Books a La Carte Longman Publishing Group Two girls on opposite sides of a war discover they're fighting for a common purpose—and falling for each other—in Zoe Hana Mikuta's high-octane debut *Gearbreakers*, perfect for fans of *Pacific Rim*, *Pierce Brown's Red*

Rising Saga, and Marie Lu's *Legend* series. We went past praying to deities and started to build them instead... The shadow of Godolia's tyrannical rule is spreading, aided by their giant mechanized weapons known as Windups. War and oppression are everyday constants for the people of the Badlands, who live under the thumb of their cruel Godolia overlords. Eris Shindanai is a Gearbreaker, a brash young rebel who specializes in taking down Windups from the inside. When one of her missions goes awry and she finds herself in a Godolia prison, Eris meets Sona Steelcrest, a cybernetically enhanced Windup pilot. At first Eris sees Sona as her mortal enemy, but Sona has a secret: She has intentionally infiltrated the Windup program to destroy Godolia from within. As the clock ticks down to their deadliest mission yet, a direct attack to end Godolia's reign once and for all, Eris and Sona grow closer—as comrades, friends, and perhaps something more... Praise for *Gearbreakers*: "An absolute joyride ... Zoe Hana Mikuta is a talent to be in awe of." —Chloe Gong, *New York Times*-bestselling author of *These Violent Delights* "Dark, fierce, thrilling, and tender, *Gearbreakers* will make your blood sing." —Nina Varela, author of *Crier's War*

There are two versions of Student Book: with and without Online Practice. This version is with Online Practice. Features 12 units, with teaching material designed for at least 8 hours of English a week Unit title phrased as a

big question sparks students' curiosity and builds engagement with the topic. Students come up with answers throughout the unit and reflect on what they have learnt on the Now I Know page at the end. Unit objectives phrased as simplified GSE descriptors appear at the beginning and at the end of the unit helping students see what they have learnt. International English box highlights differences between British and American English. BBC video clips (topic and story clips) enhance engagement and understanding of the topic. One text per unit is factual, allowing students to gain non-ELT knowledge, and another text is a story focusing on a value. Clear grammar practice helps students build confidence with the language. Strategy boxes help teach all skills.

Gearbreakers Stylus Publishing, LLC
A new edition of a successful undergraduate textbook on contemporary international Standard English grammar, based on Huddleston and Pullum's earlier award-winning work, *The Cambridge Grammar of the*

English Language (2002). The analyses defended there are outlined here more briefly, in an engagingly accessible and informal style. Errors of the older tradition of English grammar are noted and corrected, and the excesses of prescriptive usage manuals are firmly rebutted in specially highlighted notes that explain what older authorities have called 'incorrect' and show why those authorities are mistaken. Intended for students in colleges or universities who have little or no background in grammar or linguistics, this teaching resource contains numerous exercises and online resources suitable for any course on the structure of English in either linguistics or English departments. A thoroughly modern undergraduate textbook, rewritten in an easy-to-read conversational style with a minimum of technical and theoretical terminology.

"For courses in English Composition. "

"This version of Student s Book of College English has been updated the reflect the 8th edition of the MLA Handbook (April 2016) *" A complete course in writing, in one comprehensive volume Acclaimed for its clarity and accessibility, Student s Book of College English, Fourteenth Edition offers a rhetoric, reader, research guide, and handbook in one cohesive and efficient presentation. The rhetoric appeals to students with its straightforward and jargon-free style. Instructors appreciate

its coverage of the writing process, the rhetorical modes (including argumentation), and its chapter on writing about literature. The reader includes selections from sources ranging from academia to the Internet on timely topics that pique students interest. The in-depth coverage of research methods, as well as the complete treatment of grammar and usage, make an ancillary handbook unnecessary, a cost-savings enjoyed by students and teachers alike. "The 8th edition introduces sweeping changes to the philosophy and details of MLA works cited entries. Responding to the increasing mobility of texts, MLA now encourages writers to focus on the process of crafting the citation, beginning with the same questions for any source. These changes, then, align with current best practices in the teaching of writing which privilege inquiry and critical thinking over rote recall and rule-following." "
