Spectrum Math for grade 1 keeps kids at the top of their math game using progressive practice, math in everyday settings, and tests to monitor progress. The math workbook covers addition, subtraction, composing shapes, comparing numbers, and taking measurements. --A best-selling series for well over 15 years, Spectrum still leads the way because it works. It works for parents who want to give their child a leg up in math. It works for teachers who want their students to meet and surpass learning goals. And it works to help children build confidence and advance their skills. No matter what subject or grade, Spectrum provides thorough practice and focused instruction to support student success.

Brain Quest Workbook Rainbow Bridge Publishing
Summer Bridge Activities(TM): Bridging Grades Third to Fourth prepares your rising fourth grader for a successful school year. The activities in this book are designed to review the skills that your child mastered in third grade, preview the skills that he or she will learn in fourth grade, and help prevent summer learning loss. No matter how wonderful your child's classroom experiences are, your involvement outside of the classroom is crucial to his or her academic success. Together with Summer Bridge Activities(TM), you can fill the summer months with learning experiences that will deepen and enrich your child's knowledge and prepare your child for the upcoming school year.

--Summer Bridge Activities(TM) is the original workbook series developed to help parents support their children academically during the summer months. While many other summer workbook series are available, Summer Bridge Activities(TM) continues to be the series that teachers recommend most. --The three sections in this workbook correspond to the three months of traditional summer vacation. Each section begins with a goal-setting activity, a word list, and information for parents about the fitness and character development activities located throughout the section. Bonus extension activities that encourage outdoor learning, science experiments, and social studies exercises are located at the end of each section.

--Stickers, flash cards, and a colorful award certificate are also included. 160 full-color pages.
Summer Bridge Activities(r) Quick, Grades 3 - 4 Summer Bridge Activities
Spectrum Test Prep Grade 1 includes strategy-based activities for language arts and math, test tips to help answer questions, and critical thinking and reasoning. The Spectrum Test Prep series for grades 1 to 8 was developed by experts in education and was created to help students improve and strengthen their test-taking skills. The activities in each book not only feature essential practice in reading, math, and language arts test areas, but also prepare students to take

standardized tests. Students learn how to follow directions, understand different test formats, use effective strategies to avoid common mistakes, and budget their time wisely. Step-by-step solutions in the answer key are included. These comprehensive workbooks are an excellent resource for developing skills for assessment success. Spectrum, the best-selling workbook series, is proud to provide quality educational materials that support your students' learning achievement and success.
