*Study Guide for Psychology* Mometrix Secrets Study Guides

In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

"This book is a concise, high-yield review book for anyone preparing for the sports medicine board examinations. Having personally used the second edition, the third edition's updated information and the addition of rationales and explanations for answers to the practice test will be

especially useful for the studying practitioner." ---Doody's Review Service, 4 stars Now in its third edition, Sports Medicine: Study Guide and Review for Boards continues as the leading review text offering a focused survey of non-surgical sports medicine topics. Updated throughout to reflect current sports science, protocols, and practice, this book covers all topics related to and found on the Sports Medicine CAQ examination. Written in outline format for targeted review, the book serves as a primary study tool for candidates preparing for initial certification or recertification as well as those wanting to supplement their training in sports medicine. Organized according to the exam blueprint with topics weighted to reflect their emphasis on the test, sections cover all subject areas found on the boards including basic science and general procedures; health promotion and preventative aspects; emergency assessment and care; and diagnosis, management, and treatment for the full range of sports-related injuries and conditions. A final sub-section on emerging topics in the field includes chapters on regenerative medicine, sports ultrasound, and a newly added chapter on exercise as medicine. The book also contains a practice test of over 260 questions new to this edition with an answer key and detailed rationales for candidates to assess clinical knowledge and assist with final preparation for boards. Loaded with high-yield facts throughout, this proven resource is fit for any student, trainee, or clinician preparing for boards, MOC, or in-training exams. Key Features: Offers comprehensive coverage of all topics tested on the Sports Medicine CAQ examination Encourages targeted review through easy-to-read outline format Illustrates key points with over 100 figures and tables for enhanced learning Contains full practice test with 260+ questions, answers, and explanations Purchase includes digital access for use on most mobile devices or computers
