NATIONAL BESTSELLER • A tour de force of love and loneliness, war and art—from one of our greatest writers. • “Exhilarating ... magical.” —The Washington Post When a thirty-something portrait painter is abandoned by his wife, he secludes himself in the mountain home of a world famous artist. One day, the young painter hears a noise from the attic, and upon investigation, he discovers a previously unseen painting. By unearthing this hidden work of art, he unintentionally opens a circle of mysterious circumstances; and to close it, he must undertake a perilous journey into a netherworld that only Haruki Murakami could conjure.

Many children wish that every day could be Christmas. For one year, Jim Sutton and his family found themselves living that dream. As dreams go, however, it turned out to be more of a nightmare. The Suttons were not caught up in some kind of “Groundhog Day” scenario. Far from it. While each day was distinct and separate,

some days seemed to echo the one before, like a rerun nobody asked to relive. From 1977 through early 1978, the Sutton clan lived as permanent residents in a year-round Christmas attraction named, appropriately enough, Christmas Town. The chain of events leading to how precisely they came to settle on an island in the middle of Lake Champlain, Vermont is found in two words: Bob Sutton (or as he was more colloquially called: Dad). Bob Sutton pried his brood from their comfortable lives in Boston, Massachusetts to relocate to the Green Mountain State. He bought a snack stand concession in Christmas Town, where he believed they would make their fortunes in a forever Winter Wonderland. None of the Suttons expected that this outwardly idyllic setting would lead to familial betrayal and tragedy. Twenty-two years later, a grown Jim Sutton ventures out to write his novel. His muse: onion rings. The setting: the state he once swore he would never visit again. In a rusted-out beater of a car, Jim navigates his way through the countryside, sampling onion rings for his book, *The Onion Ring Lover's Guide to Vermont*. When an accident strands him in the sleepy town of Strawberry Falls, little does Jim know that another dark family secret hides beneath the surface of this seemingly idyllic little New England town, a secret that some of the town residents would kill for to keep from coming to light *Chilton's Repair & Tune-up Guide, Subaru, 1970 to 1980* Ballantine Books  
Models covered: VW Golf, GTI, Jetta and Cabrio 1999 through 2002.

Now more than ever, Subaru fanatics have a wealth of factory and aftermarket performance upgrades at their disposal. In *High-Performance Subaru Builder's Guide*, author Jeff Zurschmeide explains in detail the similarities and differences between the Subaru models, and describes how to modify each for performance on the street and at the track. He uses over 300 color photos to show you how to modify your Impreza, Legacy, WRX, or STI for improved acceleration, handling, braking, and style. The book provides detailed chapters explaining how to modify the intake, exhaust, turbocharger, and computer systems for more horsepower and torque--plus info on upgrading your drivetrain to handle all that power. If taking corners is your thing, you'll find chapters on the suspension, steering, chassis, brakes, and wheels and tires. A special chapter even shows you how to get started in your favorite type of racing, including examples of successful racers and their cars.
