Use a grade-appropriate tool like the Scholastic Children's Dictionary — or you can even keep your own family dictionary, recording words and their definitions. Use the word yourself, or encourage your child to use that word in a sentence sometime during the day.

15 Creative Mind Map Examples for Students - Focus

In short, this year is all about helping students practice, refine, and grow their skills. Students build on what they learned in 4th grade by analyzing material in deeper ways, and write structured, clear, and detailed pieces about a variety of subjects. They are encouraged and expected to be more independent in their learning, and to require less guidance and support from teachers and other adults.

Additionally, grading provides students with feedback on their own learning, clarifying for them what they understand, what they don't understand, and where they can improve. Grading also provides feedback to instructors on their students' learning, information that can inform future teaching decisions. Why is grading often a challenge?
