James Morton was surely the people's favourite to win 2012's Great British Bake Off series - with his Fairisle jumpers and eccentric showstoppers, this soft-spoken Scottish medical student won the viewers' hearts if not the trophy. James's real passion is bread-making. He is fascinated by the science of it, the taste of it, the making of it. And in Brilliant Bread he communicates that passion to everyone, demystifying the often daunting process of "proper" bread making. James uses supermarket flour and instant yeast - you can save money by making your own bread. You don't even have to knead! It just takes a bit of patience and a few simple techniques. Using step by step photos, James guides the reader through the how-to of dough making and shaping, with recipes ranging from basic loaves through flatbreads, sourdoughs, sweet doughs, buns, doughnuts, focaccia and pretzels. Inspiring and simple to follow, with James's no-nonsense advice and tips, this book will mean you never buy another sliced white loaf again.

Americans today are working harder, working longer and yet for most of us, in this time of ruthless downsizing and political cronyism, job security, a decent standard of living and a comfortable retirement are becoming harder and harder to find. In this brilliantly funny and right-on-target diatribe, irreverent everyman Michael Moore gives his own bold views on who's behind the fading of the American dream. Whether issuing Corporate Crook trading cards, organizing a Rodney King Commemorative Riot, sending a donation to Pat Buchanan from the John Wayne Gacy fan club (which was accepted) or trying to commit former right-wing congressman Bob Dornan to a mental hospital, the in-your-face host of TV Nation and director/star of Roger & Me combines an expansive wit with biting social commentary to make you think and laugh at the same time. In hardcover, Downsize This! stormed the bestseller lists of the New York Times, Wall Street Journal, Washington Post, San Francisco Chronicle and others. Given Michael Moore's enormous -- and growing -- constituency, this trade paperback edition brings his unique perspective on the nation to an even greater audience.
