Written by massage therapy expert Sandy Fritz, this unique review resource prepares you for all of your massage therapy exams — both routine semester exams and tests administered for licensure, such as the National Certification Exam and the MBLEx. This comprehensive review features updated content and questions based on the currently administered licensing exams. Plus, a companion Evolve website comes loaded with 8 practice exams and a variety of review activities such as labeling exercises, crossword puzzles, electronic coloring book, games, and much more! And for studying on the go,

Mosby offers a new mobile app featuring 125 test questions. No other massage review on the market gives you such complete exam preparation! Full color format with 347 illustrations (showing various massage techniques as well as anatomy & physiology) presents information in a more visual, engaging way and helps you retain information better than reviewing text alone. Over 1300 practice questions in the text provide the opportunity to assess your readiness for exams. Over 40 labeling exercises are available throughout the book to help kinesthetic learners retain information. Logical text organization presents review content with illustrations and examples followed by review questions and exams to help you hone test-taking skills as you master facts, learn how to apply them, complete practice questions by topic, and then work through a realistic exam experience. Written to be versatile so it can be used to prepare for licensing exams, as well as classroom exams allows you to prepare for massage licensure exams as well as your regular course load along the way. Answer key printed in the back of the text with rationales provides you additional feedback so you can better understand why answers are correct or incorrect. Esteemed author Sandy Fritz delivers quality content that students and instructors know they can rely on. NEW! Updated content and questions based on the changes to licensing exams delivers the most up-to-date, relevant questions ensuring you 'll be fully prepared to pass the current exams. NEW!
