Crossing to Safety Modern Library  
The host of America's Most Wanted, John Walsh has formed a vital partnership with the public, the media, and law enforcement that has led to the capture of hundreds of the worst serial killers, kidnapers, pedophiles, and rapists of our time. In *Public Enemies* he reveals the cost -- the blood, sweat, and tears -- behind the relentless pursuit of hard justice, in such infamous cases

as: Kyle Bell: A lifelong sexual predator whose madness culminated in the slaying of an eleven-year-old North Dakota girl. Bell was one of the only fugitives AMW had to capture twice -- and his case stirred more outrage than any other broadcast in AMW's history. Kathleen Soliah: This accused Symbionese Liberation Army terrorist disappeared in 1969 only to resurface twenty-five years later as suburban housewife and soccer mom Sara Jane Olson. Her arrest, following AMW's profile of Soliah and her former SLA partner James Kilgore, incited a stunning controversy. Rafael Resendez-Ramirez: aka The Railroad Killer. A sociopathic drifter, he rode the Texas rails, stopping only to rape and kill. His case was first

brought to the public eye by AMW, and it was a secret call to the program's hot line that ultimately led to his surrender. In those and other gripping true-crime profiles, John Walsh exposes the behind-the-scenes drama of the groundbreaking show, and what actually unfolds between the crimes and the captures -- the vital leads from strangers, the dangerous manhunts, the developments cut from the AMW broadcasts, and the dogged investigations by authorities. He divulges stunning lapses in the judicial process that release monsters to the streets time and again. He takes readers inside the hearts and souls of the grieving families, and gives eyewitness accounts of the dramatic final

moments when fugitives are finally taken down. An outspoken and unstoppable crusader, John Walsh ignites *Public Enemies* with righteous anger and gut-level emotion. But his heartfelt motto echoes throughout: I truly believe, with all my heart and soul, that together we can make a difference. It's a conviction Walsh offers as inspiration to the innocents affected by crime, and to all who feel powerless in the face of unfathomable evil.

Pam Ayres' early childhood in Stanford in the Vale was idyllic in many ways, and typical of that experienced by a great swathe of children born in rural areas in the immediate post-war years. This title gives her portrait.

Truman Capote *Enfant Terrible* Modern Library

Set in Renaissance Italy, this classic of American popular fiction is the story of Andrea Orsini, a peasant boy who rises to perform delicate political, military and romantic missions for Cesare Borgia. When first published in mid-20th century, Orson Welles was cast as Borgia in the film version. Tyrone Power as Orsini.

The Professor and the Parson Modern Library

Although Truman Capote's last novel was unfinished at the time of his death, its surviving portions offer a devastating group portrait of the high and low society of his time. "Prose that makes the heart sing and the narrative fly." —The New York Times Book Review Tracing the career of a writer of uncertain parentage and omnivorous erotic tastes, *Answered Prayers* careens from a louche bar in Tangiers to a banquet at La Côte Basque, from literary salons to high-priced whorehouses. It takes in calculating beauties and sadistic husbands along with such real-life supporting characters as Colette, the Duchess of Windsor, Montgomery Clift, and Tallulah Bankhead. Above all, this malevolently finny book displays Capote at his most relentlessly observant and murderously witty.

Summer Crossing Catapult

An underprivileged boy is determined to guess the amount of money in and thereby win a jug of silver coins so that he can do something very special for his sister.

The Early Stories of Truman Capote Grove Press  
A reminiscence of a Christmas shared by a seven-year-old boy and a sixtyish childlike woman, with enormous love and friendship between them.

A close look at the genesis of one of America's great modern writers Robert Emmet Long presents a full account of Truman Capote's early life, making use of Capote's unpublished papers. Topics covered include his strange relationship with his beautiful but immature mother (she was sixteen years old when Capote was born) as well as his friendships with a series of rich and talented women. Combining biographical insights with literary criticism, *Truman Capote, *Enfant Terrible** presents a grand overview of a complex and fascinating author: one who remained a child in appearance and behavior; a southerner who strayed from the south; a celebrity while living in the most solitary realm of his vast imagination.

Introduction by Terry Tempest Williams  
Afterword by T. H. Watkins  
Called a "magnificently crafted story . . . brimming with wisdom" by Howard Frank Moshier in *The Washington Post Book World*, *Crossing to Safety* has, since its publication in 1987, established itself as one of the greatest and most cherished American novels of the twentieth century. Tracing the lives, loves, and aspirations of two couples who move between Vermont and Wisconsin, it is a work of quiet majesty, deep compassion, and powerful insight into the alchemy of

friendship and marriage.

The Good Girls Univ of South Carolina Press

The New York Times bestselling author of *All the Bright Places*—soon to be a Netflix film starring Elle Fanning—presents a coming-of-age debut about ill-fated love during the Great Depression—and what it means to be a woman with ambition. Velva Jean's mother urged her to “live out there in the great wide world,” and growing up in Appalachia in the years before World War II, Velva Jean dreams of becoming a big-time singer in Nashville. Then she falls in love with Harley Bright, a handsome juvenile delinquent turned revival preacher. As their tumultuous love story unfolds, Velva Jean must choose between keeping her hard-won home and pursuing her dream of singing in the Grand Ole Opry. Like *All the Bright Places*, hailed as a “charming love story about [an] unlikely and endearing pair” (New York Times Book Review), Jennifer Niven's debut novel is a big-hearted story about the struggle to find happiness.

In Cold Blood Penguin

The gritty, true blue story of two remarkable cops and an equally extraordinary nurse who provided the spirit and smarts that transformed Fear City into the safest big city in America. *NEW YORK'S FINEST* is the story of a city's transformation through the tireless efforts of Detective Steven McDonald, Nurse Justiniano, Jack Maple, and a host of hero cops—including the great niece of Jazz Age great Josephine Baker—the finest of *The Finest*. The son and grandson of cops, Officer McDonald was shot

and paralyzed from the neck down while on patrol in 1986. The doctors said that if he did survive, he would be better off dead. It was then he came under the care of one Nurse Nina Justiniano. Where the teenage gunman was produced by the worst of Harlem's social ills, she personified its many graces, rescuing Steven from despair and urging him to transcend hate and bitterness. McDonald was then promoted to detective at the urging of NYPD Deputy Commissioner Jack Maple, a postal worker's son who sported a bow tie, Homburg hat, and two-tone shoes as he implemented transformative crime-fighting strategies to deter violent subway robberies. Coming up in the force, Maple had been routinely mocked for imagining the impossible: that Times Square would one day be a destination for families and tourists. Now, resentments and tensions are mounting in the same neighborhoods that most benefited from the careful consideration of officers like McDonald and Maple. But as *NEW YORK'S FINEST* illustrates, their legacies, and those of people like Nurse Justiniano, may well rescue New York City from its present state of unrest and struggle in the wake of protests and the pandemic.

It was one of the biggest scandals in New York University history. Professor John Buettner-Janusch, chair of the Anthropology Department, was convicted of manufacturing LSD and Quaaludes in his campus laboratory. He claimed the drugs were for an animal behavior experiment, but the jury found otherwise. B-J, as he was known, served two years in prison before being paroled, emerging to find his life and career in shambles. Four years later, he sought revenge by trying to kill the sentencing judge and others with poisoned Valentine's Day chocolates. After pleading guilty to attempted murder, he was sentenced to twenty years in prison, where he died in mysterious

---

circumstances. But before he was infamous at NYU, B-J, a scientific luminary, had also taught at Yale and Duke. One of the world's foremost authorities on lemurs, our distant primate relatives on the remote island of Madagascar, he brought international attention to these endearing and endangered creatures. He cofounded the Duke Lemur Center in North Carolina and inspired a whole generation of scientists to study them and conservationists to save them and their habitat. His trials captured national headlines, but the mad scientist's full story has never been told—until now.

Portraits and Observations Random House Longlisted for the CWA Gold Dagger for Non-Fiction 'I embarrassed myself by uncontrollable guffaws ... This is a truly wonderful story' A. N. Wilson, Spectator 'A white-knuckle roller-coaster ride of fibs and frauds' Sunday Telegraph 'An utterly mad, and wholly delightful story of chicanery and fantasy' Simon Winchester One day in November 1958, the celebrated historian Hugh Trevor-Roper received a curious letter. It was an appeal for help, written on behalf of a student at Magdalen College, with the unlikely claim that he was being persecuted by the Bishop of Oxford. Curiosity piqued, Trevor-Roper agreed to a meeting. It was to be his first

encounter with Robert Parkin Peters: plagiarist, bigamist, fraudulent priest and imposter extraordinaire. The Professor and the Parson traces the strange career of one of Britain's most eccentric criminals. Motivated not by money but by a desire for prestige, Peters' lied, stole and cheated his way to academic positions and religious posts from Cambridge to New York, Singapore and South Africa. Frequently deported, and even more frequently discovered, his trail of destruction included seven marriages (three of which were bigamous), an investigation by the FBI and a disastrous appearance on Mastermind. Based on Trevor-Roper's own detailed 'file on Peters', The Professor and the Parson is a witty and charming account of eccentricity, extraordinary narcissism and a life as wild and unlikely as any in fiction.

This carefully crafted ebook: "Emma & Persuasion" is formatted for your eReader with a functional and detailed table of contents. "Emma" — Emma Woodhouse has just attended the wedding of Miss Taylor, her friend and former governess, to Mr. Weston. Having introduced them, Emma takes credit for their marriage, and decides that she likes matchmaking. Against the advice of her brother-in-law, Emma forges ahead with her new interest, causing many controversies in the process. Set in

the fictional village of Highbury, Emma is a tale about youthful hubris and the perils of misconstrued romance. "Persuasion" — Anne Elliot is a young Englishwoman of 27 years, whose family is moving to lower their expenses and get out of debt, at the same time as the wars come to an end, putting sailors on shore. They rent their home to an Admiral and his wife. Brother of Admiral's wife is Navy Captain Frederick Wentworth, a man who had been engaged to Anne when she was 19, and now they meet again, both single and unattached, after no contact in more than seven years. First time the engagement was broken up because Anne's family persuaded her that Frederick wasn't good enough opportunity. The new situation offers a second, well-considered chance at love and marriage for Anne Elliot in her second "bloom". The Thanksgiving Visitor Knopf Books for Young Readers From the New York Times-bestselling author of The Sisterhood of the Traveling Pants Ann Brashares comes her first adult novel In the town of Waterby on Fire Island, the rhythms and rituals of summer are sacrosanct: the ceremonial arrivals and departures by ferry; yacht club dinners with terrible food and breathtaking views; the virtual decree against shoes; and the generational parade of sandy, sun-bleached kids, running, swimming, squealing, and coming of

age on the beach. Set against this vivid backdrop, *The Last Summer (of You and Me)* is the enchanting, heartrending story of a beach-community friendship triangle and summertime romance among three young adults for whom summer and this place have meant everything. Sisters Riley and Alice, now in their twenties, have been returning to their parents' modest beach house every summer for their entire lives. Petite, tenacious Riley is a tomboy and a lifeguard, always ready for a midnight swim, a gale-force sail, or a barefoot sprint down the beach. Beautiful Alice is lithe, gentle, a reader and a thinker, and worshipful of her older sister. And every summer growing up, in the big house that overshadowed their humble one, there was Paul, a friend as important to both girls as the place itself, who has now finally returned to the island after three years away. But his return marks a season of tremendous change, and when a simmering attraction, a serious illness, and a deep secret all collide, the three friends are launched into an unfamiliar adult world, a world from which their summer haven can no longer protect them. Ann Brashares has won millions of fans with her blockbuster series, *The Sisterhood of the Traveling Pants*, in which she so powerfully captured the emotional complexities of female friendship and young love. With *The Last Summer (of You and Me)*, she moves on to

introduce a new set of characters and adult relationships just as true, endearing, and unforgettable. With warmth, humor, and wisdom, Brashares makes us feel the excruciating joys and pangs of love—both platonic and romantic. She reminds us of the strength and sting of friendship, the great ache of loss, and the complicated weight of family loyalty. Thoughtful, lyrical, and tremendously moving, *The Last Summer (of You and Me)* is a deeply felt celebration of summer and nostalgia for youth. *Juror Number 2* Harper Collins  
Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is

the seminal work of the “new journalism.” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “I thought he was a very nice gentleman,” he says of Herb Clutter. “Soft-spoken. I thought so right up to the moment I cut his throat.” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

'If you were looking to fly from Dickens to Martin Amis with just one overnight stop, then Hamilton is your man' Nick Hornby 'I recommend Hamilton at every opportunity, because he was such a wonderful writer and yet is rather under-read today. All his novels are terrific' Sarah Waters Patrick Hamilton's novels were the inspiration for Matthew Bourne's new dance theatre production, The Midnight Bell. 'Beyond the fact that it was, in face of a vivid and calamitous ending, to reveal from his own experience the ardent splendours of Youth's adventure, he didn't quite know what his novel was going to be about.' Monday Morning wryly tells the story of Anthony, a young man taking his passionate first steps in life, in London, and in love. Not yet worn

down by the world, Anthony is determined to write the novel that will bring him fame and fortune - and to marry the beautiful Diane. Patrick Hamilton's witty, playful first novel introduces us to the grimy world of metropolitan boarding houses and provincial theatrical digs that would be the setting for his later masterpieces Hangover Square and The Slaves of Solitude, and the hopes, dreams and regrets those who live there.
