Profit First (Book Review)

"Profit First", just as the name implies, is a straightforward, understandable discipline that -- if applied - can completely transform a business, and put it on the path toward managing cash flow to greater -- dare I say guaranteed? --profitability.

Profit First, a concept penned by business author Mike Michalowicz, identifies that the natural behavior of entrepreneurs is not

to regularly review their firm's P&L, Balance Sheet and Cash Flow Statement. Instead most entrepreneurs manage their business via "bank balance accounting", making gut-level decisions based on the cash in the bank.
