were graduate students at Berkeley. Growing up, Harris herself never hid her passion for justice, and when she became a prosecutor out of law school, a deputy district attorney, she quickly established herself as one of the most innovative change agents in American law enforcement. She progressed rapidly to become the elected District Attorney for San Francisco, and then the chief law enforcement officer of the state of California as a whole. Known for bringing a voice to the voiceless, she took on the big banks during the foreclosure crisis, winning a historic settlement for California's working families. Her hallmarks were applying a holistic, data-driven approach to many of California's thorniest issues, always eschewing stale "tough on crime" rhetoric as presenting a series of false choices. Neither "tough" nor "soft" but smart on crime became her mantra. Being smart means learning the truths that can make us better as a community, and supporting those truths with all our might. That has been the pole star that guided Harris to a transformational career as the top law enforcement official in California, and it is guiding

her now as a transformational United States Senator, grappling with an array of complex issues that affect her state, our country, and the world, from health care and the new economy to immigration, national security, the opioid crisis, and accelerating inequality. By reckoning with the big challenges we face together, drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, Kamala Harris offers in *THE TRUTHS WE HOLD* a master class in problem solving, in crisis management, and leadership in challenging times. Through the arc of her own life, on into the great work of our day, she communicates a vision of shared struggle, shared purpose, and shared values. In a book rich in many home truths, not least is that a relatively small number of people work very hard to convince a great many of us that we have less in common than we actually do, but it falls to us to look past them and get on with the good work of living our common truth. When we do, our shared effort will continue to sustain us and this great nation, now and in the years to come.

The Truths We Hold Penguin

One of Essence's Best Books of the Year. NAACP
Image Awards Winner for Outstanding Literary
Work in the Debut Author category. With a
foreword by Speaker Nancy Pelosi. "There was no
greater friend to the poor, to the lost, to the left out,

and to the left behind. If you want to understand this
great man, read his historic, important book and
learn the lessons and values from his 'moral voice
crying in the wilderness ' on behalf of our American
democracy. " —Rep. John Lewis (D-GA) Known
for his poise, intellect, and influence until his death in
October 2019, Elijah Cummings was one of the most
respected figures in contemporary politics, a
politician who held fast to his beliefs but was not
afraid to reach across the aisle in the name of
friendship and progress. Since his earliest days in
government through his time as a representative and
chairman of the House Oversight and Reform
Committee, he proved his abilities as a politician who
could operate at the highest levels of democracy,
serving the people of Baltimore and illustrating the
importance of working with—and for—the
underdog. Yet in his final years of life, Cummings
recognized that democracy was the underdog.
We 're Better Than This draws from Cummings 's
own life to show the formative moments that
prepared him for the disturbing first years of the
Trump presidency and spurred him to hold the
administration accountable for their actions. Weaving
together the urgent drama of modern-day politics
and character-defining stories from his past,
Cummings offers a never-before-told perspective on
how his personal history, coming of age in South
Baltimore, laid the foundation of a life spent fighting
for justice. He goes behind the scenes with the House
Democratic leadership, offering an eye-opening
chronicle of the grim realities of holding the Trump
administration to account. Detailing this moment of

unprecedented obstructionism by both the president
and Republicans, Cummings presents a vital defense
of how government oversight defines our collective
trust, examining the dangerous precedent for both
parties that exists if the executive branch remains
above public scrutiny. Part memoir, part call to
action, *We 're Better Than This* is the story of our
modern-day democracy and the threats that we all
must face together, as well as a retrospective on the
life and career of one of our country 's most
inspirational politicians. As we approach another test
of our democracy, the next race for the White House,
We 're Better Than This reminds people that in this
country we don 't elect kings, and we cannot afford
four more years of this false one.

Racism and social justice are important topics kids are dealing with today. In this adaptation of *How to Fight Racism* for young readers ages 8-12, Dr. Jemar Tisby helps kids understand how everyday prejudice affects them and what they can do to create social change. Inside, he explains the history of racism in America and why it is so prevalent, as well as uses Christian principles to provide practical tools and advice kids can use to develop and maintain an anti-racist mindset and make a positive difference in the world. Racism is pervasive in today's world, and in the wake of protests and a call for change, many kids are eager to confront it but aren't always sure how. Jemar Tisby, author of *How to Fight Racism* and *The Color of Compromise*, believes we need to move beyond mere discussions about racism and begin equipping young people with the practical tools to fight against it. In *How to Fight Racism Young Reader's Edition*, Dr. Tisby uses history to explore how racism has affected America since before its founding and how it's continued to grow, as well as examines how true social justice is rooted in the Christian faith. In a format that provides kids with a handbook for pursuing racial justice, readers ages 8-12 will discover: hands-on suggestions and real-world examples of change they can put into action practical ideas

for confronting racism in their everyday lives, and how they can use Christian values to change the narrative around race the ARC of racial justice—Awareness, Connection, and Relationships—that help form an anti-racist mindset ways to evaluate their actions and promote biblical principles Throughout, kids will learn how to ask questions of themselves and their communities as they stand up to racism in all its forms. This book is for anyone who believes it is time to courageously confront the racism we see in our society today. *How to Fight Racism Young Reader's Edition*: Is ideal for any young person wanting to make a difference in today's world Can be used by families and church groups to start meaningful conversations with kids Is written at a level kids in grades 4 through 6 and beyond can understand

Michelle Obama's worldwide bestselling memoir, *Becoming*, is now adapted for young readers. Michelle Robinson was born on the South Side of Chicago. From her modest beginnings, she would become Michelle Obama, the inspiring and powerful First Lady of the United States, when her husband, Barack Obama, was elected the forty-fourth president. They would be the

first Black First Family in the White House and serve the country for two terms. Growing up, Michelle and her older brother, Craig, shared a bedroom in their family ' s upstairs apartment in her great-aunt ' s house. Her parents, Fraser and Marian, poured their love and energy into their children. Michelle ' s beloved dad taught his kids to work hard, keep their word, and remember to laugh. Her mom showed them how to think for themselves, use their voice, and be unafraid. But life soon took her far from home. With determination, carefully made plans, and the desire to achieve, Michelle was eager to expand the sphere of her life from her schooling in Chicago. She went to Princeton University, where she learned what it felt like to be the only Black woman in the room. She then went to Harvard Law School, and after graduating returned to Chicago and became a high-powered lawyer. Her plans changed, however, when she met and fell in love with Barack Obama. From her early years of marriage, and the struggle to balance being a working woman, a wife, and the mom of two daughters, Michelle Obama details the shift she made to political life and what her family endured as a result of her husband ' s fast-

moving political career and campaign for the presidency. She shares the glamour of ball gowns and world travel, and the difficulties of comforting families after tragedies. She managed to be there for her daughters ' swim competitions and attend plays at their schools without catching the spotlight, while defining and championing numerous initiatives, especially those geared toward kids, during her time as First Lady. Most important, this volume for young people is an honest and fascinating account of Michelle Obama ' s life led by example. She shares her views on how all young people can help themselves as well as help others, no matter their status in life. She asks readers to realize that no one is perfect, and that the process of becoming is what matters, as finding yourself is ever evolving. In telling her story with boldness, she asks young readers: Who are you, and what do you want to become?
