Learn how to see the good, again, even after hard times. What does it feel like to come back from something hard, to be able to hope again? Hard things are a part of life. Yet they don't have to have the final word. They can become the keys to our greatest usability in the kingdom of God—that is, if we let God make good of them, rather than running away and refusing the growth we truly crave. If we're weary of being bossed by our emotions, the hard good can help bring a new way of living with healthy, managed emotions. Where we were once stuck in a place of what if, the transformational process God takes us through provides a compelling shift of perspective to what is. It is the way we not only come back from hard things but also emerge with a richer life. In *The Hard Good* Lisa Whittle guides us on a powerful path to progress as we learn to: accept things we wish were different, apologize and forgive first, cheer for someone who gets what we want, open our hearts again when we've been hurt, find joy in the waiting, and show up when we want to shut down. Written for those who desperately want to move forward, *The Hard Good* gives voice to the hard places we all have lived and Lisa's clear directions as to where to go next. Your hard place is never too hard for God. Allow it to change you, help you, and ready you for the greatest comeback you have ever known.

A Bible Study on the C.S. Lewis Book *Mere Christianity* The Open University

"Why does the church stir up such negative feelings?" Philip Yancey has been asking this all his life as a journalist. His perennial question is more relevant now than ever: in a twenty-year span starting in the mid-nineties, research shows that favorable opinions of Christianity have plummeted drastically—and opinions of Evangelicals have taken even deeper dives. The end of the politics-oriented Evangelicalism that was so dominant in the second half of the 20th century is a strong example that we are living in a post-Christian culture. Yet while the opinions about Christianity are dropping, interest in spirituality is rising. Why the disconnect? Why are so many asking, "What's so good about the 'Good News?'" Yancey's writing has focused on the search for honest faith that makes a difference for a world in pain. In his landmark book *What's So Amazing about Grace* he issued a call for Christians to be as grace-filled in their behavior as they are in declaring their beliefs. But people inside and outside the church are still thirsty for grace. What the church lacked in its heyday is now exactly what it needs to recover to thrive. Grace can bring together Christianity and our post-Christian culture, inviting outsiders as well as insiders to take a deep second look at why our faith matters and about what could reignite its appeal to future generations. How

can Christians offer grace in a way that is compelling to a jaded society? And how can they make a difference in a world that cries out in need? Yancey aims this book at Christian readers, showing them how Christians have lost respect, influence, and reputation in a newly post-Christian culture. "Why do they hate us so much?" mystified Americans ask about the rest of the world. A similar question applies to evangelicals in America. Yancey explores what may have contributed to hostility toward Evangelicals, especially in their mixing of faith and politics instead of embracing more grace-filled ways of presenting the gospel. He offers illuminating stories of how faith can be expressed in ways that disarm even the most cynical critics. Then he explores what is Good News and what is worth preserving in a culture that thinks it has rejected Christian faith.

***Meant for Good* Study Guide** The Good Study Guide

Great Expectations is epic! Hundreds of pages, dozens of characters and settings--it's easy to lose track of things. Let BookCaps help with this comprehensive annotated study guide that is complete with character profiles (with pronunciations for names harder to pronounce), chapter summaries, analysis of themes, historical context, and much more! Paraprofessional Study Guide and Practice Test Questions [2nd Edition] CRC Press

One of our most beloved comedians, the brilliantly witty and outspoken star of *The View*, hits the most unpopular President ever elected where it hurts—and makes us laugh and cheer—in this hilarious alphabetical guide to everything that's wrong with the "Orange One," Donald Trump. Put down the knife, lock away the gun, lay aside the noose, Joy Behar is here to save you from suicide as she hot walks you through the next four years (two if we are lucky, less if liberal dreams come true).

Besides despair, the sane response to the insanity in the White House is laughter. On her hit ABC daytime show *The View*, Joy has been blunt in her condemnation of the comb-over-in-chief, and her words have electrified

and inspired millions in the resistance for whom *#notmypresident* has become a rallying cry. The *Great Gasbag* is Joy's answer to the hell that is the Trump Orange House. Structured as an A-Z guide (G is for Gold . . . en shower; P is for Pence and pussy-grabbing; T is for Tweets; Twits, and Twats, etc.), Joy, joined by New York Times bestselling humor author Larry Amoros, offers much-needed doses of levity and humor for everyone determined to *#resist*. With a major network television profile and a social media audience in the millions, this fearlessly confident star has a powerful platform to entertain Americans of all stripes—from Never Trumpers to fired-up progressives—as she takes on the worst president since . . . well, since ever.

Midwest and Great Plains Brown Chair Books

In this eight-session video group study (DVD/digital video sold separately), you will discover why *Mere Christianity* by C.S. Lewis is one of the most read and beloved Christian books of all time. But seventy years later from when it was first delivered on radio, what relevance does it have to our world today? Host Eric Metaxas and a variety of Christian leaders—including Philip Yancey, Alister McGrath, Devin Brown, Paul McCusker, Douglas Gresham, and others—help us

understand the timeless message of C. S. Lewis in fresh ways for a new generation. The first purpose of this video study is to explore the positive ideas that C.S. Lewis has so eloquently written about in *Mere Christianity* for those who already call themselves Christian. The second purpose is to explain in an engaging, winsome and non-threatening way the basic tenets of the Christian faith as illustrated by C.S. Lewis to those who do not claim to be Christian. This study aims to fulfill the vision of C.S. Lewis of reaching people from all faith backgrounds. Sessions include: Our Sense of Right and Wrong What's Behind Our Sense of Right and Wrong The Rival Conceptions of God Free Will and the Shocking Alternative Christian Behavior and the Great Sin of Pride The Christian Virtue of Hope God in Three Persons Counting the Cost Designed for use with the *Discussing Mere Christianity Video Study* 9780310699859 (sold separately).

A Novel Zondervan

In Kristin Hannah's *The Great Alone*, a desperate family seeks a new beginning in the near-isolated wilderness of Alaska only to find that their unpredictable environment is less threatening than the erratic behavior found in human nature. #1 New York Times Instant Bestseller (February 2018) A People "Book of the Week" BuzzFeed's "Most Anticipated

Women's Fiction Reads of 2018" Seattle Times's "Books to Look Forward to in 2018"

Alaska, 1974. Ernt Allbright came home from the Vietnam War a changed and volatile man. When he loses yet another job, he makes the impulsive decision to move his wife and daughter north where they will live off the grid in America's last true frontier. Cora will do anything for the man she loves, even if means following him into the unknown. Thirteen-year-old Leni, caught in the riptide of her parents' passionate, stormy relationship, has little choice but to go along, daring to hope this new land promises her family a better future. In a wild, remote corner of Alaska, the Allbrights find a fiercely independent community of strong men and even stronger women. The long, sunlit days and the generosity of the locals make up for the newcomers' lack of preparation and dwindling resources. But as winter approaches and darkness descends, Ernt's fragile mental state deteriorates. Soon the perils outside pale in comparison to threats from within. In their small cabin, covered in snow, blanketed in eighteen hours of night, Leni and her mother learn the terrible truth: they are on their own.
