" A little sweet, a little sharp. " —Booklist, starred review High school nemeses fall in love in Kelly Quindlen's She Drives Me Crazy, a queer YA rom com perfect for fans of Becky Albertalli and Casey McQuisten. After an embarrassing loss to her ex-girlfriend in their first basketball game of the season, seventeen-year-old Scottie Zajac gets into a fender bender with the worst possible person: her nemesis, Irene Abraham, head cheerleader for the Fighting Reindeer. Irene is as mean as she is beautiful, so Scottie makes a point to keep her distance. When the accident sends Irene ' s car to the shop for weeks ' worth of repairs and the girls are forced to carpool, their rocky start only gets bumpier. But when an opportunity arises for Scottie to get back at her toxic ex—and climb her school ' s social ladder—she bribes Irene into an elaborate fake- dating scheme that threatens to reveal some very real feelings. From author Kelly Quindlen comes a new laugh-out-loud romp

through the ups and downs of teen romance, perfect for fans of Becky Albertalli.

A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In Vicious, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world

where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one...highly recommended!" —Jonathan Maberry, New York Times bestselling author of Marvel Universe vs The Avengers and Patient Zero One of Publishers Weekly's Best Fantasy Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Time Out Film Guide** CreateSpace Offers readers a comprehensive reference to the world of film, including more than ten thousand DVD titles, along with information on performers, ratings, running times, plots, and helpful features.

Sugar Baby Beautiful Penguin "Sugar Baron is a brilliant, highly original narrative of the fluctuating fortunes of Cuba and its sugar industry during the republican period."--Franklin W. Knight, Johns Hopkins University "McAvoy's 'subject' is not simply Manuel Rionda as an individual, but the entire history of U.S.-Cuban relations from the Spanish-Cuban-American War to the Revolution of

1933. Believe it or not, such a story can be told from the vantage point of this one individual, and McAvoy has done it in exemplary fashion."--Cesar Ayala, University of California, Los Angeles Sugar Baron is the story of Manuel Rionda (1854-1943), who immigrated from Spain to Cuba as a boy of 16 to become a dominant operator in the international sugar trade and to stand at the crossroads of U.S.-Cuban economic relations. Through an examination of Rionda's career as founder of the Cuba Cane Sugar Corporation and of New York's major sugar brokerage firm, Muriel McAvoy gives us an in-depth history of Cuba's sugar industry and its economy during the first half of the 20th century. McAvoy examines the dilemmas of development and the constraints of financial dependency, probing the inside story of how both Wall Street's and Cuba's political elite viewed the crucial economic problems facing the island and how they attempted

to solve them. In great detail, she elucidates conflicts among the various economic sectors in both Cuba and the United States, providing unique and often corrective insights. Stressing the significance of the Cuban elite in furthering and profiting from the development of Cuba as a sugar enclave, Sugar Baron shows that Rionda and the other hacendados did much to ensure that a single export would dominate their island's economy, enriching themselves in the process. Challenging the view that U.S. capitalism reduced Cuba's businessmen to helpless pawns, McAvoy provides a clearer view of the responsibility for events between the Spanish-American War and the triumph of Castro's revolution. Muriel McAvoy is professor emerita at Fitchburg State College, Massachusetts. [Leonard Maltin's Movie and Video Guide 1998](#) Grand Central Publishing A team of journalists with unparalleled inside access provides the first full, in-

depth account of WikiLeaks, its founder Julian Assange, and the ethical, legal, and political controversies it has both uncovered and provoked.

Guide 1997 Plume Books

From world-renowned scientist Jane Goodall, as seen in the new National Geographic documentary Jane, comes a provocative look into the ways we can positively impact the world by changing our eating habits. "One of those rare, truly great books that can change the world." - John Robbins, author of The Food Revolution The renowned scientist who fundamentally changed the way we view primates and our relationship with the animal kingdom now turns her attention to an incredibly important and deeply personal issue-taking a stand for a more sustainable world. In this provocative and encouraging book, Jane Goodall sounds a clarion call to Western society, urging us to take a hard look at the food we produce and consume-and showing us how easy it is to create positive change.Offering her hopeful, but stirring vision, Goodall argues convincingly that each individual can make a difference. She offers

simple strategies each of us can employ to foster a sustainable society. Brilliant, empowering, and irrepressibly optimistic, HARVEST FOR HOPE is one of the most crucial works of our age. If we follow Goodall's sound advice, we just might save ourselves before it's too late.

Halliwell's Film, Video & DVD Guide NYLA

From the author of the bestselling Ruthless People series, a contemporary story about the transcendent power of love... When twenty-four-year-old Felicity Harper is dragged to a sugar party, an event

where wealthy men and women seek “companionship,” she never expects this one simple decision to drastically change her whole life. Her past is nothing but broken dreams and heartache. Her present is detached and dull. And her future? Well, before meeting Theodore Darcy, the famed film director, writer, producer and CEO of Darcy Entertainment, she would have expected more of the same. Love is just a fantasy and she wants no part of it—even if she can’t deny the magnetic attraction between the two of them. So their arrangement is simple: sex with no strings attached. But as their intimacy becomes more powerful, so do Felicity’s demons. Can Theo really shoulder her past and his own? And could Felicity even let him?

Original.

New Line Books

When my parents split up I started

drawing pictures of gravestones in a church near my dad's (I know it is weird, get over it), and here is where I met Beth. But I soon found that Beth was no ordinary girl, but she was in fact a ghost. I am not talking creepy ghost, the kind that puts a curse on you, but just an ordinary person really. I soon learned she was being chased by some nasty piece of work, and I soon realised there was only me who would be able to help her. Not only was I going to try to save her from her hunter, but also try to help her move on, go into the light, and all that. Not much to ask, seeing as I was a teenager, was it! In the process I would learn that the 'unknown' was pretty clear, and that some men can be more evil than anything conjured up by the wildest of imaginations. So... I met a Ghost is a sometimes creepy, sometimes funny short novel for young adults by author Paul McAvoy. A page-turner... you will not want to draw breath until the last page is read...
