Love is the Wine presents an intoxicating mix of essays to satisfy the spiritual thirst of those with long experience in Islam, as well as those encountering Sufism and the meaning of spiritual love for the first time. Themes including generosity, faith, self-knowledge, patience, and love are developed with stories and teachings by Turkish Sufi master Sheikh Muzaffer Ozak. A mesmerizing storyteller, master teacher, and prolific author in his native country, he was ideally suited to bring the richness of the Sufi tradition to the West. The chapters of this book, skillfully edited and compiled by the psychologist and Sufi teacher Dr. Robert Frager, were derived from talks given during Sheikh Muzaffer's visits to New York and California over the last years of his life. Sheikh Muzaffer Ozak understood Westerners as almost no Sufi master before him has. His religious bookshop in Istanbul attracted hundreds of Western seekers visiting Turkey. In his travels, he initiated hundreds of Americans and Europeans into the Halveti Jerrahi Order, interpreted their dreams, and answered their questions about everything from theology and mysticism to marriage and earning a living. These stories and teachings are memorable, yet highly

enigmatic, and meant to be told and retold. Like great spiritual parables, the themes are universal and their applications ageless. The astute reader will appreciate new levels of meaning in these profound teaching tales with each reading. Love is the Wine is a treasury filled with priceless items of Sufi wisdom.

The Sufi Book of Life Tughra Books

Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's

poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.

Based on live talks and meetings with Llewellyn Vaughan-Lee, this is an introduction to the passion and wisdom of the Sufi path of love. The call of the heart and how it draws us back to divine union is one of mankind's greatest secrets, and for the Sufi, this love is a fire that burns away all traces of separation. Vaughan-Lee teaches how to live this burning and describes stages of the path of love on the soul's journey home. *Love Is a Fire* includes descriptions of the "friends of God," early Sufi saints who burned with the fire of divine love, including Rumi, Ibn 'Arabi, and Rabi'a. It also introduces elements of the path and important tools that purify the wayfarer: tauba, the moment of the turning of the heart when the soul remembers its divine origin; dhikr, the central Sufi practice of remembrance of God through repetition of the name of God or a sacred phrase; meditation, a way of drowning thoughts in the fire of love; and dreamwork, a way of listening and attuning to the mystery of what is hidden within us—the stories of our deeper selves. This book is also available as an audio recording, *Love is a Fire and I am Wood*, published by Sounds True. " ... forged in the fire of the heart, this is a book for all those who are looking for the direct way to connection with the Eternal Now. Simply to read this fine expression of a lifetime's longing is to feel aligned with the Divine Ground. " —Anne Baring, coauthor, *The Divine Feminine* " ... a gift to all seekers, whatever path they are on. " —Andrew Harvey, author, *Light Upon Light: A Celebration of Rumi*

Living Presence Indiana University Press

"This is an excellent book that explains spiritual principles and how to carry them into everyday life . . . Highly recommended."—Library Journal Sufism is a centuries-old spiritual psychology leading to presence in life. Presence is our capacity to be whole in the moment, in alignment with our deepest wisdom. With unusual clarity, this book describes how presence is different from ordinary habits of mind, and how it can be developed. Drawing on the words of the great Sufi, Rumi, as well as traditional material and personal experience, this book integrates the wisdom of Sufism with the needs of contemporary life. Living Presence offers a wisdom that is both universal and practical. It shows how we can bring spirituality and psychology into a balanced system that honors and awakens the soul. " I am pleased to give Living Presence a high recommendation: It is sober, thoughtful, and well worth deep reflection.

Helmski is concerned with out interactions with each other, with cultivating love and a desire to serve the Highest through serving each other . . . a valuable emphasis in a culture like ours that tends to think of spiritual development as special and solitary experiences. " —Noetic Sciences Review by Charles Tart, Ph.D.

The very heart of the Islamic tradition is love; no other word adequately captures the quest for transformation that lies at this tradition's center. So argues esteemed professor of medieval Islam William C. Chittick in this survey of the extensive Arabic and Persian literature on topics ranging from the Qur'an up through the twelfth century. Bringing to light extensive foundational Persian sources never before presented, Chittick draws on more than a thousand pages of newly translated material to depict the rich prose literature at the center of Islamic thought.

Prayer of the Heart in Christian and Sufi Mysticism Element Books, Limited

The first textbook of Sufism is the Qur'an; there is no principle of Tasawwuf that cannot be traced back to the Holy Book. The Sufis read the Qur'an for its inner meaning, but they do not claim this is the only meaning. The clear legal rulings, the moral exhortations and warnings of the Book, are not abrogated by the batini tafsir (inner exegesis) of the Sufis, but neither can the Noble Qur'an be limited to its legal and moral dimensions. If all the seas were ink for the tafsir of the Qur'an, they would be exhausted twice over before all its meanings were unveiled. Inner and outer co-exist within the Book, depend upon each other, and inform each other; in the words of the Surah Ha Mim Sajdah, I will show them My signs on the horizons and in their own souls until they are satisfied that this is the Truth. Is it not enough for you, that I am Witness over all things? Q. 41:53]. The Sufi Path, insha'Allah, has the power to place one in the near Presence of Allah--a Presence which, whether or not we are always conscious of it, alchemizes the Heart. The changes the Heart undergoes by the power of this Presence have been recorded by the Sufis over many centuries, and some of the operative laws behind these changes discerned and defined. This book contains only one small drop from that vast ocean of knowledge; it attempts to define a number of the spiritual states and transformations of the self often encountered over the course of the Path--but as the author's own shaykh reminds his followers, in reality there is only one state--Allah. "This is simply the best and most profound book on Sufism that I have encountered."--Andrew Harvey, author of *The Hope: A Guide to Sacred Activism* "Charles Upton is a serious thinker from whom I have learned much. His writing merits close attention."--Huston Smith, author of *The World's Religions* "This challenging book demands all our attention, and for those

willing to make the effort there is much to be learned. Charles Upton has pondered deeply the themes he examines. He has engaged, not just intellectually but with his heart, in the alchemy that transforms the self. You may well keep this book at hand, to be tasted from time to time, comparing the steps of this spiritual traveler to your own."--Kabir Helminski, Mevlevi Shaikh and Sufi author "Charles Upton is an oasis of spirituality in a parched desert of secularism. In a world desiccated by materialism, greed, envy, and egotism, where virtues are viewed as vices and vices as virtues, Day and Night on the Sufi Path provides desperately needed access to a soul-saving spiritual source. Well-versed in the inner and outer dimensions of Islam, Upton exemplifies the balance between the esoteric and the exoteric. His Sufism, while sublime, is rooted in the realities of our time."--John Andrew Morrow, author of The Covenants of the Prophet Muhammad with the Christians of the World "In Day and Night on the Sufi Path Charles Upton provides us with a lucid glimpse of one of the spiritual paths to God in Islam. Classical Sufi teachings on the soul, spiritual practice, states and stations, and potential dangers are discussed with eloquence and rigor in a manner that is true to the tradition and relevant to the time we are in. This work is at once philosophical and poetic, systematic and with flashes of original inspiration that can only come from someone conversant in both the theoretical and practical dimensions of tasawwuf. It is a faithful reflection of the Divine Light that has captured the author's attention and may help to illuminate the path for others."--Zachary Markwith, author of One God, Many Prophets: The Universal Wisdom of Islam Journey Through Ten Thousand Veils Penguin

Ibn al-'Arabi is still known as "the Great Sheik" among the surviving Sufi orders. Born in Muslim Spain, he has become famous in the West as the greatest mystical thinker of Islamic civilization. He was a great philosopher, theologian, and poet. William Chittick takes a major step toward exposing the breadth and depth of Ibn al-'Arabi's vision. The book offers his view of spiritual perfection and explains his theology, ontology, epistemology, hermeneutics, and soteriology. The clear language, unencumbered by methodological jargon, makes it accessible to those familiar with other spiritual traditions, while its scholarly precision will appeal to specialists. Beginning with a survey of Ibn al-'Arabi's major teachings, the book gradually introduces the most important facets of his thought, devoting attention to definitions of his basic terminology. His teachings are illustrated with many translated passages introducing readers to fascinating byways of spiritual life that would not ordinarily be encountered in an account of a thinker's ideas. Ibn al-'Arabi is allowed to describe in detail the visionary world from which his knowledge derives and to express his teachings in his own words. More than 600 passages from his major work, al-Futuh al-Makkiyya, are translated here, practically for the first time. These alone provide twice the text of the Fusus al-hikam. The exhaustive indexes make the work an invaluable reference tool for research in Sufism and Islamic thought in general.

Teachings of Rumi Anqa Publishing

This is the most accessible work in English on the greatest mystical poet of Islam, providing a survey of the basic Sufi and Islamic doctrines concerning God and the world, the role of man in the cosmos, the need for religion, man's ultimate becoming, the states and stations of the mystical ascent to God, and the means whereby literature employs symbols to express "unseen" realities. William Chittick translates into English for the first time certain aspects of Rumi's work. He selects and rearranges Rumi's poetry and prose in order to leave aside unnecessary complications characteristic of other English translations and to present Rumi's ideas in an orderly fashion, yet in his own words. Thorough, nontechnical introductions to each chapter, and selections that gradually present a greater variety of terms and images, make this work easily accessible to those interested in the spirituality of any tradition.

A comprehensive compilation, this bilingual edition--Arabic and English--celebrates Ahmad ibn 'Ajiba's belief that coming to know and reflect upon these notions could be, in itself, a sort of ascending meditative journey.
