**Complete Car Cost Guide 1996** Dundurn  
365 Sports Cars You Must Drive puts you in the driver's seat of a century's worth of sports car legends (and a few rather less legendary), each presented with a fun and informative profile and fact-and-spec box. It's the ultimate gearhead's bucket list and poses the challenge: How many have you driven? Whoever coined the phrase "getting there is half the fun" must have owned a sports car. And the wag who suggested that "it's the journey not the destination"? Probably driving a Lotus or MG at the time. From towering icons like Ferrari, Lamborghini, Porsche, and Corvette to everyman sportsters from Triumph, MG, Sunbeam, and Miata to oddballs like Crosley, Sabra, and DB, sports cars inspire passion and strong opinions as few other vehicles on the road can. In one beautiful book, long-time Road & Truck? magazine chief photographer John Lamm, along with other top motoring contributors, gives the reader illustrated profiles of every sports car you've ever dreamed of driving! Now, imagine if you could drive a different sports car—any sports car—every single day for a year. Which would you choose?

**Mustang Boss 302** Intellichoice  
Expanded for the occasion of ZZ Top’s 50th anniversary, Billy F Gibbons: Rock + Roll Gearhead throws wide Gibbons’ garage and studio doors for an exclusive look at his exquisite collection of cars and guitars. Love cars, guitars, and ZZ Top? This visually stunning tour through this Grade-A Texas gearhead's weird, wild life, vintage and way-out custom guitars, and influential hot rods and custom cars is mandatory education. From the near-mythical ’59 Les Paul sunburst known as “Pearly Gates” and the “Furry One” of MTV renown to cars like the Eliminator, CadZZilla, and Kopperhed, they’re all here—more than 60 guitars and 15 astounding vehicles, all expounded upon by BFG himself and shown in commissioned color and artistic black-and-white photography. Cars and guitars that have made their way to light since the book’s first publication in 2005 are included: Cars: Mexican Blackbird 1958 Thunderbird Quintana ’50 Ford Custom El Camino Grocery-Getter custom Whiskey Runner ’34 Ford Coupe ’51 Willys Wagon Guitars: Party Peelers John Bolin Customs Neiman Marcus BFG SG Nacho Telecaster John Bolin "Think Buck" T-style Mexican Blackbird solidbody Mojo Maker Tone Bender Zemaitis custom Marconi Lab Guitar 1929 Dixie Ukelele 1939 Rickenbacker Frying Pan ...and more! While BFG’s cars ’n’ guitars are the stuff of legend, no less intriguing are the tales behind his incredible music career. From teenage Houston garage rocker to the Rock and Roll Hall of Fame, the whole story is between these covers, told in the Good Reverend Willie G’s own words and illustrated with photos and memorabilia from his personal archive. As with many rockers, Billy F Gibbons' jones for hot rods and customs is the stuff of legend. But beyond this bona fide bluesman's mastery of the six-string and unrepentant love for internal combustion is a noted collector whose own designs have manifested themselves in hundreds of mind-bending cars and guitars. This is the definitive and official record of that genius.

**The Complete Car Cost Guide, 2001** Motorbooks International  
Discover the allure of forgotten cars. Something that to the rest of the world is nothing but a forgotten automotive hulk slowly degenerating into a pile of iron oxide is to the car enthusiast something so much more. Like those who restore Victorian homes or antique furniture, car guys see not a decrepit piece of junk, but a desirable object that "just needs some attention." And should the vehicle abandoned in a field or lying in a creek bed be too far gone to resurrect, car enthusiasts can simply enjoy it for what it once was (while lamenting that it has come to such a sad end). Finding a lost, restorable car is every auto collector's dream! Amazing Barn Finds and Roadside Relics taps into the thrill of the hunt with hundreds of photos of lost cars - each accompanied by detailed information covering the nature of the find and details about the car. Ride along as author Ryan Brutt, the "automotive archaeologist," travels the United States documenting lost and abandoned automotive gems.

**100 Years of Bentley** Dundurn  
Phil Edmonston, Canada’s automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciationMany 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underwayEthanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive EngineersGM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that "killed" its own

**Small Business Competition Policy** Dundurn  
One of the most recognised and revered car brands, Bentley celebrates its centenary in 2019. In conjunction with the Bentley Drivers Club and the W.O. Bentley Memorial Foundation, 100 Years of Bentley is a lavish celebration of the company, from its earliest models right up the modern day cars. A six-times winner in the gruelling Le Mans 24-hour race, Bentley is also the brand behind iconic cars such as the 41/2-Litre ‘Blower’, the R-type Continental, and modern classics such as the Continental GT and Mulsanne. Featuring more than 200 pictures, many from the club’s archives and some never seen in print before, this beautiful book details the whole history of Bentley. From W.O. Bentley’s early days as a railway engineer along with his first attempts at modifying French DFP cars, to the company’s early racing exploits, including its victories in the early Le Mans races. Covering the Bentley brand’s revival in the 1980s and renewed impetus when it was acquired by the Volkswagen group, the story is brought up to date with the awesome new Bentleys built for the 21st century and the new era of electrification just around the corner.
