Student Book Of College English 13th Edition

Update Edition
Cambridge University Press
This classic rhetoric-reader-handbook offers students a complete course in writing in the rhetorical modes in one comprehensive volume. For 30 years, Student's Book of College English has enjoyed a reputation for clarity, accessibility, and comprehensiveness. This Tenth Edition continues the tradition with sound instruction in the rhetorical strategies, strong professional and student readings, thorough coverage of argumentation and research, and a reference handbook with self-test exercises. Revised to reflect important innovations in composition pedagogy, this edition

also features increased attention to visual elements, updated discussions of Internet research and documentation, and a new section for ESL students. This affordable Books a la Carte Edition features the exact same content from our traditional textbook in a convenient, notebook-ready loose-leaf format -- allowing students to take only what they need to class. As a bonus, the Books a la Carte Edition is accompanied by a full-color, laminated Study Card that's a perfect tool to help students prepare for exams.

for a common purpose—and falling for each other—in Zoe Hana Mikuta's high-octane debut Gearbreakers, perfect for fans of Pacific Rim, Pierce Brown's Red Rising Saga, and Marie Lu's Legend series. We went past praying to deities and started to build them instead... The shadow of Godolia's tyrannical rule is spreading, aided by their giant mechanized weapons known as Windups. War and oppression

are everyday constants for the people of the Badlands, who live under the thumb of their cruel Godolia overlords. Eris Shindanai is a Gearbreaker, a brash young rebel who specializes in taking down Windups from the inside. When one of her missions goes awry and she finds herself in a Godolia prison, Eris meets Sona Steelcrest, a cybernetically enhanced Windup pilot. At first Eris sees Sona as her

mortal enemy, but Sona has a secret: She has intentionally infiltrated the Windup program to destroy Godolia from within. As the clock ticks down to their deadliest mission yet, a direct attack to end Godolia's reign once and for all, Eris and Sona grow closer—as comrades, friends, and perhaps something more... Praise for Gearbreakers: "An absolute joyride ... Zoe Hana Mikuta is a talent to be in

awe of." —Chloe Gong, New York Times bestselling author of *These Violent Delights* "Dark, fierce, thrilling, and tender, *Gearbreakers* will make your blood sing." —Nina Varela, author of *Crier's War*

Success Writing 2

Allyn & Bacon
A new edition of a successful undergraduate textbook on contemporary international Standard English

• grammar, based on Huddleston and Pullum's earlier award-winning work, *The Cambridge Grammar of the English Language* (2002). The analyses defended there are outlined here more briefly, in an engagingly accessible and informal style. Errors of the older tradition of English grammar are noted and corrected, and the excesses of prescriptive usage manuals are firmly rebutted in specially highlighted notes that explain what older authorities have called 'incorrect' and show why those authorities are mistaken. Intended for students in colleges or

universities who have little or no background in grammar or linguistics, this teaching resource contains numerous exercises and online resources suitable for any course on the structure of English in either linguistics or English departments. A thoroughly modern undergraduate textbook, rewritten in an easy-to-read conversational style with a minimum of technical and theoretical terminology.
