This study guide for Around the World in Eighty Days is up to date with Next Generation, 21st Century, and Common Core skill requirements and features sections aimed at citing evidence from the text. It is the perfect companion to introducing literature in any classroom, practicing strong reading skills, and guiding your journey through the book! Master the material and ace any assignment with this innovative study guide series. This book is perfect for both students and teachers, as it produces true mastery of content knowledge and book details. Other study guides for Around the World in Eighty Days simply give basic details of the novel, meaning that students read over material without digesting or learning it. Other study guides take complex themes, concepts, and information and just regurgitate it to readers. But, this Study Guide for Around the World in Eighty Days is different. Using the original text as a guide, you will learn to cite evidence from the text in order to complete and reflect on your reading. Readers will self-generate additional notes within the structure provided by this Study Guide. Designed by a veteran educator, this study guide for Around the World in Eighty Days GUIDES the learner to discovering the answers for themselves, creating a fully detailed study guide in the user's own words. Filled with guided reading activities, students are able to fill this guidebook with their own information. If you read it, write it, and reflect on it, you will learn it! Teachers: Besides being a great lesson plan or activity resource, you can also purchase a set of these books (or one book and make copies) for your entire class. It makes the perfect guided reading activity for Around the World in Eighty Days and will teach students how to internalize the reading, note taking, and learning

process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning! DIY Study Guide: Anne of the Island: Study Guide, Reading Journal, & Annotation Guide
