Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.
