Good luck and have fun! Book 2 Essential Oils: 54 Luxurious Sunscreen Recipes, Organic Lotions, Body Butters and Creams with Essential Oils and Vitamins + 15 Bonus Recipes I want to congratulate you for downloading this book; it is my sincere hope that it will answer your questions on Essential Oils. This book will teach you on how to make your own Creams, lotions, and Body butters. Want to learn how to make the finest and purest

hand-crafted lotions, creams, and skin care products? You first need to know which specific plant ingredients work to balance, repair, and encourage your skin to be its best. Sensitive skin huh! Whether your skin is sensitive, aging, dry, oily, or normal, nature has given us the right plant to correct the problem. Plants all have different properties. Some are astringent or hydrating, others have the ability to absorb moisture or oil, and still others contain properties that mimic human sebum, so choosing the right plant for your skin to include in your homemade lotions is essential. Book 3 DIY Repellents: 100% Organic Recipes to Protect Yourself from Bugs, Ticks, and Mosquitoes By purchasing this book, you are on your way to taking the chemicals out of your home and bringing in all-natural solutions to your bug problems into it. In this book, you will be introduced to: What essential oils are The tools you will need to measure and mix them The most common preparations you will be using to take control of the insects Beginning recipes to help you get started.
