Microsoft Azure Essentials from Microsoft Press is a series of free ebooks designed to help you advance your technical skills with Microsoft Azure. This third ebook in the series introduces Microsoft Azure Machine Learning, a service that a developer can use to build predictive analytics models (using training datasets from a variety of data sources) and then easily deploy those models for consumption as cloud web services. The ebook presents an overview of modern data science theory and principles, the associated workflow, and then covers some of the more common machine learning algorithms in use today. It builds a variety of predictive analytics models using real world data, evaluates several different machine learning algorithms and modeling strategies, and then deploys the finished models as machine learning web services on Azure within a matter of minutes. The ebook also expands on a working Azure Machine Learning predictive model example to explore the types of client and server applications you can create to consume Azure Machine Learning web services. Watch Microsoft Press ' s blog and Twitter (@MicrosoftPress) to learn about other free ebooks in the Microsoft Azure Essentials series.

Do the Right Thing. Grow Your Business. Profit Wisely. Using the principles in this book, Jeff Morrill built businesses from scratch in automotive retail, real estate, telecommunications, and insurance that generate over \$100,000,000 in annual revenue. His achievements in building flourishing, ethical companies have been featured in a variety of national media including USA Today, Entrepreneur Magazine, Automotive News, The Boston Globe, and others. That's because Jeff knows the secrets to building highly profitable businesses: how to create systems and procedures that produce profits automatically by focusing on doing the right thing every time. For the first time, Jeff shares all of those secrets in one place. You really can outsell your competitors without selling out your integrity. Contrary to popular belief, taking the high road really is the straightest path to the bottom line. You'll learn how to earn more profits consistently in business

while staying true to your values.
