The CP-FS credential is designed for individuals within the public and private sectors who have prior food safety experience, and it integrates food microbiology, HACCP

principles, and regulatory requirements to validate problem solving and knowledge expertise using real-world examples.

SAFE Exam Flashcards | Quizlet

Students must obtain a mark of at least 70% on the multiple-choice test to pass; approximately 95% of students do pass the course the first time. Students who obtain 60-68% on the test may rewrite the exam one time at a later date free of charge.

Certification - Food Marketing Institute

It's important to make sure your managers receive the right certification—one that speaks to the unique food safety needs of the supermarket. Certification also demonstrates your company's commitment to food safety. SafeMark® is the only food safety training and certification program that keeps retailers and their needs top of mind.

SuperSafeMark is developed by the Food Marketing Institute and targeted to grocery store and retail food managers. Both programs use a certification exam that meets the Conference for Food Protection accreditation standards for food safety training programs.

Food Safety Practice Quiz, food safety practice exam

Important Notes. Our Final Exam Grade Calculator calculates the final exam grade you would need to get a desired overall course grade and would require you to input your current course percentage grade as well as the weight of the final as a percentage.
