## **Student Activity Guide**

Goodheart-Willcox Pub  
Lessons for Common Core and Social Skill Development “Pay attention!” If your students’ minds are wandering, teach them skills to stay focused and reach goals. More than 20 classroom-friendly lessons include behavior management tools that teach kids how to complete tasks successfully and on time. The activities in this book support Common Core and Academic literacy standards and are designed to accompany the *Spacing Out!* picture book. Using the story as a stimulus, students will explore making predictions, comparing characters, cause and effect, sequencing, and making story maps. Discussion questions relating to the story help students develop critical thinking skills and determine the positive outcomes for completing tasks, and the negative consequences of becoming distracted.

Additional activities reinforce social skill development for setting goals, identifying things to work on, coping with distractions, and celebrating success. The activities are appropriate for K-5 classroom and can be used with individuals, small groups, or large groups. Educators will appreciate the easy-to-use activities, with step-by-step instructions, lists of materials, worksheets, and answer keys. The CD includes ready-to-print worksheets, handouts, and reward coupons.

Family and Consumer Sciences Simon and Schuster  
This is a supplement to the textbook, *Becoming a Health Care Professional*, first edition. The learning activities are designed to strengthen your critical-thinking skills and review and apply what your learn from the textbook.--adapted

Student Activity Guide for General Business for Everyday Life Goodheart-Willcox Pub

Exploring Leadership For College Students Who Want to Make a Difference, Facilitation and Activity Guide Based on the third edition of the best-selling text Exploring Leadership, this companion Facilitation and Activity Guide is designed to help educators work with students to develop their leadership potential in order to become effective

leaders. The guide contains dynamic teaching strategies and active learning modules that can be used for organizing a course or workshop series. Created by renowned leadership educators in higher education, these modules have proven to be effective in classroom-tested exercises. Designed to be flexible, the active learning modules can be used in either curricular or cocurricular settings and can be structured to build on each other or stand alone. Each module corresponds with a chapter of Exploring Leadership as well as units in the companion Student Workbook, which includes worksheets, discussion questions, journal prompts, and space for reflective writing. Praise for Exploring Leadership: Facilitation and Activity Guide "This is a must-have resource for anyone teaching or facilitating leadership education. It does what many other resources fail to do it gives tangible, real-world applications of complex content that can be used immediately!" —John Dugan, assistant professor, Loyola University Chicago "Wendy Wagner, Daniel Ostick, and colleagues have done a phenomenal job designing powerful learning activities for students using the third edition of Exploring Leadership. Leadership educators will benefit from their years of experience. We are thrilled to join them in helping college students develop their leadership capacity." —Susan Komives, Nance Lucas, and Tim McMahon, authors of Exploring Leadership, Third Edition Student Activity Guide Lippincott Williams & Wilkins
