"Except then I wonder what it's like to feel
normal because if you take away the things
I've felt all my life--the insecurity, the pain, the
loneliness, the absolute dissolution of any

when I realize one of said manic moods is
creeping up on me (like right now)--what's left

Beides wird authentisch beschrieben und mit Würde behandelt. Die angedeutete Liebesgeschichte ist bezaubernd. Ich konnte das Buch nicht aus der Hand legen und habe es bis in die Nacht durchgelesen, ohne überhaupt zu bemerken, wie spät es ist. Alle Bücher von Kelley York sind ausgezeichnet, aber Suicide Watch ist definitiv mein Favorit!

Suicide Watch is a quiet and honest (without being preachy) novel about dealing with (and coping with) life when it seems all is lost. It's about finding people and the things worth sticking around for— and it's not an easy book to get through.
