Now more than ever,
Subaru fanatics have a
wealth of factory and

aftermarket performance upgrades at their disposal. In High-Performance Subaru Builder's Guide, author Jeff Zurschmeide explains in detail the similarities and differences between the Subaru models, and describes how to modify each for performance on the street and at the track. He uses over 300 color photos to show you how to modify your Impreza, Legacy, WRX, or STI for improved acceleration, handling, braking, and style. The book provides detailed chapters explaining how to modify the intake, exhaust, turbocharger, and computer systems for more horsepower and torque--plus info on upgrading your drivetrain to handle all that power. If taking

corners is your thing, you'll find chapters on the suspension, steering, chassis, brakes, and wheels and tires. A special chapter even shows you how to get started in your favorite type of racing, including examples of successful racers and their cars.

Subaru Impreza 2002 thru 2011, Impreza WRX 2002 thru 2014, Impreza WRX STI 2004 thru 2014 Haynes Manuals N. America, Incorporated Complete coverage for your Subaru Legacy (10-16) & Forester (09-16):

Few cars in modern times have caused as much of a stir as the turbocharged Subaru Impreza. It came from nowhere at the start of the 1990s to claim three successive World Rally Championships for its makers in the middle of that decade, and went on to become an enthusiasts' car thanks to its affordability, high performance - and, of course, the glorious exhaust note of its unusual flat-four 'boxer' engine. This book examines the three generations of Subaru Impreza

<p>WRX and WRX STI from 1992 - 2012, including how the roadgoing cars were developed from the successful rally models, production history and specification details. Topics covered include: History of the Impreza, and early days in competition with the Leone and the Legacy models. Construction and derivatives of the distinctive flat-four engine. Innovations in the Impreza's four-wheel-drive system. Design and specifications for special editions. Includes material from Prodrive on their limited edition models. Examines both rally and roadgoing cars. <i>2022 Subaru Outback Owner Manual</i></p>	<p><i>Compatible with OEM Owners Manual, Factory Glovebox Book</i> Haynes Manuals The Subaru Impreza first appeared on the World Rally scene in 1993, taking a hat-trick of World Rally Manufacturers' Championships, in 1995, 1996 and 1997. The drivers the likes of Marku Alen, Ari Vatanen, and Colin McRae have competed in the World Rally Championship in Imprezas and all went on to winning the World Rally Drivers' Championship in Imprezas. These cars continued to compete on the World Rally stage until the end of 2008, when the Subaru World Rally Team unfortunately withdrew from rallying. This brand new Haynes Manual</p>	<p>covers one of the most iconic rally cars in recent years, and does so in perfect detail. People that love the Impreza, really love the Impreza, so get the full facts and specs now! Subaru Owners Workshop Manual CarTech Inc Complete coverage for your Subaru Impreza, Impreza WRX & Impreza WRX STI covering Impreza (2002-2011), Impreza WRX (2002-2014) & Impreza WRX STI (2004-2014) including Impreza Outback and GT models:</p>
