Upper-Intermediate Cambridge University Press

The Success International series offers a practical approach to language learning and support. Success International English Skills for Cambridge IGCSE® Workbook is designed to give students further practise and support when studying for the Cambridge IGCSE® in English as a Second Language. The Workbook consolidates and tests the understanding of the language and themes in the Student's Book, supporting students both in the classroom and in individual study. The Workbook offers a wide range of stimulating and challenging exercises, including work on vocabulary development, spelling, punctuation, tone, register, writing style, grammar and comprehension. Answers to both the Student's Book and the Workbook are available in the Teacher's Book.

Success OUP Oxford

In this book, Steve takes a potentially very complex subject -- the creation of new, different, and creative melodies -- and shows how using two very simple and very guitaristic pentatonic scales, you can unleash an inexhaustible supply of new colors and ideas. A CD containing most of the music examples, plus numerous play-along tracks is included. This is a must-have for any serious guitarist!

Language in Use Upper-intermediate Classroom Book Cambridge University Press

New Language Leader takes an intelligent approach to building the confidence and skills students need to succeed in academic study and use English in a globalised world.

Language in Use Upper-intermediate Self-study Workbook with Answer Key Oxford University Press, USA

The listening and reading texts are drawn from a range of authentic sources. An in-depth treatment of grammar enables students to work out grammatical rules and helps them achieve greater accuracy through a better understanding of how language works. There is a thorough skills syllabus, with all four skills systematically developed and integrated through related tasks. There is extensive work on vocabulary, with particular emphasis on the most frequently used verbs, phrasal verbs, idioms, and compounds. Integrated pronunciation practice is provided throughout. 'Postscript' sections provide an opportunity to practise

everyday English in situations (such as airports and hotels), or survival areas (such as telephones and directions). There is a particular focus on the grammar of spoken English. The topics - including homelessness, pre-nuptial agreements, and the effects of tourism - have all been chosen to appeal to adults and young adults.

English collocations in use : advanced ; how words work together for fluent and natural English ; self-study and classroom use Alfred Music Publishing

New Success Longman

The general English course that takes students from 'how to' to 'can do' in every lesson.

Solutions Intermediate: Workbook Oxford University Press, USA

In keeping with the spirit of the first edition, Teaching ESL Composition: Purpose, Process, and Practice, Second Edition presents pedagogical approaches to the teaching of ESL composition in the framework of current theoretical perspectives on second language writing processes, practices, and writers. The text as a whole moves from general themes to specific pedagogical concerns. A primary goal is to offer a synthesis of theory and practice in a rapidly evolving community of scholars and professionals. The focus is on providing apprentice teachers with practice activities that can be used to develop the complex skills involved in teaching second language writing. Although all topics are firmly grounded in reviews of relevant research, a distinguishing feature of this text is its array of hands-on, practical examples, materials, and tasks, which are presented in figures and in the main text. The synthesis of theory and research in a form that is accessible to preservice and in-service teachers enables readers to see the relevance of the field's knowledge base to their own present or future classroom settings and student writers. Each chapter includes: *Questions for Reflection--pre-reading questions that invite readers to consider their own prior experiences as students and writers and to anticipate how these insights might inform their own teaching practice; *Reflection and Review--follow-up questions that ask readers to examine and evaluate the theoretical information and practical suggestions provided in the main discussion; and *Application Activities--a range of hands-on practical exercises, such as evaluating and synthesizing published research, developing lesson plans, designing classroom activities, executing classroom tasks, writing commentary on sample student papers, and assessing student writing. The dual emphasis on theory and practice makes this text appropriate as a primary or supplementary text in courses focusing on second language writing theory, as well as practicum courses that emphasize or include second language writing instruction or literacy instruction more generally. New in the Second Edition: *updated research summaries consider new work that has appeared since publication of the first edition; *revised chapter on research and practice in the use of computers in second language writing courses covers recent developments; *streamlined number and type of Application Activities focus on hands-

on practice exercises and critical analysis of primary research; and *revisions throughout reflect the authors' own experiences with the text and reviewers' suggestions for improving the text.

Solutions Pre-Intermediate: Workbook OXFORD

All students want to succeed. All teachers want to create great lessons. Success gives them the opportunity.
