Being a good mom isn't about doing everything right to create a set of perfect trophy children--though every mom has felt the pressure to do just that and to do it all on her own. To ask for help feels like defeat. Yet when we try to do it all by our own strength, we end up depleted, lonely, and ineffective. Heather MacFadyen wants you to know that you are not meant to go it alone. Sharing her most vulnerable, hard mom moments, she shows how moms can be empowered by God, supported by others, and connected with their children. With encouragement and insight, she helps you foster the key relationships you need to be the mom you want to be. Whether you work or stay home, whether you have teenagers or babes in arms, you'll find here a compassionate friend who wants the best--not just for your kids but for you. **My Broken Language** One World

The essential sing-along companion to the world of Frozen The Frozen Essential Collection takes you deep into the world of Disney's award-winning movie, Frozen. A beautiful slipcase houses an Essential Guide with all the lyrics and a sticker book. With stunning images, more than 150 full-colour reusable stickers and a soundchip that plays a clip from 'Let It Go', this is a must for every fan of Frozen. [On My Honor](#) Gale, Cengage Learning
GOOD MORNING AMERICA BUZZ PICK • The Pulitzer Prize – winning playwright and co-writer of In the Heights tells

her lyrical story of coming of age against the backdrop of an ailing Philadelphia barrio, with her sprawling Puerto Rican family as a collective muse. **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL • ONE OF THE BEST BOOKS OF THE YEAR:** NPR, New York Public Library, BookPage, and BookRiot • “ Quiara Alegria Hudes is in her own league. Her sentences will take your breath away. How lucky we are to have her telling our stories.” —Lin-Manuel Miranda, award-winning creator of *Hamilton* and *In the Heights* Quiara Alegria Hudes was the sharp-eyed girl on the stairs while her family danced their defiance in a tight North Philly kitchen. She was awed by her mother and aunts and cousins, but haunted by the unspoken, untold stories of the barrio—even as she tried to find her own voice in the sea of language around her, written and spoken, English and Spanish, bodies and books, Western art and sacred altars. Her family became her private pantheon, a gathering circle of powerful orisha-like women with tragic real-world wounds, and she vowed to tell their stories—but first she’d have to get off the stairs and join the dance. She’d have to find her language. Weaving together Hudes’s love of music with the songs of her family, the lessons of North Philly with those of Yale, this is a multimythic dive into home, memory, and belonging—narrated by an obsessed girl who fought to become an artist so she could capture the world she loved in all its wild and delicate beauty.

A Study Guide for Ruta Sepetys's "Salt to the Sea" Harvest House Publishers Joel dares his best friend, Tony, to a swimming race in a dangerous river. Both boys jump in, but when Joel reaches the sandbar, he finds Tony has vanished. How can he face their parents and the terrible truth?

World of Reading Frozen: The Spring Parade SFI Readerlink Dist

In this video Bible study (DVD/digital video sold separately)--led by the New York Times bestselling author Lee Strobel--you and your group will dig into the true Christmas story to sort out the fact from the fiction and the hype from the holiness. The Case for Christmas study helps you reflect on the gospel story of the birth of Jesus in a focused, group-oriented way that might change the way you view the season. During his faith journey, Lee Strobel investigated the real meaning behind all those nativity scenes he saw outside of churches. In this four-week study, Lee reveals what he discovered from consulting experts on the Bible, archaeology, and messianic prophecy as he sought to separate the truth from the tradition. In each session you and your group

explore: What the Bible actually says about Jesus' birth and how you can know it's accurate. Whether the Christmas story actually happened or developed from the myths of the day. The Bible's claim that Jesus was born of a virgin and why it's important to your faith. How Jesus--and only Jesus--fulfilled hundreds of Old Testament biblical prophecies about the Messiah. Regardless of whether the center of your Christmas decorations is the nativity set on your mantle or the presents under the tree, The Case for Christmas study invites you to look beyond the familiar traditions of the season, challenge you to examine the evidence for yourself, and consider why Christmas really matters and why it's still so relevant today. Sessions include: Setting the Record Straight Beneath the Fake News A Mind-Boggling Proposition The Prophetic Fingerprint Designed for use with The Case for Christmas Video Study/The Case for Easter Video Study (sold separately). A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by John Updike, two-time

Pulitzer Prize Winner for Fiction in 1982 and 1991. Titles in this study guide include *Rabbit Run* and *Rabbit Redux*. As a prominent voice of literary realism for 1970s American fiction, Updike's *Rabbit* novels commented on the changing social and political hierarchies of late modernism in America's Eisenhower era. Moreover, Updike has been called a "maker of fables and parables," which can be seen through his use of symbolism and imagery. This Bright Notes Study Guide explores the context and history of Updike's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

KAWASAKI Presentation designer and internationally acclaimed communications

inexpert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations. Talking Across the Divide

Experience fresh connections to contemporary worship and devotional practices in this eight-session video-based study of Psalms with Bible scholar Sandra Richter (streaming video included). The book of Psalms is well-known and well-worn. It is the Old Testament book most often quoted in the New Testament, and its quotations can be found everywhere from John Milton to Star Trek to Congressional speeches. Why so much

attention? The Church Father Athanasius said it best—most of Scripture speaks to us, but the Book of Psalms speaks for us. This study guide has everything you need for a full Bible study experience, including: An individual access code to stream all eight video sessions online (you don't need to buy a DVD!). The study guide itself—with discussion and reflection questions, video notes, and study sections. Illuminated manuscript activities. In-depth breakdown of specific psalms. The Book of Psalms Study (part of the Epic of Eden series) will open up the poetry and prayers of Scripture in a whole new and deeply sensitive way. Learning from Professor Richter's crystal-clear teaching, you'll discover: How you can trust God with all your emotions: grief, anger, praise, fear, and hope. How and why the people of Israel used the Psalms in worship. Why the book of Psalms is critical in our devotional lives today. How the Psalms can deepen your prayer life. Streaming video access code included. Access code subject to expiration after 12/31/2027. Code may be redeemed only by the recipient of this package. Code may not be transferred or sold separately from this package. Internet connection required. Void where prohibited, taxed, or restricted by law. Additional offer details inside. confident in your
understanding of God's
truth and prepared to stand
for its reliability.
Frozen: The Essential Guide
Influence Publishers
A guide to learning how to
communicate with people who
have diametrically opposed
opinions from you, how to
empathize with them, and how
to (possibly) change their minds

America is more polarized than ever. Whether the issue is Donald Trump, healthcare, abortion, gun control, breastfeeding, or even DC vs Marvel, it feels like you can't voice an opinion without ruffling someone's feathers. In today's digital age, it's easier than ever to build walls around yourself. You fill up your Twitter feed with voices that are angry about the same issues and believe as you believe. Before long, you're isolated in your own personalized echo chamber. And if you ever encounter someone outside of your bubble, you don't understand how the arguments that resonate so well with your peers can't get through to anyone else. In a time when every conversation quickly becomes a battlefield, it's up to us to learn how to talk to each other again. In *Talking Across the Divide*, social justice activist Justin Lee explains how to break through the five key barriers that make people resist differing opinions. With a combination of psychological research, pop-culture references, and anecdotes from Justin's many years of experience mediating contentious conversations, this book will help you understand people on the other side of the argument and give you the tools you need to change their minds--even if they've fallen for "fake news."

Study Guide to One Day in

the Life of Ivan Denisovich by Alexander Solzhenitsyn
Influence Publishers
In the two thousand years that have elapsed since the time of Christ, Christians have been as much divided by their faith as united, as much at odds as in communion. And the contents of Christian confession have developed with astonishing energy. How can believers claim a faith that has been passed down through the ages while recognizing the real historical contingencies that have shaped both their doctrines and their divisions? In this carefully argued essay, David Bentley Hart critiques the concept of "tradition" that has become dominant in Christian thought as fundamentally incoherent. He puts forth a convincing new explanation of Christian tradition, one that is obedient to the nature of Christianity not only as a "revealed" creed embodied in historical events but as the "apocalyptic" revelation of a history that is largely identical with the eternal truth it supposedly discloses. Hart shows that Christian tradition is sustained not simply by its preservation of the past, but more essentially by its anticipation of the

future. He offers a compelling portrayal of a living tradition held together by apocalyptic expectation--the promised transformation of all things in God.
