Never produced until this year (1998), NOT ABOUT NIGHTINGALES (1938), portrays a shocking prison scandal in which convicts leading a hunger strike in prison were locked in a steam-heated cell and roasted to death. Williams himself later said that he had never written anything to compare with it in violence and horror. The play indelibly presages the great plays he was later to write. Copyright © Libri GmbH. A Stolen Paradise is a controversial new book about the making of The Night of the Iguana. The non-fiction narrative follows the history of this modern classic from its creation as an acclaimed stage play by Tennessee Williams, regarded as the greatest playwright of the twentieth century, to its adaptation as an Oscar-winning movie directed by the legendary filmmaker John

Huston. Sharing the spotlight in this riveting saga are two international megastars whose love affair dominated news coverage for much of that millennium: Richard Burton and Elizabeth Taylor, together with the highly combustible superstar Ava Gardner, and a third equally impressive star, Deborah Kerr, who lived side-by-side for three months in the Mexican jungle during the film's production. Everyone involved hoped they would benefit from the movie's success. But what was the personal and professional cost to each of them? Through extensive archival research and firsthand interviews, which uncover many previously unknown facts, Howard Johns brings to life the people and events surrounding The Night of the Iguana and its transformative effect on Puerto Vallarta - once a small fishing village, now an international tourist destination. It was there, in the isolated jungles of Mismaloya, that the movie had its greatest impact, introducing the native inhabitants, who had no previous contact with the outside world, to a modern way of life, the effects of which are still being felt today. This richly detailed account of movie making is more than an exposé of Hollywood or a sentimental wallow in nostalgia; it is also a time capsule of world events. A Stolen Paradise combines elements of American pop culture, Mexican history and Aztec mythology to tell a prescient saga of human conquest and its surprising, often tragic, consequences.

Study Guide for Summer and Smoke by Tennessee Williams Signet

The spellbinding last full-length play produced during the author's lifetime is now published for the first time. Christmas 1982: Cornelius and Bella McCorkle of Pascagoula, Mississippi, return home one midnight in a thunderstorm from the Memphis funeral of their older son to a house and a life literally falling apart--daughter Joanie is in an insane asylum and their younger son Charlie is upstairs having sex with his pregnant, holy-roller girlfriend as the McCorkles enter. Cornelius, who has political ambitions and a litany of health problems, is trying to find a large amount of moonshine money his gentle wife Bella has hidden somewhere in their collapsing house, but his noisy efforts are disrupted by a stream of remarkable characters, both living and dead. While Williams often used drama to convey hope and desperation in human hearts, it was through this dark, expressionistic comedy, which he called a "Southern gothic spook sonata," that he was best able to chronicle his vision of the fragile state of our world.

Now available as a paperback, Volume VIII adds to the series' four full-length plays written and produced during the last decade of Williams' life.

*A Production Thesis of Tennessee Williams' Summer and Smoke*

This anthology contains four of the Pulitzer Prize-winning playwright's most brilliant works: Summer and Smoke, Orpheus Descending, Suddenly Last Summer and Period of Adjustment. "The innocent and the damned, the lonely and the frustrated, the hopeful and the hopeless . . . (Williams) brings them all into focus with an earthy, irreverently comic passion".--Newsweek.
