### **Cities and Saints: Sufism and the Transformation of Urban Space in Medieval Anatolia** A&C Black

Through this ancient Persian story of a prickly-bush digger and his daughter who discover magical stones that bring wealth and disaster, this tale explores the different ways to nourish and care for the soul. As an invitation to the dimensions of love, power, and divine sustenance, Moshkel Goshka's magical story shows how to value and protect a deep longing for inner truth in the contemporary age. The accompanying commentary highlights the story and applies its principles to the spiritual needs and challenges of the contemporary world.

### **Contested Meanings and New Mediations of the Qawwali Tradition** BRILL

Objective and illuminating, this treatise, written by Sufi leader Muhyiddin Ibn 'Arabi, presents a fundamental analysis of spiritual practice. Underscoring the importance of silence, seclusion, hunger, and vigilance, this guide demonstrates that these activities are both physical and spiritual. Providing the necessary tools for an enlightened life, this dual-language edition incorporates the first critical edition of the Arabic text, gathered from the best-surviving manuscripts. An introduction, and translation of chapter 53 of the renowned Futuhat al-Makkiyya, are also included.

What is Sufism? Contemporary views vary tremendously, even among Sufis themselves. Contemporary Sufism: Piety, Politics, and Popular Culture brings to light the religious frameworks that shape the views of Sufism ' s friends, adversaries, admirers, and detractors and, in the process, helps readers better understand the diversity of contemporary Sufism, the pressures and cultural openings to which it responds, and the many

divergent opinions about contemporary Sufism ' s relationship to Islam. The three main themes: piety, politics, and popular culture are explored in relation to the Islamic and Western contexts that shape them, as well as to the historical conditions that frame contemporary debates. This book is split into three parts: • Sufism and anti-Sufism in contemporary contexts; • Contemporary Sufism in the West: Poetic influences and popular manifestations; • Gendering Sufism: Tradition and transformation. This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam, gender, and the West. It offers an ideal starting point from which undergraduate and postgraduate students, teachers and lecturers can explore Sufism today.

### *Philosophers, Sufis, and Caliphs* Shambhala Publications

A revised 25th anniversary edition of the classic work on Sufism that Jack Kornfield called, "A heartfelt modern illumination of the Sufi path, filled with the fragrance of the ancients." In Sufism, the mystical branch of Islam, presence is the quality that describes a heart-filled state of mindfulness, an experience of being conscious in the present moment. It is only in this present moment, Sufi teachings reveal, that we can connect with the Divine, and the Divine can live through us. Kabir Helminski is one of the world's most recognized teachers of Sufism. Named one of the "500 Most Influential Muslims" in the world by Georgetown University and the Royal Strategic Studies Center, Helminski and his teachings are touchstones for the growth in interest in Sufism, and his books have been translated around the world. In Living Presence, Helminski lays out the basic principles of Sufism, and how these ideas can lead to the experience of presence. In this inspiring work, readers will learn how to cultivate presence in their lives through: \* Finding a balance between the outer stimuli of the world and our inner reactions to them \* Harnessing faithfulness and gracefulness \* Learning about the parallels between ancient spiritual wisdom and modern psychological knowledge \* Meditation and contemplation to discover more meaning in daily life With unique clarity, this book describes how presence can be developed to vastly improve our lives. Drawing on the work of the beloved Sufi poet, Rumi, as well as traditional material and personal experience, this book integrates the ancient wisdom of Sufism with the needs of contemporary life. Completely revised and updated for its 25th anniversary, this edition of Living Presence offers a wisdom that is both universal and practical.

### 99 Pathways of the Heart for the Modern Dervish The Golden Sufi Center

Offers an overview of Sufism in North America. In this book, William Rory Dickson explores Sufism as a developing tradition in North America, one that exists in diverse and beguiling forms. Sufism's broad-minded traditions of philosophy, poetry, and spiritual practice infused Islamic civilization for centuries and drew the attention of interested Westerners. By the early twentieth century, Sufism was being practiced in North America. Today's North American Sufism can appear either explicitly Islamic or seemingly devoid of Islamic religiosity. Dickson provides indispensable background on Sufism's

relation to Islamic orthodoxy and to Western esoteric traditions, and its historical development in North America. The book goes on to chart the directions that North American Sufism is currently taking, directions largely chosen by Sufi leaders. The views of ten North American Sufi leaders are explored in depth and their perspectives on Islam, authority, gender, and tradition are put in conversation with one another. A more detailed picture of North American Sufism emerges, challenging previous scholarly classifications of Sufi groups, and highlighting Sufism's fluidity, diversity, and dynamism. "Living Sufism in North America is the first book of its kind to bridge the gap between Sufi studies and the study of North American contemporary religious movements. As such, it is a comprehensive, pioneering work of potential interest to a wide array of scholars in the field of contemporary religion." — Patrick Laude, author of *Pathways to an Inner Islam: Massignon, Corbin, Guenon, and Schuon*

**Transformation in Contemporary Sufism** The Golden Sufi Center

This thesis explores the effects of globalization on religion by focusing on the qawwali, a traditional spiritual practice of South Asia, rooted in the contexts of community and ritual. The *raison d'être* of the qawwali is to enable a transformation of the self through the power of music and poetry by facilitating the transference of barakah (spiritual grace), from master to disciple. Qawwali has undergone changes in the recent past, especially in the way diasporic communities experience it through different media such as movies, concerts, and the internet, which reorient the practice. The thesis documents how new media, facilitated by various globalizing processes, allow Muslims and others, removed from the original context of production, to continue to experience the qawwali. This investigation helps us understand the contested meanings and new mediations of the qawwali tradition.

**Love is a Fire** The Golden Sufi Center

Based on careful study of the substantial and largely unpublished manuscript legacy left by the Halveti mystical order, one of the most influential Sufi orders in the Ottoman Empire, this is a history of the rise and spread of its Sa'baniyye branch between

The Golden Sufi Center

A pathbreaking history of Sufism, from the earliest centuries of Islam to the present. After centuries as the most important ascetic-mystical strand of Islam, Sufism saw a sharp decline in the twentieth century, only to experience a stunning revival in recent decades. In this comprehensive new history of Sufism from the earliest centuries of Islam to today, Alexander Knysh, a leading expert on the subject, reveals the tradition in all its richness. Knysh explores how Sufism has been viewed by both insiders and outsiders since its inception. He examines the key aspects of Sufism, from definitions and discourses to leadership, institutions, and practices. He devotes special attention to Sufi approaches to the Qur'an, drawing parallels with similar uses of scripture in Judaism and Christianity. He traces how Sufism grew from a set of simple moral-ethical precepts into a sophisticated tradition with professional Sufi masters (shaykhs) who became powerful players in Muslim public life but whose authority was challenged by those advocating the equality of all Muslims before God. Knysh also examines the roots of the ongoing conflict between the Sufis and their fundamentalist critics, the Salafis—a major fact of Muslim life today. Based on a wealth of primary and secondary sources, Sufism is an indispensable account of a vital aspect of Islam.

**Islam, Literature and Society in Mongol Anatolia** Tughra Books

Born in a Jewish family, Maryam Kabeer was led to live in India and Nepal, and in monasteries

in Europe, and then guided to embrace Islam at the hands of an ancient Sufi Master a few minutes away from the tomb of the Prophet Abraham. She then was guided to study intensively with Sufi Masters around the world. Her journey to the holy places and people of the earth, led her finally to Africa and the deep truth that all lives are totally interconnected and united with our own. This book is a significant and revealing social commentary, also dispelling many other myths and stereotypes such as the proposition, often fostered by the media, that women are inevitably oppressed in Islam. On the contrary, it is by entering into the heart of Islam that the author was liberated, elevated, empowered, and guided to realize the true purpose of her existence.

Catching the Thread Inner Traditions

This volume provides an objective analysis of current trends and developments in the beliefs and practices of Sufis in Britain. Sufism is a dynamic and substantial presence within British Muslim communities and is influencing both religious and political discourses concerning the formation of Islam in Britain. In the 21st century Sufis have re-positioned themselves to represent the views of a 'Traditional Islam', a non-violent 'other Islam', able to combat the discourses of radical movements. Major transformations have taken place in Sufism that illuminate debates over authenticity, legitimacy, and authority within Islam, and religion more generally. Through examining the theory and history involved, as well as a series of case studies, Sufism in Britain charts the processes of change and offers a significant contribution to the political and religious re-organisation of the Muslim presence in Britain, and the West.

*The Sufi Path of Annihilation* Shambhala Publications

This is a clear and accessible approach to the spiritual tradition of Sufism, a mystical path which uses the energy of love for inner transformation. Vaughan-Lee gives an outline of Sufism--its basic principles, historical background, and recent development in the West, and offers practical guidelines to help the seeker.

*The Other Islam* The Golden Sufi Center

Part meditation book, part oracle, and part collection of Sufi lore, poetry, and stories, *The Sufi Book of Life* offers a fresh interpretation of the fundamental spiritual practice found in all ancient and modern Sufi schools—the meditations on the 99 Qualities of Unity. Unlike most books on Sufism, which are primarily collections of translated Sufi texts, this accessible guide is a handbook that explains how to apply Sufi principles to modern life. With inspirational commentary that connects each quality with contemporary concerns such as love, work, and success, as well as timeless wisdom from Sufi masters, both ancient and modern, such as Rumi, Hafiz, Shabistari, Rabia, Inayat Khan, Indries Shah, Irina Tweedie, Bawa Muhaiyadden, and more, *The Sufi Book of Life* is a dervish guide to life and love for the twenty-first century. **Sufism and the Road to Global Harmony** SUNY Press

From Rumi's whirling dervishes in Turkey over 700 years ago, to circles of silent mystics in the West today, this book reveals the history and practices of Sufism, the ancient but still active system of Islamic mysticism which has long been the spiritual current in Islam that counterbalances fundamentalism. Eric Geoffroy is an authority on Sufism, and he shows us this increasingly popular contemplative dimension of Islam, which is little understood in the West.

**The Safavid Roots of a Modern Concept** McFarland

A compelling interpretation of spiritual or holistic Islam that will hearten contemporary Muslims looking for a faith suited to our times, and providing non-Muslims a brilliant introduction to this rich spiritual tradition.

The Bond with the Beloved Harmony

The work of The Golden Sufi Center is to make available the teachings of the Sufi path. Based on live talks and meetings with Llewellyn Vaughan-Lee, this is an introduction to the passion and wisdom of the Sufi path of love. The call of the heart and how it draws us back to divine union is one of mankind's greatest secrets, and for the Sufi, this love is a fire that burns away all traces of separation. Vaughan-Lee teaches how to live this burning and describes stages of the path of love on the soul's journey home. *Love Is a Fire* includes descriptions of the "friends of God," early Sufi saints who burned with the fire of divine love, including Rumi, Ibn 'Arabi, and Rabi'a. It also introduces elements of the path and important tools that purify the wayfarer: tauba, the moment of the turning of the heart when the soul remembers its divine origin; dhikr, the central Sufi practice of remembrance of God through repetition of the name of God or a sacred phrase; meditation, a way of drowning thoughts in the fire of love; and dreamwork, a way of listening and attuning to the mystery of what is hidden within us—the stories of our deeper selves.
