Submitting to the Alpha
Wildside Press LLC

“A mock self-help book designed not to help but to provoke . . . to inveigle us into thinking about who we are and how we got into this mess.” (Los Angeles Times Book Review). Filled with quizzes, essays, short stories, and diagrams, *Lost in the Cosmos* is National Book Award–winning author Walker Percy’s humorous take on a familiar genre—as well as an invitation to serious contemplation of life’s biggest questions. One part parody and two parts philosophy, *Lost in the Cosmos* is an enlightening guide to the dilemmas of human existence, and an unrivaled spin on self-help

manuals by one of modern America’s greatest literary masters.

Defying the Alpha Random House

Four men, brought together by fate, connected in more powerful ways than they’d ever imagined. Lidon, Vieno, Palani, and Enar are finding their way in their complicated relationship. For Vieno, it’s easy. He thrives in the care of his men, taking his place as their omega and focusing on rebuilding the ranch. For Enar,

it’s a lot harder to find his role...and himself. His struggles to accept himself and his place in the relationship create tension between him and his mates. Palani keeps digging into the Melloni gene and the fraud case Lidon alerted him to. His investigation reveals a conspiracy that is bigger than any of them expected, and it endangers them all. Lidon discovers powers he never knew he possessed. When his mates and his home are threatened, he steps into a legendary identity. With the help of new friends that become family, Lidon vows to protect what’s his. Alpha’s Submission is an MMMM mpreg romance and the second book in the Irresistible Omegas series. It is not a stand-alone but continues the story from the first book. It ends with a HFN for our four men, but their storyline will continue in the next books. Tactical Submission Windsor Club

You’ll want to scream, but you’ll be gagged. You’ll want to cry,

but you'll be blindfolded. You'll want to run away, but you'll be tied up. You'll have no way of begging me, I'll do what I want with you. Sexual obsession, domination and extreme lust – Submission is the story of a young married Parisian lawyer who is drawn into a sado-masochistic relationship. A handsome stranger she meets in the courts issues her with a series of instructions which she finds herself compelled to follow. As the violence of their encounters escalates, it becomes a dangerous addiction that she can't break. But how far can she go and how much of her life will she risk in the process? Based on the author's own experiences, this astonishing book sent shockwaves through the French establishment.

The Submission Gift

K.C. Wells

On Lanzarote, there are some fascinating human specimens - notably Pam and Barbara, "non-exclusive" German lesbians. Will they succeed in seducing Rudi, the police inspector, currently living in exile in Brussels? And will our narrator consider his week's holiday on the island a success?

Submission Vintage

In the aftermath of the September 11 terrorist attack on the World Trade Center, some of New York City's leading authors of fiction, poetry, and dramatic prose reflect on the event in vivid, creative works by Paul Auster, Edwidge Danticat, Phillip Lopate, Susan Wheeler, Vivian Gornick, Lynne Sharon Schwartz, and others. Reprint.

The 9/11 Report BRILL

"Fighting for Love"

Hot nights in Russia, and an extended visit to Italy warms Brie's heart when Nonna holds their son for the first time. But Brie is about to stumble on a tragic secret involving Sir's family... Can a shattered heart ever truly heal? Can the passionate love between a Master and his treasured sub mend a broken heart? Even when the battle seems hopeless, love is always worth the fight.

Blind Submission

Random House

Each year writers and editors submit over three thousand grammar and style questions to the Q&A page at The Chicago Manual of Style Online. Some are arcane, some simply hilarious—and one editor, Carol Fisher Saller, reads every single one of them. All too often she notes a classic author-editor standoff, wherein both parties refuse to compromise on the "rights" and "wrongs" of prose styling: "This author is giving me a fit." "I wish that I could just DEMAND the use of the serial comma at all times." "My author wants his preface to come at the end of the book. This just seems ridiculous to me. I mean, it's not a post-face." In *The Subversive Copy Editor*, Saller casts aside this adversarial view and suggests new strategies for keeping the peace. Emphasizing habits of carefulness, transparency, and flexibility, she

shows copy editors how to build an environment of trust and cooperation. One chapter takes on the difficult author; another speaks to writers themselves. Throughout, the focus is on serving the reader, even if it means breaking "rules" along the way. Saller's own foibles and misadventures provide ample material: "I mess up all the time," she confesses. "It's how I know things." Writers, Saller acknowledges, are only half the challenge, as copy editors can also make trouble for themselves. (Does any other book have an index entry that says "terrorists. See copy editors"?) The book includes helpful sections on e-mail etiquette, work-flow management, prioritizing, and organizing computer files. One chapter even addresses the special concerns of freelance editors. Saller's emphasis on negotiation and flexibility will surprise many copy

editors who have absorbed, along with the dos and don'ts of their stylebooks, an attitude that their way is the right way. In encouraging copy editors to banish their ignorance and disorganization, insecurities and compulsions, the Chicago Q&A presents itself as a kind of alter ego to the comparatively staid Manual of Style. In *The Subversive Copy Editor*, Saller continues her mission with audacity and good humor.

The Elementary Particles NYU Press Books can be a dangerous business . . . When Blue Moon Books, the Bay Area bookstore where Angel Robinson has worked since college, is

squeezed out of business, Angel is forced to find a new job. She lucks into a position as the assistant to the world-renowned literary agent Lucy Fiamma. Angel soon learns that working for Lucy is no picnic. The agent has a blockbuster ego to match her blockbuster success and Angel must juggle both her boss's prima donna demands and the strange quirks of her authors. But Angel soon becomes indispensable to the agency and develops a keen understanding of big projects and the writers who create them. What she doesn't realize is just how far one of them will go to get published. One day, a chapter from a mysterious manuscript by an anonymous author arrives at the office. Set in a New York literary agency, the novel, titled *Blind Submission*, centers on the ambitious assistant to a successful literary agent. Angel is pulled in by the plot—but her initial curiosity soon turns to panic. As the story unfolds—with chapters e-mailed in one by one—it becomes clear that the mystery author is writing the story of Angel's own life, including secrets she

thought were deeply hidden. Someone is watching her, even plotting against her. Could it be her backstabbing coworker, her jealous boyfriend, or her seductive new client? When the novel's plot turns to murder, Angel knows that if she doesn't discover the author's identity before the final chapter is written, more than just her career will be cut short.

Public Enemies

Macmillan

Submission takes many forms in this collection of 69 short stories, from straining in bondage to taking a spanking, being put on display, and beyond. By turns bratty and worshipful, these submissives will go to great lengths to fulfill their naughtiest fantasies and are rewarded splendidly by their masters and mistresses. A student returns to show his former teacher who's really in charge, a photo shoot becomes an opportunity for

erotic games, and a man revels in his wife's past as a former dominatrix. These brats, masochists, and hungry-for-sensation subs go above and beyond for the ones they adore, pushing themselves to new limits while their devious dominants put them through their paces. Edited by Rachel Kramer Bussel, these short stories sizzle with the tension of erotic power play, commands followed, and service willingly performed.

Submission Carina Press

SWAT commander Jack Burnside is haunted by his craving to kneel before another man. Of all the things he hates about himself - his overtly masculine size and strength, his blue eyes, his insecurities - it is the need to submit that he fears will destroy him. Doctor Isaac

Bard is close to achieving his perfect life. He has a great job with the Coroner's Office and an open marriage to a loving wife who understands his needs better than he does. The only thing he is missing is a handsome young man to dominate, spoil rotten, and love. Jack and Isaac might be a perfect match in the back rooms of the exclusive Windsor Club, but will the outside pressures of perception and duty tear them apart?

The Submission Farrar, Straus and Giroux
Victorian England: a Jesuit priest writes of wrestling with God at night, limbs entangled; an Anglican sister begs Jesus, her divine lover, to end her aching anticipation of their union; a clergyman exhorts nuns to study the example of medieval women who suffered on the rack in order to become "brides" of Christ. Alongside the march of nineteenth-century

progress ran a seemingly paradoxical fascination with a dark, erotically suggestive side of religious devotion: the figuration of the Christian God as a heavenly bridegroom who doles out punishment to his bride, the individual soul. Through innovative case studies of Victorian religious poetry, Amanda Paxton reveals that while the punitive model proved a convenient rhetorical tool with which to deflate burgeoning nineteenth-century campaigns for women's rights and challenges to Church authority, in the hands of several writers it also provided a means of resisting patriarchal institutions and interrogating distinctions between science and religion. *Willful Submission* is the first full-length volume to examine the interplay of sex, suffering, and religion as a touchstone in Victorian culture and verse.

The Map and the Territory

BrightSummaries.com

"From the prize-winning author of *The Beekeeper of Aleppo*, a stunning novel

about the disappearance of a Sri Lankan nanny and how the most vulnerable people find their voices. "It began with a crunch of leaves and earth. So early, so cold, the branches shone with ice. I'd returned to collect the songbirds. They are worth more than their weight in gold." Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the black market. He dreams of finding a new way of life, and of marrying Nisha, who works on the island as a nanny and maid--having left her native Sri Lanka to try to earn enough to support her daughter, left behind and raised by relatives. But Nisha has vanished; one evening, she steps out on a mysterious errand and doesn't return. The police write off her disappearance as just another runaway domestic worker, so

her employer, Petra, undertakes the investigation. Petra's unravelling of Nisha's last days in Cyprus lead her to Nisha's friends--other maids in the neighborhood--and to the darker side of a migrant's life, where impossible choices leave them vulnerable, captive, and worse. Based on the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, *Songbirds* offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices"--

Are two alphas too many to handle?
Defiant wolf-shifter Isabella loves toying with her mate Roman. But between Isabella leading the Lycans, Roman strengthening their pack, and a darkness slowly overtaking wolves'

minds, they have rarely found time for themselves. And one of the worst problems of them all is that Alpha Kylo Marks—the most powerful alpha in the nation—wants Isabella's and Roman's heads. When the Moon Goddess brings Kylo and Isabella together to help stop the darkness from overtaking the werewolf species, Kylo finds himself treading on uncharted territory. Can Roman and Isabella's relationship withstand the bloodthirsty alpha? How will Isabella juggle the two enemies who are vying for her? Read *Defying the Alpha*, the second book in the *Submission Trilogy*, by Emilia Rose today! This book is considered a menage romance which includes one female with two alpha mates. [Her Submission](#) Open Road + Grove/Atlantic

The Pulitzer Prize winner explores the literary joys of sci-fi and superheroes, gumshoes and goblins, and the stories that bring us together. "I read for entertainment, and I write to entertain. Period." Such is the manifesto of Michael Chabon, an author of indisputable literary renown who maintains a fierce appreciation of the seductive arts of so-called "genre" fiction. In this lively collection of sixteen critical and personal essays, the author of *The Amazing Adventures of Kavalier & Clay* champions the cause of westerns, horror, and all the stories, comics, and pulp fiction that get pushed aside when literary discussion turns serious. Whether he's taking up Superman or Sherlock Holmes, Poe or Proust, Chabon makes it his emphatic mission to explore the reasons we tell one another tales. Throughout, Chabon reveals his own blooming as a writer, from *The Mysteries of Pittsburgh* to *The Yiddish Policeman's Union*. He is living proof of his theory that the stories that give us great pleasure are in many ways our truest, best art—the building blocks of our shared imagination—and in *Maps and Legends*, he "makes an inviting case for bridging the gap between popular and literary writing" (O, The Oprah Magazine). This ebook features a biography of the author. [Submission by Michel Houellebecq \(Book Analysis\)](#) Ellora's Cave Publishing, Incorporated

En Route, by Joris-Karl Huysmans, has been translated from the French and features a prefatory note by C. Kegan Paul. [Facsimile reprint from the 1920 edition.]

Lanzarote. Macmillan

Michel Houellebecq's *Serotonin* is a caustic, frightening, hilarious, raunchy, offensive, and politically incorrect novel about the decline of Europe, Western civilization, and humanity in general. Deeply depressed by his romantic and professional failures, the aging hedonist and agricultural engineer Florent-Claude Labrouste feels he is "dying of sadness." He hates his young girlfriend, and the feeling is almost certainly mutual; his career is pretty much

over; and he has to keep himself thoroughly medicated to cope with day-to-day life. Suffocating in the rampant loneliness, consumerism, hedonism, and sprawl of the city, Labrouste decides to head for the hills, returning to Normandy, where he once worked promoting regional cheeses and where he was once in love, and even—it now seems—happy. There he finds a countryside devastated by globalization and by European agricultural policies, and encounters farmers longing, like Labrouste himself, for an impossible return to a simpler age. As the farmers prepare for what might be an armed insurrection, it becomes clear that the health of one miserable body and of a suffering body politic are not so different, and that all parties may be rushing toward a catastrophe that a whole drugstore's worth of antidepressants won't

make bearable. *Getting It Published* Random House The international publishing sensation is now available in the United States—two brilliant, controversial authors confront each other and their enemies in an unforgettable exchange of letters. In one corner, Bernard-Henri Lévy, creator of the classic *Barbarism with a Human Face*, dismissed by the media as a wealthy, self-promoting, arrogant do-gooder. In the other, Michel Houellebecq, bestselling author of *The Elementary Particles*, widely derided as a sex-obsessed racist and misogynist. What began as a secret correspondence between bitter enemies evolved into a remarkable joint personal meditation by France's premier

literary and political live wires. An instant international bestseller, *Public Enemies* has now been translated into English for all lovers of superb insights, scandalous opinions, and iconoclastic ideas. In wicked, wide-ranging, and freewheeling letters, the two self-described "whipping boys" debate whether they crave disgrace or secretly have an insane desire to please. Lévy extols heroism in the face of tyranny; Houellebecq sees himself as one who would "fight little and badly." Lévy says "life does not 'live'" unless he can write; Houellebecq bemoans work as leaving him in such "a state of nervous exhaustion that it takes several bottles of alcohol to get out."
