Study Notes and Theory - A CISSP Study Guide

This study guide contains worked-out problems in price theory/microeconomics. Most of the problems were taken from examinations and problem sets given by professors from various universities, and I have tried to make the problems representative of the topics that are commonly taught in price theory.

Study Guide to accompany Price Theory and Applications ...

Review of Game Theory. Before we can talk about Nash equilibrium, we need to review the idea of game theory. Game theory is the idea that the results of one, or more, players' decisions are based ...

Price Theory and Applications, 7th Ed.

The "study guide" that is sometimes packaged with the textbook is not entirely useful; the number of problems actually in the textbook should be more than sufficient. Overall, this is a great survey of price theory with Landsburg's signature examples and interesting applications.

He provides summaries, points for discussion, and study questions, and he assesses the book in light of modern history. Most of all, Mises's book teaches the theory of money, and with Professor Murphy's guide, you will understand where money comes from, what it does, how it is managed in a market, and what government does to destroy it.
