Studies in early Christian, Medieval, and Renaissance art ...

Studies in Iconography (ISSN 0148-1029) is an annual publication housed at the Index of Medieval Art at Princeton University since October 1999. It is dedicated to publishing innovative work on iconography and other aspects of visual culture of the period up to 1600.

Medieval and Renaissance studies programs outline the important political, cultural

and economic facets of these two periods. Continue reading to learn more about the education and career options ...

[Welcome | Medieval Studies Career Paths](#). A minor in Medieval Studies prepares students for those careers which require a broad knowledge of the humanities. Many students combine a Medieval Studies major with a major such as art history, broadcasting, art, language and literature, political science or any of the liberal arts majors, or students may take courses in areas like economics, speech

communication, and sociology.
