with the foundations of candy; how to create delicious syrups, purees, and “ magic dusts ” that are the building blocks for making lollipops, caramels, marshmallows, and gummy candy. But even more ingeniously, these syrups, purees, and magic dusts can be used to make a myriad of other sweet confections such as Strawberry Cream Soda, Peanut Butter Hot Fudge, Marshmallow Brownies, and Popcorn Ice Cream. And what to do with all your homemade candy? Jami has your covered, with instructions for making candy garlands, tiny candy-

filled pinatas, candy ornaments, and more—you are officially party ready. But this is just the tip of the deliciously sweet iceberg--packed with nearly 200 recipes, careful step-by-step instruction, tips for guaranteed success, and flavor guides to help you come up with own unique creations—Candy is Magic is a candy call to action! Nancy Silverton's Pastries from the La Brea Bakery Harper Collins From a Pulitzer Prize-winning investigative reporter at The New York Times comes the troubling story of the rise of the processed food industry -- and

how it used salt, sugar, and fat to addict us. Salt Sugar Fat is a journey into the highly secretive world of the processed food giants, and the story of how they have deployed these three essential ingredients, over the past five decades, to dominate the North American diet. This is an eye-opening book that demonstrates how the makers of these foods have chosen, time and again, to double down on their efforts to increase consumption and profits, gambling that consumers and regulators would never figure them out. With meticulous original reporting, access to

confidential files and memos, and numerous sources from deep inside the industry, it shows how these companies have pushed ahead, despite their own misgivings (never aired publicly). *Salt Sugar Fat* is the story of how we got here, and it will hold the food giants accountable for the social costs that keep climbing even as some of the industry's own say, "Enough already."

Candy Is Magic HarperCollins UK Shortlisted for the 2020 Booker Prize, a searing literary debut novel set in India about mothers and daughters,

obsession and betrayal " I would be lying if I say my mother ' s misery has never given me pleasure," says Antara, Tara ' s now-adult daughter. This is a love story and a story about betrayal—not between lovers but between a mother and a daughter. . . . In her youth, Tara was wild. She abandoned her arranged marriage to join an ashram, embarked on a stint as a beggar (mostly to

spite her affluent parents), and spent years chasing a disheveled, homeless “artist,” all with little Antara in tow. But now Tara is forgetting things, and Antara is an adult—an artist and married—and must search for a way to make peace with a past that haunts her as she confronts the task of caring for a woman who never cared for her. Sharp as a blade and laced with caustic wit,

Burnt Sugar unpicks the slippery, choking cord of memory and myth that binds mother and daughter: Is Tara’s memory loss real? Are Antara’s memories fair? In vivid and visceral prose, Avni Doshi tells a story at once shocking and empathetic of a mother-daughter relationship and a daughter’s search for self. A journey into shifting memories, altering identities, and the subjective nature of

truth, Burnt Sugar is the stunning and unforgettable debut of a major new voice in contemporary fiction. Sugar and Spice HarperCollins UK The Luxe is the first book in the New York Times bestselling Luxe series by Anna Godbersen. Irresistible boys with mischievous smiles and dangerous intentions. White lies, dark secrets, and scandalous hook-ups. This is Manhattan, 1899. City's elite is far from secure, suddenly everyone—from the backstabbing socialite Penelope Hayes to the debonair bachelor Henry Schoonmaker to the spiteful maid Lina Broud—threatens Elizabeth's and Diana's golden future. With the fate of the Hollands resting on her shoulders, Elizabeth must choose between family duty and true love. But when her carriage overturns near the East River, the girl whose glittering life lit up

the city's gossip pages is swallowed by the rough current. As all of New York grieves, some begin to wonder whether life at the top proved too much for this ethereal beauty, or if, perhaps, someone wanted to see Manhattan's most celebrated daughter disappear... “Mystery, romance, jealous, betrayal, humor, and gorgeous, historically accurate details.
