Think all COMPASS study guides are the same?

Think again! With easy to understand lessons and

over 230 practice test questions designed to

maximize your score (plus essay sample questions),

you'll be ready. While there is no passing or failing

with the COMPASS test, you don't want to waste

time - and money! - in introductory or remedial

college courses. You want to accelerate your

education, not miss opportunities for starting your

future career! Every year, thousands of people think

that they are ready for the COMPASS but realize

too late when they get their score back that they

were not ready at all. They weren't incapable, and

they certainly did their best, but they simply

weren't studying the right way. There are a variety

of methods to prepare for the COMPASS...and they get a variety of results. Trivium Test Prep's Secrets to Outsmart the COMPASS provides the information, secrets, and confidence needed to get you the score you need - the first time around.

Losing points on the COMPASS exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our

COMPASS study guide, you get the most

comprehensive review of all tested concepts. The

subjects are easy to understand, and have fully-

explained example questions to ensure that you

master the material. Best of all, we show you how

this information will be applied on the real exam;

COMPASS practice questions are included so that

you can know, without a doubt, that you are

prepared. Our study guide is streamlined and

concept-driven so you get better results through

more effective study time. Why spend days or even

weeks reading through meaningless junk, trying to

sort out the helpful information from the fluff? We

give you everything you need to know in a concise,
comprehensive, and effective package.
