The #1 New York Times bestselling author of the Vampire Academy and Bloodline series returns with the second installment in her acclaimed Age of X series. Religious investigator Justin March and Mae Koskinen—the beautiful supersoldier assigned to protect him—have been charged with investigating reports of the supernatural and the return of the gods, both inside the Republic of United North America and out. With this highly classified knowledge comes a shocking revelation: Not only are the gods vying for human control, but the elect—special humans marked by the divine—are turning against one another in bloody fashion. Their mission takes a new twist when they are assigned to a diplomatic delegation headed by Lucian Darling, Justin's old friend and rival, going into Arcadia, the RUNA's dangerous neighboring country. Here, in a society where women are commodities and religion is

intertwined with government, Justin discovers powerful forces at work, even as he struggles to come to terms with his own reluctantly acquired deity. Meanwhile, Mae—grudgingly posing as Justin's concubine—has a secret mission of her own: finding the illegitimate niece her family smuggled away years ago. But with Justin and Mae resisting the resurgence of the gods in Arcadia, a reporter's connection with someone close to Justin back home threatens to expose their mission—and with it the divine forces the government is determined to keep secret.

Richard Kadrey's Sandman Slim—aka James Stark—is, quite simply, one of the most outrageous uber-anti-heroes ever to kick serious butt on this or any other world or dimension. In his previous three adventures—Sandman Slim, Kill the Dead, and Aloha from Hell—Stark has fled Hell for California, taken on angels, demons, outlaw bikers, zombies, covert government

operatives, and all manner of monsters, while saving humankind from total annihilation on numerous occasions. But in Devil Said Bang, he finally assumes the role he was destined for: as the new Lucifer, ruler of the Underworld. Combining outrageously edgy humor with a dark and truly twisted vision, Richard Kadrey has once again delivered a masterful amalgam of action novel, urban fantasy, and in-your-face horror that will delight a wide range of readers—from Christopher Moore and Warren Ellis fans to the devoted adherents of Jim Butcher, Charlaine Harris, Kim Harrison, and Simon Green.
