phenomenon and the most important French novelist since Camus, Michel Houellebecq now delivers his magnum opus – a tale of our present circumstances told from the future, when humanity as we know it has vanished. Surprisingly poignant, philosophically compelling, and occasionally laugh-out-loud funny, *The Possibility of an Island* is at once an indictment, an elegy, and a celebration of everything we have and are at risk of losing. It is a masterpiece from one of the world's most innovative writers.

Blind Submission

To win her heart, he'll be in for the fight of his life. After an illegal kick during a CFA title

fight fractures Cole Easton's spine, doctors say there's nothing more they can do for the bitter Vegas fighter. They say it's a miracle he can walk, if that's what you call his crutch-dragging limp. Unwilling to give up on him, Cole's manager sends the injured fighter to the best physical therapist he knows: his niece, Katie Miller. When Cole arrives in the small town of Somerset, Wisconsin, he quickly discovers his sly manager may have had reasons other than rehab for sending him to this frozen tundra. After a year of running from an abusive ex-boyfriend, Katie has returned to her

hometown to care for her father, who's recovering from a stroke. When Uncle Marcus calls in a favor, she reluctantly finds herself taking on a rancorous MMA fighter, broken at the height of his career. He's insanely sex-on-a-stick hot--and everything she loathes in a man. If Cole thinks his fighting days are over, he's dead wrong. To save Katie from her past and to win her heart, he'll be in for the fight of his life.

Who says love has to be gentle? A spoiled prince on

his first overseas tour is torn between resenting his hot bodyguard-and yearning for him. Prince Jordan is twenty years old, rich, and finally seeing the world. The last thing he needs is a babysitter. Especially one as rigid as Stuart Whitmore, an older, muscular man who makes it clear from their first meeting that there will be consequences if Jordan misbehaves. No one has ever laid a hand on Jordan his whole life, but for the first time he's contemplating the possibility-and trying to figure out which buttons to push to achieve his goal. Because

there's something behind Stuart's eyes that tells him he feels the same magnetic pull that Jordan does. Stuart doesn't give a damn that Jordan is a prince-he's still the most entitled brat he's ever laid eyes on. He's also a temptation, igniting desires Stuart had thought long since extinguished. The prince needs a firm hand and Stuart is just the man to provide it, but there's a vulnerability to Jordan that calls to him. A call that proves too difficult to ignore. What happens when discipline crosses the line into intense heat? And what are

the ramifications when the connection becomes so much more than just physical... For both of them?

The Beholden Brie's Submission Disinherited by his parents and estranged from his wife, Fallen pleasure club co-owner Lord Grayson 'Devil' Deveraux long ago learned to place his trust in ledgers rather than people. But his ice-cold reserve hides the

scandalous truth: he's a man who craves pain with his pleasure, and a loving lady to instruct him. Banished to the country when her whirlwind marriage collapsed, Lady Eliza Deveraux never knew why Grayson fell out of love with her: she'd tried so damned hard to quell her fiery self and be a proper, obedient wife. But when Eliza is forced to return to London and back into Grayson's intoxicating world, banked passions reignite. Can a marriage built on secrets and pretense truly get a second chance? Devil's Submission Book #3 The Seduction of Viscount Vice <u>Secrets of</u> <u>Submission</u> Blushing Publications An international literary phenomenon, The Elementary Particles is a frighteningly original novel—part Marguerite Duras and part Bret Easton Ellis— that leaps headlong into the malaise of contemporary existence. Bruno and Michel are half- brothers abandoned by their mother, an unabashed devotee of the drugged-out free- love world of the sixties. Bruno, the older, has become a raucously promiscuous hedonist himself, while Michel is an emotionally dead molecular biologist wholly	immersed in the solitude of his work. Each is ultimately offered a final chance at genuine love, and what unfolds is a brilliantly caustic and unpredictable tale. Translated from the French by Frank Wynne. <u>The Stories of John</u> <u>Cheever</u> Picador Paradise Islands – Passion tailored for the woman with everything but timeShea Devon accepts the gift of a week at Paradise Islands, expecting moonlit walks on the beach and sweet kisses over candlelight dinners. Instead, a mix-up lands her on the company's BDSM island, at the mercy of a very sexy but stern Master.Liam Jordan follows the script he believes was	designed expressly for the lovely young woman in his charge. Thinking her resistance is part of the game she desires, he subdues the sexy, sassy Shea and gives her a spanking she won't soon forget, with plans for so much more.Liam is captivated by this woman whose submissive potential has barely been tapped. Shea, both intrigued and terrified by the force of her own reactions, struggles with the concept of erotic submission, and even more with the ultimate surrender, that of the heart. But now that the Pandora's box of longing and desire has been opened, there is no going back for either of them.
