If you want to succeed in the business and corporate world, this book is what you need to enhance your knowledge. Hi, I am Maria Fedorova and I have been working in the corporate world for the last 10 years. Studying Business teaches you the vocabulary that you would use in business and the working world. As well as learning corporate-speak, you also learn how to do business related tasks that would be the norm in general working settings. These include things like business writing and reports, how to deliver presentations, put forth opinions and conduct meetings. Other aspects of learning Business English can include writing letters and emails, applying for roles and understanding job profiles. Some Business English courses can also prepare you for life in a corporate, office environment. Studying Business teaches you the vocabulary that you would use in business and the working world.
