In this Newbery Honor book classic, young Sarah learns how to be brave even when the world is strange and new. In 1707, young Sarah Noble and her father traveled through the wilderness to build a new home for their family. “ Keep up your courage, Sarah Noble, ” her mother had said, but Sarah found that it was not always easy to feel brave inside. The dark woods were full of animals and Indians, too, and Sarah was only eight! The true story of Sarah ’ s journey is inspiring. And as she cares for her father and befriends her Indian neighbors, she learns that to be afraid and to be brave is the greatest courage of all. The New York Times Book Review described this book as one “ to be long remembered for its beautifully written simplicity and dignity. ”

HSPT Prep Book 2020-2021 Corwin Press

It's the revolutionary science study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace Science . . . takes readers from scientific investigation and the engineering design process to the Periodic Table; forces and motion; forms of energy; outer space and the solar system; to earth sciences, biology, body systems, ecology, and more. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

Publisher Description

U. S. Government/Civics Simon and Schuster

Unleash powerful teaching and the science of learning in your classroom **Powerful Teaching: Unleash the Science of Learning** empowers educators to harness rigorous research on how students learn and unleash it in their classrooms. In this book, cognitive scientist Pooja K. Agarwal, Ph.D., and veteran K-12 teacher Patrice M. Bain, Ed.S., decipher cognitive science research and illustrate ways to successfully apply the science of learning in classrooms settings. This practical resource is filled with evidence-based strategies that are easily implemented in less than a minute—without additional prepping, grading, or funding! Research demonstrates that these powerful strategies raise student achievement by a letter grade or more; boost learning for diverse students, grade levels, and subject areas; and enhance students' higher order learning and transfer of knowledge beyond the classroom. Drawing on a fifteen-year scientist-teacher collaboration, more than 100 years of research on learning, and rich experiences from educators in K-12 and higher education, the authors present highly accessible step-by-step guidance on how to transform teaching with four essential strategies: Retrieval practice, spacing, interleaving, and feedback-driven metacognition. With **Powerful Teaching**, you will: Develop a deep understanding of powerful teaching strategies based on the science of learning Gain insight from real-world examples of how evidence-based strategies are being implemented in a variety of academic settings Think critically about your current teaching practices from a research-based perspective Develop tools to share the science of learning with students and parents, ensuring success inside and outside the classroom **Powerful Teaching: Unleash the Science of Learning** is an indispensable resource for educators who want to take their instruction to the next level. Equipped with scientific knowledge and evidence-based tools, turn your teaching into powerful teaching and unleash student learning in your classroom.

On the first day of school, Artie falls out of his bed and hits his head. Hard. He tells his mom he's dizzy and she says, "You're just worried about your first day in a new school." At breakfast, his little brother, Eddie, splashes syrup in his hair, and there's no time to wash it. Artie has to go to school with syrup-hair. And then, on

the way there, he gets splashed by a puddle that makes him look like he wet his pants. It's not just the first day of school; it's the worst day of school. On the second day of school, Artie falls out of bed and hits his head. Hard. He tells his mom he's dizzy and she says, "You're just worried about your first day in a new school." Huh? Today is just like the day before. Can Artie find a way to change it, before it's the first day of school...forever? "A fast and goofy romp" (Booklist) that "delivers the hilarity and horror that readers love" (School Library Journal), from the master of children's horror, R.L. Stine.
