An enormously
satisfying, exciting
and enriching
book, Vikram
Chandra's novel
draws the reader
deep into the lives
of detective Sartaj
Singh and Ganesh
Gaitonde, the
most wanted
gangster in India.
Sartaj, the only
Sikh inspector in
the whole of
Mumbai, is used

to being identified
by his turban,
beard and the
sharp cut of his
trousers. But 'the
silky Sikh' is now
past forty, his
marriage is over
and his career
prospects are on
the slide. When
Sartaj gets an
anonymous tip off
as to the secret
hideout of the
legendary boss of
the G-company,
he's determined
that he'll be the
one to collect the
prize. This is a
sprawling, epic
novel of
friendships and
betrayals, of
terrible violence, of
an astonishing
modern city and its
underworld.
Drawing on the
best of Victorian
fiction, mystery
novels, Bollywood
movies and
Vikram Chandra's
years of first hand
research on the
streets of Mumbai,
this novel reads
like a potboiling
page-turner but
resonates with the
intelligence and
emotional depth of
the best of
literature.

unscheduled, but this delicious little book will be savoured by Mistry ' s hungry and devoted fans. The Scream is a single story by Rohinton Mistry, to date his shortest book! And what a gem it is. Set in a Bombay apartment, The Scream is narrated by a man at the end of his life, who is angry at the predicament of old age, at his isolation from his family and from a world that no longer	understands him. He rails and raves in ways that are both hilarious and moving, and which touch us with recognition. Printed originally in a limited edition of 150 copies that was sold exclusively by World Literacy of Canada as a fundraiser for their organization, The Scream was exquisitely produced and featured original artwork by the celebrated Canadian artist	Tony Urquhart. This is the first trade edition of this treasure, which will retain beautiful production values as well as all of Tony Urquhart ' s colourful, dynamic artwork, which was inspired by the story. This gorgeous little book is a must- have for all of Rohinton Mistry ' s fans, for their own shelves as a collector ' s item and as the perfect gift. <u>Native</u> <u>Intelligence</u> Rawat Books

A Town Called Malgudi	McClelland & Stewart From the acclaimed author of Climbing the Stairs comes a fascinating story set on a remote island untouched by time. Uido is ecstatic about becoming her tribe's spiritual leader, but her new position brings her older brother's jealousy and her best friend's mistrust. And looming above these troubles are the recent visits of strangers from the mainland who have little regard for nature or the spirits, and tempt the tribe members with gifts, making them curious

about modern life. When Uido's little brother falls deathly ill, she must cross the ocean and seek their help. Having now seen so many new things, will Uido have the strength to believe in herself and the old ways? And will her people trust her to lead them to safety when a catastrophic tsunami threatens? Uido must overcome everyone's doubts, including her own, if she is to keep her people safe and preserve the spirituality that has defined them. Drawing on firsthand experience from her travels to the

Andaman Islands, Padma Venkatraman was inspired to write this story after meeting natives who survived the 2004 tsunami and have been able to preserve their unique way of life. Uido's transformation from a young girl to tribal leader will touch both your heart and mind. Rohinton Mistry's *Such a Long Journey* Bookclub-In-A-Box Read Padma Venkatraman's posts on the Penguin Blog. Fifteen-year-old Vidya dreams of going to college— an

unusual aspiration for a girl living in British occupied India during World War II. Then tragedy strikes, and Vidya and her brother are forced to move into a traditional household with their extended family, where women are meant to be married, not educated. Breaking the rules, Vidya finds refuge in her grandfather's library. But then her brother does something unthinkable, and Vidya's life becomes a

whirlwind of political and personal complications. The question is, will she be strong enough to survive? Watch a Video The Fiction of Rohinton Mistry Routledge Agastya Sen, known to friends by the English name August, is a child of the Indian elite. His friends go to Yale and Harvard. August himself has just landed a prize government job. The job takes him to Madna, “ the hottest town in India, ” deep in the sticks. There he finds himself surrounded by incompetents and cranks, time

wasters, bureaucrats, and crazies. What to do? Get stoned, shirk work, collapse in the heat, stare at the ceiling. Dealing with the locals turns out to be a lot easier for August than living with himself. English, August is a comic masterpiece from contemporary India. Like A Confederacy of Dunces and The Catcher in the Rye, it is both an inspired and hilarious satire and a timeless story of self-discovery. Such a Long Journey Emblem Editions Nurdin Lalani and his family, Asian immigrants from Africa, have come to the Toronto suburb of Don Mills only to find that the old world and its values pursue them. A genial orderly at a downtown hospital, he has been accused of sexually assaulting a girl. Although he is innocent, traditional propriety

prompts him to question the purity of his own thoughts. Ultimately, his friendship with the enlightened Sushila offers him an alluring freedom from a past that haunts him, a marriage that has become routine, and from the trials of coping with teenage children. Introducing us to a cast of vividly drawn characters within this immigrant community, Vassanji is a keen observer

of lives caught between one world and another. Family Matters Penguin Books India It is Bombay in 1971, the year India went to war over what was to become Bangladesh. Trying to Grow
Yale University Press

‘ I ’ m trying to accept that my life has changed. ’ In February 2015, an unforeseen setback cost Vijaypat Singhania, the erstwhile Chairman Emeritus of Raymond Group, the work of his life and his cherished family home. One of India ’ s most legendary industrialists, today he is fighting a battle to recover all that he has lost.

In his first and only autobiography, he traces his extraordinary life from an anguished childhood to the many dynamic decades he spent at Raymond and the tumultuous years after. Born into the famed Singhania family, Vijaypat was always expected to take up the storied family business. But not one to be deterred from pursuing his own passions, he also nurtured his love for adventure in the skies and broke two world records as an

aviator, served a brief stint as a professor and even became the sheriff of Mumbai for a time. All the while, under his stewardship, the Raymond Group diversified into new segments, with Raymond soon being recognized as one of India ’ s most trusted apparel brands. And then a singular misstep set in motion a grave misfortune ... Intimate, candid and deeply moving, An Incomplete Life is in fact a rare glimpse into a life lived to the fullest but

marked by the painful sting of regret and heartbreaks. Such a Long Journey Penguin In these eleven stories, Rohinton Mistry opens our eyes and our hearts to the rich, complex patterns of life inside Firozsha Baag, an apartment building in Bombay. Here are Jaakaylee, the ghost-seer, and Najamai, the only owner of a refrigerator in Firozsha Baag; Rustomji the Curmudgeon and Kersi, the young boy whose life

threads through the book and who narrates the final story as an adult in Toronto. We see their passions, their worst fears, their betrayals, and their humorous acts of revenge. Witty and poignant, in turns, these intersecting stories create a finely textured mosaic of lives and illuminate a world poised between the old ways and the new.
