Poetry in themes : Landscapes - Sea - Animals - Children - People - War - Mystery - Reflections.

Philosophy and Organization Featuring original contributions from some of the most exciting scholars writing at the intersection of philosophy and organization today, this accessible volume provides readers with a complete overview of this complex subject. Ground-breaking and drawing on recent efforts in management and organization studies to take philosophy seriously, it critically engages with the way that philosophy might inform organization and illuminates a range of issues, including idleness, aesthetics, singularity, transparency, power and cruelty. Exploring why philosophy matters to

organization and why organization matters to philosophy, this book is essential reading for philosophy and business and management students as well as of interest to all those who seek to think seriously about the way their lives are organized.

Fundamentals of Nursing Care

These popular Shakespeare editions attractively presented and designed to make Shakespeare relevant to students. The plays are initially summarised in lively line illustrations that present the story in pictures to assist students to recognise the plot and major issues. This is followed by an introduction to Shakespeare's life, historical background and settings, and the attitudes of the period. The full text of the play is included with copious notes on language, historical significance and cross-references to other scenes. All are near A4 in size.
