The stories in Sugar Bush & Other Stories deal with gender relations, love, and sex in a frank way. Most of the pieces feature female protagonists who navigate their young adult years in some questionable ways. They make some ill-advised choices, which are driven by their na

Sugar was first produced from sugarcane plants in northern India sometime after the first century CE. The derivation of the word "sugar" is thought to be from Sanskrit (शर्करा), meaning "ground or candied sugar," originally "grit,

gravel". Sanskrit literature from ancient India, written between 1500 - 500 BC provides the first documentation of the cultivation of sugar

"Sugar and Other Stories" by A. S. Byatt

Sugar and Other Stories centers on musings, philosophies and opinions about literature, culture and the human mind. Each story is enriching, enthralling and thought provoking. They remind me of her series based on the Potter family. My favorite stories are "Precipice-Encurled," "The Next Room," "The Dried Witch," and "The July Ghost."
