Fallen, a brand-new entry in her Dream-Hunter series. For centuries, Ariel has fought the forces of evil. Her task was to protect the souls of innocent mortals when they die. Captured by a powerful sorceress, she is transformed into a human who has no memory of her real life or calling. And is plunked into the middle of the Norman invasion of England. Cursed the moment he was born with a

"demonic deformity," Valteri wants nothing of this earth except to depart it and will do his duty to his king until then. When a strange noblewoman is brought before him, Valteri realizes he has met her before...in his dreams. When others come for her, bringing with them preternatural predators, he is faced with a destiny he had no idea was waiting. One he wants no part of. The truth is that Valteri isn't just a knight of William the Conqueror. He is the son of one of the deadliest powers in existence, and if he doesn't restore Ariel to her place, she is not the only one who will be in peril. The world itself hangs in the balance, and he is the necessary key to hold back the powers of evil. But only if he can find a way to work with the woman who stands for everything in the universe he hates. In the ethereal world of dreams, there are champions who fight to protect the dreamer and there are demons who prey on them... Arik is such a predator. Condemned by the gods to live eternity without emotions, Arik can only feel when he's in the dreams of others. For thousands of years, he's drifted through the human unconscious, searching for sensation. Now he's finally found a dreamer whose vivid mind can fill his emptiness. Dr. Megeara Kafieri watched her father ruin himself and his reputation as he searched to prove Atlantis was real. Her deathbed promise to him to salvage his reputation has now brought her to Greece where she intends to prove once and for all that the fabled island is right where her father said it was. But frustration and bad luck dog her every step.

Especially the day they find a stranger floating in the sea. His is a face she's seen many times.... in her dreams. What she doesn't know is that Arik holds more than the ancient secrets that can help her find the mythical isle of Atlantis. He has made a pact with the god Hades: In exchange for two weeks as a mortal man, he must return to Olympus with a human soul. Megeara's soul. With a secret society out to ruin her expedition, and mysterious accidents that keep threatening her life, Megeara refuses to quit. She knows she's getting closer to Atlantis and as she does, she stumbles onto the truth of what Arik really is. For Arik his quest is no longer simple. No human can know of a Dream-Hunter's existence. His dream of being mortal has quickly turned into his own nightmare and the only way to save himself will be to sacrifice the very thing he wanted to be human for. The

only question is, will he? Stygian St. Martin's Paperbacks

Born before man recorded time, I lived for thousands of years believing myself to be something I'm not. Someone I'm not. Lied to and betrayed by gods, Daimons and Dark-Hunters, I've struggled to find

my way in a world where I've been cursed since the moment I was prematurely ripped from my mother and planted into the womb of an innocent woman who thought me her son. Trained as a slayer and predator, I learned to fit in and stay low. To become a tool for evil. Until I was sent to kill the one woman I couldn't. My hesitation cost her her life. Or so I thought. In an act of betrayal that makes all the others pale in comparison, I've learned that this world is an illusion and that my Phoebe still lives. Now I will have to travel into the very pits of Hades to try and save her, even as everyone around me attempts to steal what little soul I have left. There's only one person at my back and I'm not sure I can trust her either, for she was born of an enemy race. Yet sometimes the road to redemption is one that singes us to our very core. And if I fail to find the answers I need to save Phoebe, more than just my wife will die. We will lose the world. Both human and Daimon.
